Throughout Scripture, God promises the impossible to those who believe. For many Christians, the promises of God have lost their power. Deemed as irrelevant or simply misunderstood, God's promises—of triumph, abundance, redemption, and countless

blessings—are often ignored, forgotten, and seemingly unfulfilled. However, for Charles H. Spurgeon, God's promises were timeless. In fact, they seemed to grow in power and hope over the course of his life. In *Faith's Checkbook*, Spurgeon shares his personal experience testing and proving Scripture's promises and his ongoing discovery of a relentlessly good, kind and faithful God. He urges believers to treat God's promises as they would a check—to receive them, endorse them and actively

"cash them in." Charles Spurgeon (1834-1892), renowned 19th century Baptist preacher, is best known for his 1866 publication *Morning and Evening*. Over 20 years later, Spurgeon wrote *Faith's Checkbook*, a yearlong devotional that inspires believers to see and experience God's goodness. Written near the end of his life, in the depths of a season marked by incredible loneliness, spiritual controversies and health complications, *Faith's Checkbook* is full of honest, heartfelt and mature hope. Spurgeon's breathtaking sincerity and provoking thoughts will encourage believers to: Study and engage God's promises throughout Scripture Expect these promises to be fulfilled in their daily life Participate by receiving God's promises and praying for their fulfillment

Glimpse God's boundless goodness and faithfulness Discover a renewed, child-like trust in Him In *Faith's Checkbook*, the reader will encounter God's outstretched hand—through promises of provision, wisdom, fruitfulness, presence and much more—and be invited to respond with hopeful anticipation. For fans of GLADIATOR and SPARTACUS! Before Rome was an empire, it was a city and a people born from legend. The

Roman kings began a legacy of triumph and conquest that would last for centuries. However, as they grew in power, the priests of the city realized the danger of their tyranny. Members of the secretive Cult of Angerona dedicated their lives to serve as the city's protectors. Men and women from the underbelly of Roman society were enlisted to be their agents. The best of them formed an elite team that could go where soldiers could not and citizens dared not. These Infamia were the very people that society had turned its back on: actors, gladiators, prostitutes, and gamblers. They would operate, unseen and unthanked, to fend off the forces which threatened Rome. The first Infamia predate the Republic. With each new threat, a team emerges from the

shadows to do what the great and the good cannot. THIS ISSUE: "The Two Caesars" -- Following the assassination of Julius Caesar the Infamia were called together to protect the city as it descended into chaos. A civil war seemed inevitable but a new player has presented himself. Caesar's nephew Octavian has secretly returned to the city and is looking to insert himself into the fray. The Infamia have developed a plan to use Octavian to turn people against Caesar's assassins, led by Brutus and Cassius. They will need to prevent them from taking control of the city while also taking support from Marc Antony who views himself as Caesar's natural successor. The team is unsure of itself and the priest of Angerona who has called them together. If they don't learn

to trust each other quickly the mission, and their lives, are forfeit. A Caliber Comics release.

Originally published in Spain in 1918, and here translated into English for the first time by Jessica Sequeira, *In the Stillness of Marble* is a set of thirty-five prose poems by the Chilean writer Teresa Wilms Montt directly addressed to a dead lover named Anuarí, who in reality was Horacio Ramos Mejía, a nineteen-year-old man who killed himself in front of her after his love was unreciprocated. At once tragic and personal, visionary and transgressive, these pieces, in their vital intimacy, read not only as letters to the dead, but also as incantations or prayers, expressing

the passion, spirituality, and intensity of a woman who lived a tumultuous, rebellious life and refused to conform to the expectations of her time and surroundings.

Sexual temptation is undeniably the greatest struggle Christian men face.

Here's a book that digs deep and has the answers men are looking for--the kind that actually work. While other books deal with the subject superficially, Sexual Idolatry goes right to the heart. It draws back the curtain and exposes how sexual sin corrupts the entire man, something Steve Gallagher understands, having lived in the bondage of it for over twelve years. Put an end to the mystery of lust and maximize God's power in your life with the proven answers that have helped thousands.

The Object of the Atlantic is a wide-ranging study of the transition from a concern with sovereignty to a concern with things in Iberian Atlantic literature and art produced between 1868 and 1968. Rachel Price uncovers the surprising ways that concrete aesthetics from Cuba, Brazil, and Spain drew not

only on global forms of constructivism but also on a history of empire, slavery, and media technologies from the Atlantic world. Analyzing Jose Marti's notebooks, Joaquim de Sousandrade's poetry, Ramiro de Maeztu's essays on things and on slavery, 1920s Cuban literature on economic restructuring, Ferreira Gullar's theory of the "non-object," and neoconcrete art, Price shows that the turn to objects—and from these to new media networks—was rooted in the very philosophies of history that helped form the Atlantic world itself. *Barbarous Mexico* Simon and Schuster "NOSOTROS SOMOS LA VIDA" la hacemos día a día 365 días uno tras otro, años tras años. In this book, Vargas Llosa invites readers to enter into his confidence as he unravels six of his own novels and two other works of fundamental importance to him. Vargas Llosa's native Peru, the setting and character of much of his

fiction, is at the centre of his piece on "The Chronicles of the Birth of Peru" - the powerful account of the discovery and conquest of Peru by the Spaniards - which Vargas Llosa describes as "novels disguised as history". In other chapters, Vargas Llosa tells how his method of writing has evolved, discusses his attraction to Sartre's work and his days at military school, describes what it was like at nine to see the ocean for the first time, and explains the process of changing the dead language of "soap operas" (as in his own "Aunt Julia and the Scriptwriter") into the living language of serious art. He also relates why "The War of the End of the World" is his personal favourite among his novels. Throughout *A Writer's Reality*, Vargas Llosa focusses on what he sees as a central metaphor

for the writer's task - to transform lies into truth.

The Manipulated Man SELECTA

A freshly funny and heartfelt novel about one woman's secret life, the stories she tells, and the thrill and notoriety of being noticed. On the same day Bells Walker learns that her IUD has failed, her husband, Harry, is denied tenure at his Manhattan university. So Bells, Harry, their two adolescent children, and her baby bump move to New York's Hudson Valley, where Harry has landed a job at Dutchess College in the town of Pigkill. When the farm-to-table utopia Bells envisioned is anything but, she turns to the blogosphere. Under the pen name the County Dutchess, she anonymously dishes about life in Pigkill, detailing the activities of hypercompetitive parents

and kombucha-drinking hipsters. Suddenly, Bells has a place to say all the things she's been secretly thinking about being a wife and mother. As Bells turns the focus of her blog on her new neighbors, her readership continues to grow, but her scandalous posts hit closer to home: she puts Harry's new job in jeopardy, derails her children's lives, and risks the one real friendship she's built. When Bells uncovers scandals right under her nose, the Dutchess goes viral, and soon everyone is asking, Who is the County Dutchess? Now Bells has to ask herself if it's worth losing the people closest to her to finally feel noticed by everyone else.
