Opposites attract in this nerdy YA romance from the NYT best-selling author of *The Atlas Six*! "It's rom-com perfection."—Adiba Jaigirdar, author of *The Henna Wars* Bel doesn't want to think about the future. College apps? You're funny. Extracurriculars? Not a chance. Joining a robotics club filled with boys who ignore her or—even worse—constantly ask if she needs help? Please, anything but that. But when she accidentally reveals a talent for engineering in class, she has no choice. Enter Mateo Luna, the handsome captain of the club. Teo instantly recognizes Bel's talent. He needs her on the team. And not just because he can't stop thinking about the tiny dusting of freckles around her eyes, or how she got him hooked on Taylor Swift—it's because Bel sees him. She challenges him. But when they seriously start butting heads, Bel wonders: Is there really room for a girl like her in STEM? In her YA debut, Alexene Farol Follmuth, author of *The Atlas Six* (under the penname Olivie Blake), explores both the challenges girls of color face in STEM and the vulnerability of first love with unfailing wit and honesty. Told from dual points of view, *My Mechanical Romance* is not only swoonworthy—it's downright empowering. E. Schwab's genre-defying tour de force. A *Life No One Will Remember*. A *Story You Will Never Forget*. France, 1714: in a moment of desperation, a young woman makes a Faustian bargain to live forever—and is cursed to be forgotten by everyone she meets. Thus begins the extraordinary life of Addie LaRue, and a dazzling adventure that will play out across centuries and continents, across history and art, as a young woman learns how far she will go to leave her mark on the world. But everything changes when, after nearly 300 years, Addie stumbles across a young man in a hidden bookstore and he remembers her name. Also by V. E. Masters of Death Carina Press

Inspired by the wartime experiences of her father-in-law, Bobbie Ann Mason has crafted the haunting and profoundly moving story of an American World War II pilot shot down in Occupied Europe, and his wrenching odyssey of discovery, decades later, as he uncovers the truth about those who helped him escape in 1944. At twenty-three, Marshall Stone was a confident, cocksure U.S. flyboy stationed in England, with several bombing raids in a B-17 under his belt. But when enemy fighters forced his plane to crash-land in a Belgian field during a mission to Germany, Marshall had to rely solely on the kindness of ordinary Belgian and French citizens to help him hide from and evade the Nazis. Decades later, restless and at the end of his career as an airline pilot, Marshall returns to the crash site and finds himself drawn back in time, unable to stop thinking about the people who risked their lives to save Allied pilots like him. Most of all, he is obsessed by the girl in the blue beret, a courageous young woman who protected and guided him in occupied Paris. Framed in spellbinding, luminous prose, Marshall's search for her gradually unfolds, becoming a

voyage of discovery that reveals truths about himself and the people he knew during the war. Deeply beautiful and impossible to put down, *The Girl in the Blue Beret* is an unforgettable story—intimate, affecting, exquisite—of memories, second chances, and one intrepid girl who risked it all for a stranger.

The Invisible Life of Addie LaRue LSODea

Did possessing and killing amount to the same thing deep within the dark recesses of the human beast? *La Bete humaine* (1890), is one of Zola's most violent and explicit works. On one level a tale of murder, passion and possession, it is also a compassionate study of individuals derailed by atavistic forces beyond their control. Zola considered this his 'most finely worked' novel, and in it he powerfully evokes life at the end of the Second Empire in France, where society seemed to be hurtling into the future like the new locomotives and railways it was building. While expressing the hope that human nature evolves through education and gradually frees itself of the burden of inherited evil, he is constantly reminding us that under the veneer of technological progress there remains, always, the beast within. This new translation captures Zola's fast-paced yet deliberately dispassionate style, while the introduction and detailed notes place the novel in its social, historical, and literary context. ABOUT THE SERIES: For over 100 years Oxford World's Classics has made available the widest range of literature from around the globe. Each affordable volume reflects Oxford's commitment to scholarship, providing the most accurate text plus a wealth of other valuable features, including expert introductions by leading authorities, helpful notes to clarify the text, up-to-date bibliographies for further study, and much more.

My Mechanical Romance Linda O'Dea

Patrick's job should be easy. Watch the Club. Drive Annie to work and back and keep her out of trouble. That shouldn't be too hard except being around her is making him question his decision to keep his hands to himself. Annie is determined to enjoy her two weeks without Ethan watching her every move. She'd love to enjoy it with Patrick, but if he's unwilling, she'll find someone else. When Patrick discovers the shady past of Annie's new beau, all bets are off. If she really wants a man—he's the one for her. If you

enjoy erotic romance that takes place in the workplace with headstrong females and sexy, alpha military males, then you'll love this new adult, contemporary romantic comedy. This is the second book in the four-book series. Book four ends with a HEA. This story has hot, kinky sex scenes so it's meant for those over eighteen.

