Culturally and Linguistically Responsive Teaching and Learning (Second Edition) Routledge

"This book is for teachers who have good days and bad -- and whose bad days bring the suffering that comes only from something one loves. It is for teachers who refuse to harden their hearts, because they love learners, learning, and the teaching life." - Parker J. Palmer [from the Introduction] Teachers choose their vocation for reasons of the heart, because they care deeply about their students and about their subject. But the demands of teaching cause too many educators to lose heart. Is it possible to take heart in teaching once more so that we can continue to do what good teachers always do -- give heart to our students? In *The Courage to Teach*, Parker Palmer takes teachers on an inner journey toward reconnecting with their vocation and their students -- and recovering their passion for one of the most difficult and important of human endeavors.

From the creator of the popular website *Ask a Manager* and New York's work-advice columnist comes a witty, practical guide to 200 difficult professional conversations—featuring all-new advice! There's a reason Alison Green has been called "the Dear Abby of the work world." Ten years as a workplace-advice columnist have taught her that people avoid awkward conversations in the office because they simply don't know what to say. Thankfully, Green does—and in this incredibly helpful book, she tackles the tough discussions you may need to have during your career. You'll learn what to say when • coworkers push their work on you—then take credit for it • you accidentally trash-talk someone in an email then hit "reply all" • you're being micromanaged—or not being managed at all • you catch a colleague in a lie • your boss seems unhappy with your work • your cubemate's loud speakerphone is making you homicidal • you got drunk at the holiday party Praise

for Ask a Manager “A must-read for anyone who works . . . [Alison Green’s] advice boils down to the idea that you should be professional (even when others are not) and that communicating in a straightforward manner with candor and kindness will get you far, no matter where you work.”—Booklist (starred review) “The author’s friendly, warm, no-nonsense writing is a pleasure to read, and her advice can be widely applied to relationships in all areas of readers’ lives. Ideal for anyone new to the job market or new to management, or anyone hoping to improve their work experience.”—Library Journal (starred review) “I am a huge fan of Alison Green’s Ask a Manager column. This book is even better. It teaches us how to deal with many of the most vexing big and little problems in our workplaces—and to do so with grace, confidence, and a sense of humor.”—Robert Sutton, Stanford professor and author of *The No Asshole Rule* and *The Asshole Survival Guide* “Ask a Manager is the ultimate playbook for navigating the traditional workforce in a diplomatic but firm way.”—Erin Lowry, author of *Broke Millennial: Stop Scraping By and Get Your Financial Life Together*

The School Monthly Simon and Schuster

This book is a readable guide for new and experienced candidates seeking K-12 teaching positions. Educational administrators are interested in resumes that arouse their interest and contain specific information related to the teaching profession. The author, with his extensive background in educational services, bases his suggestions on feedback from key administrators responsible for hiring new teachers. This guide includes an outline to help create a customized resume, using resources such as: a description of essential components, easy-to-use resume worksheet, power phrases, 10 common mistakes, resume examples, and a checklist for final inspection. The author covers all major subject areas and discusses the science of resume writing as an understanding of essential components, while the art of resume writing is the ability to creatively arrange and state experience and goals.

Many American educators are all too familiar with disengaged students, disenfranchised teachers, sanitized and irrelevant curricula, inadequate support for the neediest schools and students, and the tyranny of standardizing testing. This text

invites teachers and would-be teachers unhappy with such conditions to consider becoming critical educators - professionals dedicated to creating schools that genuinely provide equal opportunity for all children. Assuming little or no background in critical theory, chapters address several essential questions to help readers develop the understanding and resolve necessary to become change agents. Why do critical theorists say that education is always political? How do traditional and critical agendas for schools differ? Which agenda benefits whose children? What classroom and policy changes does critical practice require? What risks must change agents accept? Resources point readers toward opportunities to deepen their understanding beyond the limits of these pages.

Competition for the best teaching jobs is becoming more intense. Since publication of the first edition, when it was mainly the most desirable schools that were deluged by applications, the economic climate has made the teacher market more competitive across the board, and is changing hiring practices. Now extensively revised, this book maintains its place as the most up-to-date book available on job hunting for teachers. The authors cover changes in the educational marketplace; the new mandates about standardized testing and public reporting of student achievement—and what they mean for applicants; how new certification standards and schools' requirements affect career changers; the growing acceptance of on-line applications and electronic portfolios; and provide additional advice for teachers applying to change schools or districts. This is also the only guide written by school administrators. Offering the insights and experience of two authors who do the hiring, it details a step-by-step program for taking charge of your teaching career. How to Get the Teaching Job You Want enables you to: * Match your unique talents to the needs of a particular school * Craft effective cover letters and resumes, using models that address the specific needs of college graduates, teachers changing schools, returning teachers and career changers * Make effective on-line applications * Leverage your achievements as an experienced teacher—or, for graduates or career changers, student teaching, substitute teaching, volunteer work or content knowledge—into a job offer * Locate jobs on-line and discover valuable information about schools, including test results, educational philosophy and names of key administrators * Design a portfolio in book or electronic format to showcase your abilities * Practice interview skills using 100 questions taken from real job interviews * Apply

proven strategies for a variety of interview formats, including high stress interviews and performance interviews * Address controversial questions during interviews This book covers procedures for applying to elementary, middle and high schools; public, independent, and parochial schools; as well as international and boarding schools. Anecdotes recounting the experiences of real candidates looking for jobs illustrate key points. Access to the authors' web site ensures that you will stay current in a changing job market. This is a vital book for teachers and aspiring teachers who want to achieve their career goals. It will also be invaluable for guidance counselors, psychologists, librarians and other school professionals.
