*The Boy who Cried Wolf* Simon & Schuster Books For Young Readers

A wolf's eye view of the legends of Ga'Hoole in this stirring third installment of the *Wolves of Beyond* series by bestselling author Kathryn Lasky. Born with a twisted paw, Faolan was abandoned as a wolf pup and left to die. But not only did he survive and make it back to the wolf clan, he proved himself to be one of the most worthy wolves of all. But just as Faolan is about to take his place as one of the revered *Wolves of the Watch*, a fellow watch wolf goes missing. Faolan is sent to track her down and makes a horrifying discovery - she has been kidnapped by bears. A war is coming between the wolves and the bears, and only Faolan can stop it.

*Shadow Wolf (Wolves of the Beyond #2)* Greystone Books Ltd  
 Fame and obsession collide in this darkly twisted novel featuring a former Hollywood starlet with a devastating secret in this psychological thriller. *People* magazine praises as "fast-paced and involving", from an incredible new voice in suspense. I've been watched all my life. I'm used to being stared at. Observed. Followed. SOMEONE IS WATCHING Washed up teen star Liv Hendricks quit acting after her beloved younger sister inexplicably disappeared following a Hollywood party gone wrong. Liv barely escaped with her life, and her sister was never heard from again. But all this time, someone's been waiting patiently to finish what was started... FOUR MISSING GIRLS Now fifteen years later, broke and desperate, Liv is forced to return to the spotlight. She crowdfunds a webseries in which she'll pose as a real-life private detective--a nod to the show she starred on as a teen. When a mysterious donor challenges her to investigate a series of disappearances outside a town made famous by the horror movies filmed there, Liv has no choice but to accept. FOLLOW THE WHITE WOLF Liv is given a cryptic first clue: Follow the white wolf. And now a darker game is about to begin. Through social media, someone is leaving breadcrumbs to follow. As Liv makes increasingly disturbing discoveries, her show explodes in popularity. A rapt internet audience is eager to watch it all--perhaps even at the cost of Liv's own life... Filled with provocative twists and turns as the line between plot and reality blurs in this inventive tour-de-force from breakout writer Jennifer Wolfe. Incredible Acclaim for *Watch the Girl*: "Fast-paced and involving." -- *People* "Sibling rivalry and Hollywood obsessions collide...Fast-paced and fraught with suspense, WATCH THE GIRLS unravels like a perfect summer-night movie." -- *BookPage* "Has all the nightmare fuel of great horror movie camp mixed with an

absorbing mystery....There is no denying WATCH THE GIRLS is "nervously-eat-an-entire-box-of-cookies-without-realizing-it" good." -- *Shelf Awareness* "A devastating novel that evokes Ingmar Bergman and David Lynch....This disturbing, surrealist thriller will keep readers spellbound." -- *Publishers Weekly* "Debut author Wolfe has created a compelling, sympathetic character in Liv...[This is] a psychologically dark ride through a twisted underworld of fame and desperation, a journey that will keep readers guessing until the shocking ending." -- *Booklist*  
*Never Cry Wolf* American Psychological Association

A subversive and hilarious spin on the well-loved fairy tale. The three little wolves erect first a solid brick house. The big bad pig comes along and when huffing and puffing fails to work, he uses a sledgehammer to bring the house down. Next they build a home of concrete: The pig demolishes it with his pneumatic drill. The three little wolves choose an even stronger design next time round: They erect a house, made of steel, barbed wire, armor plates and video entry system, but the pig finds a way to demolish it too. It is only when the wolves construct a rather fragile house made of cherry blossoms, daffodils, pink roses, and marigolds that the pig has a change of heart ... A great read for children who enjoyed *The Wolf's Story* by Toby Forward. Kids aged 5 and up will enjoy this hilarious, subversive and brilliant read aloud picture book. Eugene Trivizas's text for *The Three Little Wolves and the Big Bad Pig* is perfectly complemented by Helen Oxenbury's watercolour illustrations. Eugene Trivizas has written over 100 books and is the winner of more than twenty national and international prizes and awards. His work has been adapted for stage, screen and radio. Helen Oxenbury's warm and witty illustrations have charmed children and adults alike for many years. Her version of *Alice in Wonderland*, published by Walker Books, won the 2001 Kate Greenaway Award, which she first won in 1969 for *The Quangle Wangle's Hat*. She has also won the Smarties Book Prize three times.

