This book is a study both of anachronism in antiquity and of anachronism as a vehicle for understanding antiquity. It explores the post-classical origins and changing meanings of the term 'anachronism' as well as the presence of anachronism in all its forms in classical literature, criticism and material objects. Contrary to the position taken by many modern philosophers of history, this book argues that classical antiquity had a rich and varied understanding of historical difference, which is reflected in sophisticated notions of anachronism. This central hypothesis is tested by an examination of attitudes to temporal errors in ancient literary texts and chronological writings and by analysing notions of anachronistic survival and multitemporality. Rather than seeing a sense of anachronism as something that separates modernity from antiquity, the book suggests that in both ancient writings and their modern receptions chronological rupture can be used as a way of creating a dialogue between past and present. With a selection of case-studies and theoretical discussions presented in a manner suitable for scholars and students both of classical antiquity and of modern history, anthropology, and visual culture, the book's ambition is to offer a new conceptual map of antiquity through the notion of anachronism.

Aquina is a mermaid. She has always felt different from the other merpeople on Rulantica. Shortly after her twelfth birthday, she finds out something incredible: she has a twin brother. Mats, a human boy! And he is in great danger. For Aquina, there's no holding back: she has to find her real family before it's too late. Ever since he was found on the beach as a baby, Mats has been brought up in a children's home. He has always been afraid of the sea and of water. What he doesn't know is that he'll soon be diving into the biggest adventure of his life! By coming together, Aquina and Mats are fulfilling a centuries-old prophecy by the Nordic gods - this could be a chance to save the island world of Rulantica, but it could also mean its total destruction ...

*Fliegende Blätter* Bloomsbury Publishing

This is a comprehensive new history of the French army's critical contribution to the Great War. Ranging across all fronts, Elizabeth Greenhalgh examines the French army's achievements and failures and sets these in the context of the difficulties of coalition warfare and the relative strengths and weaknesses of the enemy forces it faced. Drawing from new archival sources, she reveals the challenges of dealing with and replenishing a mass conscript army in the face of slaughter on an unprecedented scale, and shows how, through trials and defeats, French generals and their troops learned to adapt and develop techniques which eventually led to victory. In a unique account of the largest Allied army on the Western Front, she revises our understanding not only of wartime strategy and combat, but also of other crucial aspects of France's war, from mutinies and mail

ensorship to medical services, railways and weapons development.

Der Fliegende Hollaender; The Flying Dutchman Aurora Metro Publications Ltd.

Goethe was a master of the short prose form. His two narrative cycles, Conversations of German Refugees and Wilhelm Meister's Journeyman Years, both written during a high point of his career, address various social issues and reveal his experimentation with narrative and perspective. A traditional cycle of novellas, Conversations of German Refugees deals with the impact and significance of the French Revolution and suggests Goethe's ideas on the social function of his art. Goethe's last novel, Wilhelm Meister's Journeyman Years, is a sequel to Wilhelm Meister's Apprenticeship and to Conversations of German Refugees and is considered to be his most remarkable novel in form.

Besondere Aufmerksamkeit verdient das Problem der Archivierung von Tonbandaufnahmen. Sie steUen oft die einzigen Dokumente dahinschwinden der mündlicher Dberlieferungen dar; urn ihre Erhaltung soUte man daher uber aus besorgt sein, zumal Tonbandaufnahmen durch zahlreiche Einflüsse, nicht zuletzt durch die kosmische Strahlung, permanent gefährdet sind. Auf der Arbeitstagung fand unter den Teilnehmern ein Erfahrungsaustausch uber die derzeit und in naher Zukunft am besten geeigneten Tontrager zur Archivie rung von Tonbandaufnahmen statt. Die Probleme der Archivierung von mündlichen Dberlieferungen gehen jedoch weit uber die der Archivierung von Tonbandaufnahmen hinaus. Vor aUem in Osteuropa gibt es außerordentlich umfangreiche Archive schriftlich aufgezeichneter mündlicher Traditionen. So begann beispielsweise die Sam meltatigkeit der Esten auf dies em Gebiet bereits im 17. Jahrhundert. Das Archiv der Estnischen Folklore umfa6te 1981 nicht weniger als 1.134.020 Sei 4 ten und 33.995 Stucke in einer Phonothek. Das Material aus dies en Ar chivsammlungen wurde bislang nur zu einem Bruchteil veroffentlicht und wis senschaftlich bearbeitet. Das Problem der Bewaltigung solcher Stoffmassen, auch mit modernen Methoden der Daten-und Textverarbeitung, beschäftigt zahlreiche Wissenschaftler. 3. Zum Problem der Publikation von mündlichen Dberlieferungen wurde die Frage erortert, welche Auswahl aus dem in der Regel sehr umfangreichen Material nach welchen Kriterien getroffen werden soUte. Mit dem "NormaUe ser" taucht die Frage nach popularen bzw. wissenschaftlichen Editionen auf

