La naturaleza guarda grandes y valiosos tesoros en las plantas. Los animales lo saben bien. Conocen sus propiedades y recurren a ellas cuando las necesitan. Los animales conocen también otro gran secreto de la naturaleza: que todo en ella es un ciclo de renovación y de vida que

renace con cada primavera. Aprende tú también estos secretos gracias a Carlos, Paula, Javi, Sara y el doctor Ojazos.

Análisis en torno al proceso de secularización de la sociedad mexicana y la producción de múltiples significados sobre la laicidad

National Union Catalog University of Arizona Press

The literary culture of the Spanish-speaking Southwest has its origins in a harsh frontier environment marked by episodes of intense cultural conflict, and

much of the literature seeks to capture the epic experiences of conquest and settlement. The Chicano literary canon has evolved rapidly over four centuries to become one of the most dynamic, growing, and vital parts of what we know as contemporary U.S. literature. In this comprehensive examination of Chicano and Chicana literature, Charles M. Tatum brings a new and refreshing perspective to the ethnic identity of Mexican Americans. From the earliest sixteenth-century chronicles of the Spanish Period, to the poetry and narrative fiction of the second half of the nineteenth century and the first half of the twentieth century, and then to the flowering of all literary genres in the post-Chicano Movement years, Chicano/a literature amply reflects the hopes and aspirations as well as the frustrations and disillusionments of an often marginalized population. Exploring the work of Rudolfo Anaya, Sandra Cisneros, Luis Alberto Urrea, and many more, Tatum examines the important social, historical, and cultural contexts in which the writing evolved, paying special attention to the Chicano Movement and the flourishing of literary texts during the 1960s and early

1970s. Chapters provide an overview of the most important theoretical and critical approaches employed by scholars over the past forty years and survey the major trends and themes in contemporary autobiography, memoir, fiction, and poetry. The most complete and up-to-date introduction to Chicana/o literature available, this book will be an ideal reference for scholars of Hispanic and American literature. Discussion questions and suggested reading included at the end of each chapter are especially suited for classroom use.

Estampas sobre la secularización y la laicidad en México Editorial Verbum

"A loving tribute to problemsolvers, quarrel menders, and peacemakers." - Kirkus Reviews. Each day, the old mailman faithfully delivers special letters to the forest animals. But the mailman has never received any letters of his own. Then one day everything changes. This touching story of friendship and love will delight readers and letter writers of all ages. Campuses from 1963 Through 1967: Authors & titles Universitat de València
Nos encontramos ante la primera obra que analiza tras una investigación rigurosa, documentada y profunda, el conjunto de agrupaciones que conformaron Estampa Popular, movimiento de vanguardia con claros objetivos plásticos y sociales, y que utilizaba el realismo social y el grabado para acercar su obra al pueblo, con una temática dedicada al mundo del trabajo y a la lucha antifranquista. Esta lucha, fue realizada no desde el exilio, como había sucedido hasta entonces, sino desde el interior del país, siendo Madrid, Andalucía, Vizcaya, Cataluña y Valencia, los escenarios de su nacimiento y también de su desaparición.

The Night of the Noises / the Noises of the Night Editorial CSIC - CSIC Press

Long neglected by European historians, the unspeakable atrocities of Franco's Spain are finally brought to tragic light in this definitive work. Evoking such classics as Anne Applebaum's Gulag and Robert Conquest's The Great Terror, The Spanish Holocaust sheds light on one of the darkest and most unexamined eras of modern European history. As Spain finally

reclaims its historical memory, a full picture can now be drawn of the atrocities of Franco's Spain—from torture and judicial murders to the abuse of women and children. Paul Preston provides an unforgettable account of the systematic terror carried out by Spain's fascist government.

In 2015, the Mexican state counted how many of its citizens identified as Afro-Mexican for the first time since independence. *Finding Afro-Mexico* reveals the transnational interdisciplinary histories that led to this celebrated reformulation of Mexican national identity. It traces the Mexican, African American, and Cuban writers, poets, anthropologists, artists, composers, historians, and archaeologists who integrated Mexican history, culture, and society into the African Diaspora after the Revolution of 1910. Theodore W. Cohen persuasively shows how these intellectuals rejected the nineteenth-century racial paradigms that heralded black disappearance when they made

blackness visible first in Mexican culture and then in post-revolutionary society. Drawing from more than twenty different archives across the Americas, this cultural and intellectual history of black visibility, invisibility, and community-formation questions the racial, cultural, and political dimensions of Mexican history and Afro-diasporic thought.