La Petite Mort Macmillan

Exploring Spirituality and Sexuality: An Introduction to an Interdisciplinary Field is a collection of scholarly essays which focuses on the multiple interrelations of spirituality and sexuality, including such facets as intimate relationships, inner cultivation, gender empowerment, gender empowerment, sex education, eroticism, and ecstasy embodiments.

NATURAL & NAKED - Girls uncensored Tor Books

From Olivie Blake, the New York Times bestselling author of *The Atlas Six*, comes a literary, intimate study of time, space, and the nature of love. *Alone with You in the Ether* explores what it means to be unwell, and how to face the fractures of yourself and still love as if you're not broken. CHICAGO, SOMETIME-- Two people meet in the Art Institute by chance. Prior to their encounter, he is a doctoral student who manages his destructive thoughts with compulsive calculations about time travel; she is a bipolar counterfeit artist, undergoing court-ordered psychotherapy. By the end of the story, these things will still be true. But this is not a story about endings. For Regan, people are predictable and tedious, including and perhaps especially herself. She copes with the dreariness of existence by living impulsively, imagining a new, alternate timeline being created in the wake of every rash decision. To Aldo, the world feels disturbingly chaotic. He gets through his days by erecting a wall of routine: a backbeat of rules and formulas that keep him going. Without them, the entire framework of his existence would collapse. For Regan and Aldo, life has been a matter of resigning themselves to the blueprints of inevitability--until the two meet. Could six conversations with a stranger be the variable that shakes up the entire simulation?

The Elementary Particles Vintage

Phineas Smith has been cursed with a power no one could control. Roark Lyne is his worst enemy and his only hope. First in the Darkest Court series. The only human student at Mather's School of Magick, Phineas Smith has a target on his back. Born with the rare ability to tap into unlimited magick, he finds both Faerie

Courts want his allegiance—and will do anything to get it. They don't realize he can't levitate a feather, much less defend the Faerie Realm as it slips into civil war. Unseelie Prince Roark Lyne—Phineas's roommate and self-proclaimed arch nemesis—is beautiful and brave and a pain in the ass. Phineas can't begin to sort through their six years of sexual tension masquerading as mutual dislike. But Roark is also the only one able to help Finn tame his magick. Trusting Roark's mysterious motives may be foolish; not accepting his temporary protection would be deadly. Caught in the middle of the impending war, Phineas and Roark forge a dangerous alliance. And as the walls between them crumble, Phineas realizes that Roark isn't the monster he'd imagined. But their growing intimacy threatens to expose a secret that could either turn the tide of the war . . . or destroy them both. Praise for the Darkest Court series "Stunningly brilliant." —Mirrigold "This is such a fantastic series! The contemporary twist on classic high fantasy is beautifully executed." —Wicked Reads "I am utterly infatuated with this series and cannot wait for the next book." —The Novel Approach Reviews

The Girl in the Blue Beret Ballantine Books

Daughter of the Forest is a testimony to an incredible author's talent, a first novel and the beginning of a trilogy like no other: a mixture of history and fantasy, myth and magic, legend and love. Lord Colum of Sevenwaters is blessed with six sons: Liam, a natural leader; Diarmid, with his passion for adventure; twins Cormack and Conor, each with a different calling; rebellious Finbar, grown old before his time by his gift of the Sight; and the young, compassionate Padriac. But it is Sorcha, the seventh child and only daughter, who alone is destined to defend her family and protect her land from the Britons and the clan known as Northwoods. For her father has been bewitched, and her brothers bound by a spell that only Sorcha can lift. To reclaim the lives of her brothers, Sorcha leaves the only safe place she has ever known, and embarks on a journey filled with pain, loss, and terror. When she is kidnapped by enemy forces and taken to a foreign land, it seems that there will be no way for her to break the spell that condemns all that she loves. But magic knows no boundaries, and Sorcha will have to choose between the life she has always known and a love that comes only once. Juliet Marillier is a rare talent, a writer who can imbue her characters and her story with such warmth, such heart, that no reader can come away from her

work untouched. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Petite Mort, Or, A Little Death Delcourt

From the internationally bestselling author of *The Atlas Six*, *One For My Enemy* is the Sunday Times bestselling Romeo and Juliet retelling of witches, magic and intrigue. This paperback edition includes illustrations from Little Chmura and the bonus short story 'Love Language'. In New York City, two rival witch families fight for the upper hand. The Antonova sisters are beautiful, cunning and ruthless. But their underground narcotics business is threatened by their long-standing adversaries, the Fedorov brothers. For twelve years, the families have maintained a fraught stalemate. Then everything is thrown into disarray. Bad blood carries them to the brink of disaster, even as a forbidden romance blossoms between two opposing sides. Yet the heirs still struggle for power, and internal conflicts could rot each family from within. That is, if the enmity between empires doesn't destroy both sides first . . . *One For My Enemy* is an irresistible, romantic tale of ambition, sacrifice and the enduring power of family legacies, set in the criminal underbelly of magical Manhattan. Readers love *One For My Enemy* . . . 'after reading this book i'm fully convinced olivie blake is a genius' 'this book was a complete masterpiece' 'update: i haven't stopped thinking about this a month later' Interviewing For Her Lover OUP Oxford