*Lobetanz* Coppenrath Verlag

Europe - Space for Transcultural Existence? is the first volume of the new series, Studies in Euroculture, published by Göttingen University Press. The series derives its name from the Erasmus Mundus Master of Excellence Euroculture: Europe in the Wider World, a two year programme offered by a consortium of eight European universities in collaboration with four partner universities outside Europe. This master highlights regional, national and supranational dimensions of the European democratic development; mobility, migration and inter-, multi- and transculturality. The impact of culture is understood as an element of political and social development within Europe. The articles published here explore the field of Euroculture in its different elements: it includes topics such as cosmopolitanism, cultural memory and traumatic past(s), colonial heritage, democratization and Europeanization as well as the concept of (European) identity in various disciplinary contexts such as law and the social sciences. In which way have Europeanization and Globalization influenced life in Europe more specifically? To what extent have people in Europe turned 'transcultural'? The 'trans' is understood as indicator of an overlapping mix of cultures that does not allow for the construction of sharp differentiations. It is explored in topics such as (im)migration and integration, as well as cultural products and lifestyle. The present economic crisis and debt crisis have led, as side-result, to a public attack on the open, cosmopolitan outlook of Europe. The values of the multicultural and civil society and the idea of a people's Europe have become debatable. This volume offers food for thought and critical reflection.

When their island becomes too crowded, Luke turns his railroad engine into a boat and sets sail for remarkable adventures among people he has never seen before.

**The Habermas Handbook** W H Freeman & Company

Jürgen Habermas is one of the most influential philosophers of our time. His diagnoses of contemporary society and concepts such as the public sphere, communicative rationality, and cosmopolitanism have influenced virtually all academic disciplines, spurred political debates, and shaped

intellectual life in Germany and beyond for more than fifty years. In The Habermas Handbook, leading Habermas scholars elucidate his thought, providing essential insight into his key concepts, the breadth of his work, and his influence across politics, law, the social sciences, and public life. This volume offers a comprehensive overview and an in-depth analysis of Habermas's work in its entirety. After examining his intellectual biography, it goes on to illuminate the social and intellectual context of Habermasian thought, such as the Frankfurt School, speech-act theory, and contending theories of democracy. The Handbook provides an extensive account of Habermas's texts, ranging from his dissertation on Schelling to his most recent writing about Europe. It illustrates the development of his thought and its frequently controversial reception while elaborating the central ideas of his work. The book also provides a glossary of key terms and concepts, making the complexity of Habermas's thought accessible to a broad readership.

*Humpty Dumpty* Van Holkema & Warendorf

Kapitän Willem van Decken war ein furchtloser Seemann. Mancher nannte ihn auch waghalsig. Vor mehr als dreihundert Jahren lag er mit seinem Schiff beim Kap der Guten Hoffnung vor Anker, weil ihn ein Sturm dazu zwang. Nach sechs Tagen verlor er die Geduld und beschloss loszufahren. Sein Steuermann flehte ihn an, besseres Wetter abzuwarten. Aber der Kapitän hörte das nicht einmal und lichtete den Anker. Bis sich die Segel blutrot verfärbten, es dunkel wurde und das Schiff von einer geheimnisvollen Kraft in die Höhe gehoben wurde. Der zeitgemäße Text von Niels Rood und die prächtigen Illustrationen von Yke Reeder machen die klassische Geschichte vom Fliegenden Holländer quicklebendig.

