Obsess over your favorite
K-pop idols with this
personalized, guided

journal full of prompts,
trivia, and more to
celebrate the most iconic
music group in the world,
perfect for seasoned
ARMY members and new
fans alike. Whether
you've lived and breathed
BTS for years or you're a
new member of the ARMY,
I Love BTS is for everyone
who loves the seven
members of the Bangtan
Boys. Here you'll
celebrate what BTS
means to you with
personalized guided
journal prompts that will
make you fall in love with
BTS all over again.

Prompts include: -What
would you do if you spent
a day in Seoul with BTS? -
Which lyric do you
connect with the most
and why? -What was the
moment you realized your
BTS bias? -What is your
favorite BTS music video
and why? -And more!
Interspersed throughout,
you'll also test your
knowledge with some fun
multiple-choice BTS trivia
that would challenge even
the most die-hard fan.
Best of all, you'll have
plenty of room to paste
your photos of RM, Jin,
Suga, J-Hope, Jimin, V, and
Jungkook. I Love BTS will
help you personalize your
connection to the iconic,
life-changing must group
that continues to smash
records, win more awards

than you ever thought
possible, and win the
hearts of fans all over the
world.

Bts Love Yourself College

Ruled Journal

At this fascinating historical moment, this timely collection explores the new meaning of the Korean Wave and the process of media production, representation, distribution and consumption in a global context as a distinctive and complex form of soft power. Focusing on the most recent phenomenon of Korean popular culture, this book considers the Korean Wave in the global digital age and addresses the social, cultural and political implications in their complexity within the contexts of global inequalities and uneven power structures. The collection brings together internationally renowned scholars and regional specialists to examine this

historically significant, visibly growing, yet under-explored current phenomenon in the global digital age. Drawing on a wide range of perspectives from media and communications, cultural studies, sociology, history and anthropology, and including a series of case studies from Asia, the USA, Europe and the Middle East, it provides an empirically rich and theoretically stimulating tour of this area of study, going beyond the standard Euro-American view of the evolving and complex dynamics of the media today. This collection is essential reading for students and scholars interested in Korean popular culture and in film, media, fandom and cultural industries more widely.
