A brand-new craft book for young crafters and makers ages 7 and up that features more than 20 step-by-step projects and inspiration to personalize each one. Packed with ideas for presents, wrapping, and cards, Jane Bull's *Crafty Gifts* includes everything from colorful picture frames to bath fizzies to paper flower bouquets. Children will love crafting doodle mugs, button art pictures, and more, and making each one their own and each gift they give one of a kind. When

the gift-making is done, they can then use doodle patterns and gift box and trimmings ideas to create an inspired card or inventive wrapping and finish off the gifty presentation. Step-by-step instructions and visually stunning photography make each of the projects approachable and kid-friendly. *Crafty Gifts* shows young makers that it's always better to create a gift than to buy one!

 How different are men and women's brains?
 Does altruism really exist?

Are our minds blank slates at birth? And do dreams reveal our unconscious desires? If you have ever grappled with these concepts, or tried your hand as an amateur psychologist, 50 Psychology Ideas You Really Need to Know could be just the book for you. Not only providing the answers to these questions and many more, this series of engaging and accessible essays explores each of the central concepts, as well as the arguments of key thinkers. Author

Adrian Furnham offers expert and concise introductions to emotional behavior, cognition, mental conditions--from stress to schizophrenia--rationality and personality development, amongst many others. This is a fascinating introduction to psychology for anyone interested in understanding the human mind.

With 90 million copies sold worldwide, the Key Words with Ladybird reading scheme is the

springboard to reading for life. 100 Key Words make up half of all those we read and write. This essential vocabulary is carefully introduced, practised and developed throughout the scheme. Ladies Day Cambridge University Press
From Confucius and Plato to Karl Marx and Noam Chomsky, this ebook brings together more than 100 illustrated biographies of the world's great philosophers. Introduced with a stunning portrait of each featured philosopher,

each profile traces the ideas, friendships, loves, and rivalries that inspired the world's greatest thinkers and influenced their work, offering revealing insights into what drove them to question the meaning of life, and come up with new ways of understanding the world and the history of ideas. Lavishly illustrated with photographs and paintings of philosophers, their homes, friends, studies, and their personal belongings, together with pages from

original manuscripts, first editions, and correspondence, this ebook introduces the key ideas, themes, and working methods of each featured individual, setting their ideas within a wider historical and cultural context. Charting the development of ideas across the centuries in both the East and West, from ancient Chinese philosophy to the work of contemporary thinkers, *Philosophers* provides a compelling glimpse into the personal lives, loves, and influences of the

great philosophers as they probed into life's "big ideas".