Papa Mort, déçu d'avoir une fille, place la Petite Morte en école privée où ses copains de classe sont des faucheurs issus du folklore d'autres pays. Après des débuts difficiles, elle devient amie avec Mictlantecuhtli l'Aztèque, que tout le monde l'appelle Mic, Hel la Scandinave et Orcus le Romain. Mais surtout, elle tombe amoureuse de Patrick, le seul humain de l'école...

She Came to Stay Madville Publishing

WINNER OF THE 2022 NOBEL PRIZE IN LITERATURE An extraordinary evocation of a grown daughter's attachment to her mother, and of both women's strength and resiliency. *I Remain in Darkness* recounts Annie's attempts first to help her mother recover from Alzheimer's disease, and then, when that proves futile, to bear witness to the older woman's gradual decline and her own experience as a daughter losing a beloved parent. *I Remain in Darkness* is a new high water mark for Ernaux, surging with raw emotional power and her sublime ability to use language to apprehend her own life's particular music. A Washington Post

Top Memoir of 1999

Petite Mort Linda O'Dea

An international literary phenomenon, *The Elementary Particles* is a frighteningly original novel—part Marguerite Duras and part Bret Easton Ellis—that leaps headlong into the malaise of contemporary existence. Bruno and Michel are half-brothers abandoned by their mother, an unabashed devotee of the drugged-out free-love world of the sixties. Bruno, the older, has become a raucously promiscuous hedonist himself, while Michel is an emotionally dead molecular biologist wholly immersed in the solitude of his work. Each is ultimately offered a final chance at genuine love, and what unfolds is a brilliantly caustic and unpredictable tale. Translated from the French by Frank Wynne.

Alone with You in the Ether Tor

Set in Paris on the eve of World War II, the novel draws upon Simone de Beauvoir's relationship with Jean-Paul Sartre, and the affair that almost destroyed it.

School Fantasy Linda O'Dea

Nick let Sarah take control the last two times they met. Now, it's his turn...or is it? Sarah has a professor-student fantasy that she's ready to act out and Nick is in for a surprise. Warning: This series has hot, steamy, sometimes kinky sex and is meant for mature readers only (18 and older). Interview with the Author Q. – So, why should someone read the *Six Nights Of Sin* series? Because it's hot – really, really hot and it's well written. The story is kinky and erotic but at the core is love. The two main characters must journey to find that love but it's there waiting for them if they're willing to take a chance. For Sarah, this is her second chance and perhaps her last if she doesn't discover how to move on from the past. This series also has a rich, alpha male and who doesn't love to read about handsome, billionaires with hearts of gold? I know I love reading these kinds of books and writing them. I truly believe that one of the cornerstones of a great relationship is fabulous sex and my books have that and more. On top of all those reasons, you'll get your first glimpse into *La Petite Mort Club*—a sex club where almost anything goes as long as the participants are willing. There will be at least four additional series surrounding this club and possibly more, depending on what characters pop out of the woodwork as we wander deeper into the club and its activities. Q. – Who should read the *Six Nights Of Sin* series? These books are packed full of kinky, explicit sex with

some bondage, bdsm and submission scenes. So, they're meant for mature readers of 18 years and older. I don't gloss over the emotions or the actions. It's all there in hot, graphic detail, so get your glass of wine and a fan, and enjoy Sarah and Nick's adventure. Anyone college age and older who likes contemporary romance, new adult and erotic should love this series.

La Petite Mort(e) Seven Stories Press

Nick is not a patient man. He wants a life with Sarah. Marriage. Kids. Everything. But she keeps dragging her feet. No wedding date set and every time he mentions kids, she panics. Sarah wants to marry Nick but she knows how quickly life can change for the worse. Watching her friend's kids for the weekend is the perfect opportunity to teach Nick that having children isn't just playing video games and eating popcorn. It's a lot of work. But Nick has his own plans. He's going to use this weekend to show Sarah that having kids, now, is a great idea. Will Nick realize that kids are more work than fun or will Sarah finally be able to bury her past and take a chance on her future? This steamy, second chance, new adult romantic comedy continues Nick and Sarah's story because life doesn't end when you find your true love. It's only just beginning. Playboy Nick is ready to settle down. He's ready to prove to Sarah that he'd be a great father and she'd be a terrific mother. This book is funny, poignant and super steamy with kinky scenes that are suitable for those over 18.