Un doctor en medicina natural University of Arizona Press

Aquest volum dedicat a Miguel Hernández presenta, en quatre grans apartats, una sèrie d'aportacions sobre aspectes molt significatius de la vida i l'obra del gran escriptor oriolà. Així, de la seva poesia s'analitzen els eixos temàtics articuladors del seu món poètic, les claus de la modelització lírica i les formes compositives; del seu teatre, es sistematitzen i expliquen determinats signes (mimètics i sacrificials) merceritzadores de la seua dramaturgia. S'indaguen, també, les seves fonts formatives i es revisen i documenten les relacions d'amistat amb Aleixandre i González Tuñón, Marinello. Com epíleg, s'ofereix un rellevant homenatge poètic - les elegies que a la mort del poeta van

dedicar Alberti i Aleixandre- i el volum es tanca amb una guia bibliogràfica que recull les principals edicions hernandianes i els més importants estudis crítics sobre la seva obra

R. Aída Hernández Castillo synthesizes twenty-four years of research and activism among indigenous women's organizations in Latin America, offering a critical new contribution to the field of activist anthropology and for anyone interested in social justice.

Hispanic Literature of the United States

Providing a detailed historical overview of Hispanic literature in the United States from the Spanish colonial period to the present, this extensive chronology provides the context within which such writers as Sandra Cisneros, Rodolfo Anaya, and Oscar Hijuelos have worked. Hispanic literature in the United States is covered from the Spanish colonial period to the

present. A detailed historical overview and a separate survey of Hispanic drama provide researchers and general readers with indispensable information and insight into Hispanic literature. An extensive chronology traces the development of Hispanic literature and culture in the United States from 1492 to 2002, providing the context within which such Hispanic writers such as Sandra Cisneros, Rodolfo Anaya, and Oscar Hijuelos have worked. Topics include an overview and chronology of Hispanic literature in the United States, a who's who of Hispanic authors, significant trends, movements, and themes, publishing trends, an overview of Hispanic drama, and the 100 essential Hispanic literary works. Biographical entries describe the careers, importance, and major works of notable Hispanic novelists, poets, and playwrights writing in English or Spanish. A comprehensive, up-to-date bibliography lists primary sources. Essays detail the most important past and current trends in Hispanic literature, including bilingualism, Chicano literature, children's literature,

exile literature, folklore, immigrant literature, Nuyorican literature, poetry, and women and feminism in Hispanic literature. More than 100 exceptional illustrations of writers, plays in performance, and first editions of important works are included.

Billboard

Con la inestimable colaboración y ayuda del diccionario de la RAE, se llega a la conclusión de que "encrucijada" -además de "ser el lugar en el que se cruzan varios caminos"-, significa y se usa en el sentido de "situación en la que es difícil decidir". En los tiempos franciscanamente históricos y sinodales en los que se encuentra la Iglesia, una y otra acepción académica del término "encrucijada", encarnado en el papa -obispo de Roma- resulta ser de necesidad absoluta y urgente, de tal forma que su presente y futuro dependen en gran parte del planteamiento inicial y etimológico, además del teológico, que se haga sobre este problema.

Literatura sobre la Guerra Civil

Luke is a very brave little boy, but when night falls he pulls his sheets up over his eyes with fear. He can't get to sleep; he's scared of the darkness that makes his imagination run wild, and he suspects the shadows conceal terrifying creatures who are sneaking up on his bed, or hiding behind the drapes in his room. Every sound in the dark is a new peril. But what is actually making the noises in the night? One of the most common phobias experienced by children is fear of the dark. *The Night of the Noises* and *The Noises of the Night* are two versions of the same story, brought together in an original, entertaining book that will help children to overcome their fear of the dark, relax and drift off to sleep.