**Die heutige Bedeutung oraler Traditionen / The Present-Day Importance of Oral Traditions** Springer-Verlag

Basil Wake and his wife Hyacinth exist in the social whirl of London's early 1900s. For years Hyacinth has conducted a discreet affair with Parliamentarian Michael Choyce, who seems to fit into the Wakes' lives so conveniently. But a startling portrait of the mysterious and beautiful Daphne Adeane signifies a change in this comfortable set-up.

**The Flying Dutchman (Der Fliegende Hollaender)** Applewood Books

Nearly ten years after its original publication, The Maestro Myth continues to enthrall readers with its insightful look into the lives and careers of the world's most celebrated conductors. Now updated and including two new chapters, this volume portrays the politics and inflated economics surrounding the podiums of today's international classical music scene, and the obstacles faced by blacks, women, and gays. From Richard Strauss to Herbert von Karajan to Leonard Bernstein to Simon Rattle, The Maesto Myth examines the world of classical music and the mounting crisis in a profession where genuine talent grows ever scarcer. It is a must-have resource for music aficiionados as well as anyone interested in the behind-the-scenes lives of these music masters. Book jacket.

*Der fliegende Hollander* Cambridge University Press

A hard-hitting, and emotional story set in South Africa, following Themba and his dreams of becoming a famous footballer. Themba grows up dreaming of becoming a football star. One day he leaves the village and travels with his sister to the city in search of their mother. Life is a struggle and Themba has to grow up fast. A lucky break gives him the chance to train as a footballer and play professionally - but Themba has a secret - should he tell the truth about his HIV and risk everything he's ever dreamed of? ~ Themba won an IBBY award - Best Book for Young People. Karin Chubb was Shortlisted for the Marsh Award for Children's Literature in Translation for Themba, a unique award celebrating the high quality and diversity of translated fiction for young readers. The book was also made into an award-winning film. "Beautifully translated from the original ... it is a book full of hope and the more young people who read books like this and who come to understand how other young children live, the more this hope will spread." Books, Teens and Magazines "Themba reminds me of my own childhood and youth in a township close to a small village in the Transvaal in South Africa: Like him I wanted to escape poverty, like him I had the hope that our world will be a just world one day - and like him I loved my mother who was working at the time as a maid for a white family. To be very honest: in soccer Themba seems to be simply better than I was." Archbishop Desmond Tutu "READ OF THE MONTH" Pride magazine "...an inspirational coming of age drama about a young South African boy's escape from poverty and the pusuit of a dream." Spling onliner "It's a rags to riches story - a story of hope, of dreaming your dreams and achieving them, and it's also a story of friendship..." The Sunday Independent "It's a really engaging book, and because Aids is a serious issue, it made us want to carry on reading more about it." Durning Library teenage reading group "Beautifully translated from the original and it is an easy and straightforward read. However, the storyline is tough - poverty, AIDS and death haunt the pages of the book. The reader learns about the hardship of life for many ordinary South Africans (even after Mandela came to power) and the struggle for those families who have a family member suffering from AIDS. The problems they face do not lie solely in a lack of medication and good nutrition; it also lies in the ignorance of their neighbours and friends and a refusal of many to acknowledge the illness and help the ill. However this is not a depressing book - it is a book full of hope and the more young people who read books like this and who come to understand how other young children live, the more this hope will spread." Books, Teens and Magazines

*The Iron Wagon* Alpha Edition

An evocative murder mystery set in the Norwegian countryside, this story, like all good murder mysteries, is a stew of passion, buried past crimes, revelations, and sharply defined characters who remain ambiguous to the very end. Norwegian author Stein Riverton's 1908 novel The Iron Wagon has never been translated into English. Now, using a striking two-color drawing style and re-casting the story with his iconic animal characters from his previous graphic novel Sshhhh!, the acclaimed cartoonist Jason has adapted The Iron Wagon into an original graphic novel that will appeal not only to fans of his work but also to mystery fans who will finally have a chance to experience Riverton's clever story.
