Little Brown Bear wants to know how much his mother loves him. "You can count the ways," she says. She loves him more than he loves to gobble one pie, more than he loves to read six books, even more than he loves getting nine kisses. But that's not enough for a little bear who isn't ready for bed. Finally, Mama comes up with an example that helps Little Brown Bear count himself to sleep. A mother's deep and steady love and a young child's delight in play are captured in this charming bedtime counting book.

Can't You Sleep, Little Bear? Simon and Schuster

Journey through the forest with Huxley and Bluebird, and introduce your toddlers to the idea of friendship and sharing with others. Meet Huxley, the lovable and rather hungry bear. It is beginning to snow, which means it is almost time to hibernate. So Huxley, Bluebird, and their friends must set out to collect food to get them through the Winter. But Huxley is really hungry, and wants all the food to himself. Is there enough food for everyone? Follow Huxley and Bluebird on their adventure through the freezing forest to collect food for hibernation. With stunning illustrations by renowned artist Jonny Lambert, and an enchanting story, this picture book is perfect for adults and toddlers to share together. Huxley and the Bluebird teaches little ones vital life lessons about friendship and sharing with others, and gently introduces them to the idea of hibernation as well. So come and join the search with this magical bedtime story.