*Wolf or Coyote?* HarperCollins

This beautifully illustrated volume on the Yellowstone Wolf Project

includes an introduction by Jane Goodall and an exclusive online documentary. The reintroduction of wolves to Yellowstone National Park was one of the greatest wildlife conservation achievements of the twentieth century. Eradicated after the park was first established, these iconic carnivores returned in 1995 when the US government reversed its century-old policy of extermination. In the intervening decades, scientists have built a one-of-a-kind field study of these wolves, their behaviors, and their influence on the entire ecosystem. *Yellowstone Wolves* tells the incredible story of the Yellowstone Wolf Project, as told by the people behind it. This wide-ranging volume highlights what has been learned in the decades since reintroduction, as well as the unique blend of research techniques used to gain this knowledge. We learn about individual wolves, population dynamics, wolf-prey relationships, genetics, disease, management and policy, and the rippling ecosystem effects wolves have had on Yellowstone's wild and rare landscape. Featuring a foreword by Jane Goodall, beautiful images, a companion online documentary by celebrated filmmaker Bob Landis, and contributions from more than seventy wolf and wildlife conservation luminaries from Yellowstone and around the world, *Yellowstone Wolves* is an informative and beautifully realized celebration of the extraordinary Yellowstone Wolf Project.

**The Reign of Wolf 21** Bellwether Media

Roselupin has had quite enough of being locked away in her tower room. Her father the king thinks he needs to protect her from the wild and dangerous world outside, but Roselupin knows better. So when she receives a mysterious gift on her seventh birthday, Roselupin uses it as her ticket out of the tower and into the woods, where she howls and dances all day long—and surprises the kingdom folk right out of their socks. Twice.

The latest in Kathryn Lasky's hit series - a stunning spin-off set among the wolves of Ga'hoole. A great cold has seized the Beyond. The warmth of summer, the smell of sweet grass and the great caribou migrations are distant memories. Now the wolves know only ice, dark, snow and endless cold. The order that kept the wolf clans strong for thousands of years has broken down completely. The wolves have only one chance for survival. They must find their way to a new land, a land of warmth and summer. But the journey will take them over a frozen sea and through thousands of miles of perilous territory. Will the wolves trust young Faolan to lead them?

*Lone Wolf* National Geographic Books

From bestselling author Katherine Lasky comes the first book in WOLVES OF THE BEYOND, a stunning new spinoff from her legendary owl series, Guardians of Ga'hoole. A wolf mother has given birth, but the warm bundle snuffling next to her brings only anguish. The pup, otherwise healthy, has a twisted leg, and the mother knows what the harsh code of the pack demands. Her pup will be taken from her and abandoned on a desolate hill. The pack cannot have weakness - the wolf mother knows that her pup is condemned to die. But alone in the wilderness, the pup, Faolan, does not perish. This is his story - a story of survival, of courage, and of love triumphant. This is Faolan's story, the wolf pup who rose up to change forever the Wolves of the Beyond.

*Watch the Girls* Vintage Canada

A photographic tribute to the authors' work as wolf caregivers and advocates documents their efforts with the Sawtooth Pack in Idaho and features a passionate argument for reintroducing and protecting wild wolves.

*Watch Out for Wolf!* Scholastic Inc.

A fresh, compelling, and eerie exploration of small-town living, stolen children, and wolves that watch in the woods. The night little Madison disappears from her crib, Luce sees a pair of eyes--two points of gold deep in the forest behind her house--and feels certain they belong to a wolf. Her town, Picnic, Illinois, is the kind of place where everyone knows one another and no one locks their doors. It's not the kind of place where a toddler goes missing without a trace, where wolves lurk in the shadows. In town, people are quick to blame Madison's mom. But when Luce's English teacher shares an original script about the disappearance of another little girl in Picnic back in 1870, Luce begins to notice similarities that she can't ignore. Certain that something deeper is going on, Luce tracks the wolf she saw into the woods and

uncovers the truth about her town: magical animal-women, who have remained hidden in shadows for centuries, have taken her cousin for their own purposes--and they have no intention of bringing her back. A chilling mystery that weaves elements of magical realism, drama, and folklore into a story of one teen's bravery as she confronts her town's past and tries to save the future.

*Once There Were Wolves* Greystone Books Ltd

The second installment in bestselling author Kathryn Lasky's staggering WOLVES OF THE BEYOND series, a spinoff of the legendary Guardians of Ga'Hoole books. The wolf pup Faolan was born with a twisted paw, a slight defect that caused his wolf clan to abandon him in the forest to die. But Faolan, with the help of the grizzly bear who raised him as her own, survived. Now he's made it back to his clan as a gnaw wolf, the lowest ranking pack member. And the hardships are just beginning. Another gnaw wolf, Heep, is jealous of Faolan and sets him up for failure. As if these humiliations are not enough, Faolan is framed for the murder of a wolf pup. Faolan must catch the culprit in time and prove he deserves to be a full member of the clan.

