Prayers That Rout Demons Destiny Image Publishers
 You'll get through this. It won't be painless. It won't be quick. But God will use this mess for good. Don't be foolish or naïve. But don't despair either. With God's help, you'll get through this. You fear you won't make it through. We all do. We fear that the depression will never lift, the yelling will never stop, the pain will never leave. In the pits, surrounded by steep walls and aching reminders, we wonder: Will this gray sky ever brighten? This load ever lighten? In *You'll Get Through This*, pastor and New York Times best-selling author, Max Lucado offers sweet assurance. "Deliverance is to the Bible what jazz music is to Mardi Gras: bold, brassy, and everywhere." Max reminds readers God doesn't promise that getting through trials will be quick or painless. It wasn't for Joseph--tossed in a pit by his brothers, sold into slavery, wrongfully imprisoned, forgotten and dismissed--but his Old Testament story is in the Bible for this reason: to teach us to trust God to trump evil. With the compassion of a pastor, the heart of a storyteller, and the joy of one who has seen what God can do, Max explores the story of Joseph and the truth of Genesis 50:20. What Satan intends for evil, God redeems for good.

I Decree and Declare: I Walk in Abundant Life Commanding Your Morning

The spiritual exercise of making decrees finds its precedent in both Old and New Testaments--the practice means simply quoting God's promises back to him, "reminding" him of what he has said. This kind of prayer is one of the most vital forms of intercession. In fact, the practice of decreeing God's Word not only builds our faith but transforms our lives. In this powerful and enlightening book, bestselling author and entrepreneur Patricia King helps readers grasp the power of inspired and finely tuned prayer. King explains how to · find specific texts of Scripture for your need · counter problems with God's Word · speak truth into reality · understand the difference between confessing the Word, proclaiming the Word, and decreeing the Word · and more Join countless believers who love the Word of God and honor its authority through their prayers. Accept the challenge to pray the words of Scripture boldly--in God's timing, for his will and purposes.

 Please note: This is a companion version & not the original book. Sample Book Insights: #1 The power of the spoken word is beyond our understanding. It is a spiritual mystery that has been hidden from us, but now it is being revealed so that God's people can be equipped for an unprecedented era of influence. #2 The universe begins with words and thoughts. Everything in the universe revolves around these two elements. Your thoughts, intentions, and aspirations - whether they be secretly pondered in your heart or openly declared as desires - mold and shape your personal universe into something that is either grand and beautiful or base and hideous. #3 What you say matters greatly. Your thoughts provide the fuel for your words, and your words provide the fuel for your world. It is important that you understand the meaning of what you are saying. #4 The law of

cause and effect also works with the law of attraction. It states that like attracts like, and your thoughts and words are transmitted like a shortwave radio signal. They send messages out on a specific frequency and are transmitted back to you manifested as an experience or occurrence in your life.

 Your Breakthrough Is Only a PUSH Away Today's world knows little about perseverance. This is why so few people become innovators, entrepreneurs, and world-changers. Success is bypassed, not due to a lack of opportunity, but because we don't know how to maximize the opportunities in front of us and PUSH - persevere until success happens. In her encouraging and dynamic style, Dr. Cindy Trimm inspires you to go for it. It is one thing to read about the lives of great achievers--it is another thing to join their ranks. Learn how to: • Carry your dreams, visions, and goals "full term" and to complete fulfillment • Exercise the power of faith to overcome the impossible and release God's supernatural purposes into your life • Resist the temptation to 'cave' under pressure and press on even when you don't feel like it anymore • Empower others to fulfill their divine destinies through co-laboring with them "If you dare to believe that God has something great in store for you to do, to accomplish, or to achieve, you must be prepared to persevere in spite of your hardship, setbacks, and challenges in order to realize your dreams and accomplish your goals. This book is written to give you that extra push." —Cindy Trimm
