A Simple Guide To Child Support Redemption is the best resource available for non-custodial parents struggling with the

child support payment system. It's packed with verifiable resources, tons of information and no less than 15 documented remedies proven to save thousands of dollars in costs associated with paying child support through the State. It actually pays for itself right away as foolish and costly mistakes can be identified and then eliminated after reading only one chapter. Throughout the guide, you'll find a comprehensive breakdown of significant history, ongoing legislation, contracts, Case Law and recent controversial issues pertaining to Title IV-A and D of the Social Security Act, which is the voluntary contract that Child Support is based upon. What

makes it different from any other guide is the fact that It contains 100 Study Questions and a certification process that will prepare the non-custodial parent with the tools necessary to become a specialist in all areas of Title IV-A and D of the Social Security Act. There's nothing like it out on the market today because the information presented comes with documented testimonies from people that have struggled with every aspect of the child support payment system, but then used these methods to get their lives back on track. The guide was written in an easy-to-read and understand format that can be purchased as a

personal reference guide if you're the one going through it, or as a gift for someone else that you know who might be caught up in a struggle with the child support system.