NEW YORK TIMES BESTSELLER • One million copies sold! "A deeply spiritual book [that] honors what is tough, smart and untamed in women."—The Washington Post Book World Book club pick for Emma Watson's Our Shared Shelf Within every woman there lives a powerful force, filled with good instincts, passionate creativity, and ageless knowing. She is the Wild Woman, who represents the instinctual nature of women. But she is an endangered species. For though the gifts of wildish nature belong to us at birth, society's attempt to "civilize" us into rigid roles has muffled the deep, life-giving messages of our own souls. In *Women Who Run with the Wolves*, Dr. Clarissa Pinkola Estés unfolds rich intercultural myths, fairy tales, folk tales, and stories, many from her own traditions, in order to help women reconnect with the fierce, healthy, visionary attributes of this instinctual nature. Through the stories and commentaries in this remarkable book, we retrieve, examine, love, and understand the Wild Woman, and hold her against our deep psyches as one who is both magic and medicine. Dr. Estés has created a new lexicon for describing the female psyche. Fertile and life-giving, it is a psychology of women in the truest sense, a knowing of the soul.

*Wolves* Bloomsbury Children's Books

A sparkling story of friendship, set in the snowy Arctic, from the bestselling creators of *The Lion Inside*. Wolf cub Wilf doesn't want help from anyone. Whatever it is, he can do it all by himself. But when Wilf finds himself lost and alone in the chill of the Arctic night, he discovers something important: sometimes we all need the helping hand of a friend. This positive rhyming tale of friendship and community is perfect for stubbornly independent little cubs everywhere! Look out for more heart-tingling tales from Rachel Bright and Jim Field: *The Lion Inside* *The Koala Who Could* *The Squirrels Who Squabbled*

*Bear and Wolf* Pan Macmillan

A boy tending sheep on a lonely mountainside thinks it a fine joke to cry "wolf" and watch the people come running, until the day a wolf is really there and no one answers his call. Includes a word puzzle and reading tips for parents.

*Wolf by Wolf* Scholastic Inc.

Bestselling author Kathryn Lasky's hit series - a stunning spin-off set among the wolves of Ga'hoole. Faolan has always been an outsider. Exiled as a pup, then shunned by his fellow wolves for his unusual connection to the bears, Faolan has struggled to earn a place in the pack. But a terrible danger is looming on the horizon, and Faolan is the only one who knows how to fight it. Will he be able to claim his rightful place as leader? Unless Faolan can inspire the pack to stand together, it could be the end of the wolves of the Beyond.

*Three Little Wolves and the Big Bad Pig* Scholastic Inc.

EYE TO EYE WITH DEATH: THE WOLF PROJECT Hordes of bloodthirsty wolves are slaughtering the arctic caribou, and the government's Wildlife Service assigns naturalist Farley Mowat to investigate. Mowat is dropped alone onto the frozen tundra, where he begins his mission to live among the howling wolf packs and study their ways. Contact with his quarry comes quickly, and Mowat discovers not a den of marauding killers but a courageous family of skillful providers and devoted protectors of their young. As Mowat comes closer to the wolf world, he comes to fear with them the onslaught of bounty hunters and government exterminators out to erase the noble wolf community from the Arctic. *Never Cry Wolf* is one of the brilliant narratives on the myth and magic of wild wolves and man's true place among the creatures of nature. "We have doomed the wolf not for what it is, but for what we deliberately and mistakenly perceive it to be — the mythologized epitome of a savage, ruthless killer — which is, in reality, no more than the reflected image of ourself." — From the new Preface

*The Wolf* Ballantine Books

From the author of *The Walled City* comes a fast-paced and innovative novel that will leave you breathless. Her story begins on a train. The year is 1956, and the Axis powers of the Third Reich and Imperial Japan rule. To commemorate their Great Victory, they host the Axis Tour: an annual motorcycle race across their conjoined continents. The prize? An audience with the highly reclusive Adolf Hitler at the Victor's ball in Tokyo. Yael, a former death camp prisoner, has witnessed too much suffering, and the five wolves tattooed on her arm are a constant reminder of the loved ones she lost. The resistance has given Yael one goal: Win the race and kill Hitler. A survivor of painful human experimentation, Yael has the power to skinshift and must complete her mission by impersonating last year's only female racer, Adele Wolfe. This deception becomes more difficult when Felix, Adele's twin brother, and Luka, her former love interest, enter the race and watch Yael's every move. But as Yael grows closer to the other competitors, can she be as ruthless as she needs to be to avoid discovery and stay true to her mission?
