**Elementary Fourth Edition: Student's Book and iTutor Pack** Oxford University New Headway iTools makes it easy to use interactive whiteboards and digital technology with Headway. Everything about these resources is user-friendly and supportive - and here's why. First, you don't need any special equipment. Just use what you already have in the school - an interactive whiteboard, a

computer, a data projector, an ebeam. New Headway iTools works on all of these, and it doesn't matter which brand of whiteboard you have. Second, you get a full-colour Teacher's Guide in the pack. This shows you when and how to use the activities in the lesson, and includes whiteboard tips so you're never without support. The Guide also appears on the disc, for easy access

during the lesson. New Headway iTools saves you time, too. How? Pre-selection ... the activities on the disc are pre-selected from the Student's Book. This means you don't need to go through the book deciding which activities are most suitable for the interactive whiteboard - they've already been researched and chosen for that very reason. Just go ahead and use them

in class, with confidence. New Headway Elementary: Workbook + Audio CD Without Key OUP Oxford Comprehensive, challenging, and effective - the best of American Headway for upper-intermediate to advanced students. Oxford University Press, USA It's the Digital Edition of the world's best-selling adult English course, delivering lessons that really do work in class. How does it do it?

Short answer: methodology with digital support. The balanced methodology of New Headway Plus is now combined with all-new digital components, offering extra support for teachers and students both inside and outside the classroom. Extra practice is available for all of the four core language skills - Reading, Writing, Listening and Speaking - as well as additional audio and video

material. You can access a range of supplementary resources, from grammar PowerPoint slides to worksheets for every video. And all are easy to use.

### **Headway**

OUP Oxford The world's best-selling English course - a perfectly-balanced syllabus with a strong grammar focus, and full support at all six levels. Headway's trusted methodology

combines solid grammar and practice, vocabulary development, and integrated skills with communicative role-plays and personalization. Authentic material from a variety of sources enables students to see new language in context, and a range of comprehension tasks, language and vocabulary exercises, and extension activities practise the

four skills. "Everyday English" and "Spoken grammar" sections practise real-world speaking skills, and a writing section for each unit at the back of the book provides models for students to analyse and imitate.