La Petite Mort Author House

Petite Mort: Recollections of a Queer Public assembles drawings from memory of spaces in New York City where a public sexual encounter occurred. A project created in collaboration between Carlos Motta & Joshua Lubin-Levy, it features contributions from an intergenerational group of over 60 gay men. Conceived as an atlas of queer affection, *Petite Mort: Recollections of a Queer Public* proposes a subjective blueprint of the city, one that values not simply the space "as is," but how it has been performed and engaged, highlighting the fundamental connection between public space and queer life. The collected drawings, depicting sites extending from a residential rooftop to The Rambles in Central Park, remind us that public sex is not exclusively about a personal pursuit of pleasure—they also contain the seeds of historical social and political action that have brought together communities of gay men. *Petite Mort: Recollections of a Queer Public* also asks questions challenging us to expand our vision for queer politics:

What if our politics were rebuilt around a broader notion of intimacy rather than individuality? Can we foster, rather than police, the trust and affection inherent to desire and pleasure? Should equality be about difference, rather than assimilation? This book includes a preface by Forever & Today, Inc. Co-Curators Ingrid Chu & Savannah Gorton, a conversation between Carlos Motta & Joshua Lubin-Levy, and an essay by Joel Czarlinsky. Also assembled here are a series of short responses to the question "Does public sex matter?" by authors Aiken Forrett, Ann Pellegrini & Janet R. Jakobsen, Eileen Myles, Gordon Brent Ingram, Jill H. Casid, Johan Andersson, John Paul Ricco, Jose Esteban Munoz, Kate Bornstein, Katherine Franke, and Tim Dean. *Petite Mort: Recollections of a Queer Public* is commissioned by Forever & Today, Inc.

Watching the Voyeur W. W. Norton & Company

Patrick catches Annie watching a couple making love at *La Petite Mort Club* and he can't keep his hands off her. Until he discovers that she's his best friend's little sister. Annie has had a crush on Patrick for years—ever since her brother sent her a picture of him when the two joined the Marines. He's even sexier in person. Being with him is a fantasy come to life, but if he's too scared of her brother and Ethan to touch her, then she'll find someone who isn't. She's a maid at a sex club. She can find a man. When Patrick catches her watching another scene sparks fly. If Annie is determined to experience Club life, can he stop himself from volunteering to be her guide in all things sensual? Does he even want to?

La petite mort Linda O'Dea

From Olivie Blake, the New York Times bestselling author of *The Atlas Six* comes *Masters of Death*, a story about vampires, ghosts, and death itself! Viola Marek is a struggling real estate agent, and a vampire. But her biggest problem currently is that the house she needs to sell is haunted. The ghost haunting the house has been murdered, and until he can solve the mystery of how he died, he refuses to move on. Fox D'Mora is a medium, and though is also most-definitely a shameless fraud, he isn't entirely without his uses—seeing as he's actually the godson of Death. When Viola seeks out Fox to help her with her ghost-infested mansion, he becomes inextricably involved in a quest that neither he nor Vi expects (or wants). But with the help of an unruly poltergeist, a demonic personal trainer, a sharp-voiced angel, a love-stricken

reaper, and a few high-functioning creatures, Vi and Fox soon discover the difference between a mysterious lost love and an annoying dead body isn't nearly as distinct as they thought. Also by Olivie Blake *Alone With You in the Ether* *One For My Enemy* *The Atlas Six* *The Atlas Paradox* At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

[Interview with the Vampire](#) Holiday House

Terry is rich, attractive and all Dom. When he sees something he likes, or more accurately, something his d**k likes, he gets it. His woman are hot, successful and experienced in BDSM. Until, he

meets Maggie. She's not at all his usual type. She's round, lush and a hot-mess of a woman. It's obvious she doesn't belong at La Petite Mort Club and he can't help following her. She needs someone to look out for her. She's a little rabbit in a club full of predators. When she gets herself into a situation, he has no choice but to rescue her. When he realizes that she's a natural submissive and innocent of the kinkier side of sex, he'll stop at nothing to have. He can't wait to show her how good it'll feel when she surrenders to his desires. Maggie had no idea that the club she was going to was a "sex" club. She tries not to look, but there are people doing it everywhere. She is not getting turned on

by it. Not at all. Really, she isn't. All she has to do, is find her friend and get out of there. Of course, that's easier said than done. Not only has she bumped into just about every person in the club, but one of the men-a very handsome and extremely rude stranger-not only follows her, but suggests that they "do it" in the hallway. As if she'd ever do something like that. She's a recently divorced, mother of three, not some wild, young woman. She tells him, in no uncertain terms, what she thinks of his suggestion but then, she finds herself in a dangerous situation. Will the rude stranger save her, or will he turn out to be even more dangerous than the others?
