Where's the Digger? Usborne Books

From excavators to dumpers and everything in between! Find all about 30 different types of diggers and dumpers - bulldozers, tipper trucks, rock breakers and many more - in this beautifully illustrated and annotated first guide. Includes a fun spotter's chart to fill in!

Diggers The Rosen Publishing Group, Inc

Watch out! Here come the Mighty Machines. From bulldozers to dump trucks, this series will delight young readers as they learn about the parts of these machines, as well as the jobs they do. A search-and-find feature is sure to grab the attention of any child as they learn new vocabulary and study engaging pictures, making these books as fun as they are educational. This search-and-find book invites emergent readers to look for new vocabulary words and pictures while giving simple facts about a digger's structure, parts, and jobs they do.

Busy Baby Carry Me Rough and Tough E.D.C. Publishing
 BOARD BOOK. Full of lots of facts and pictures, with touch and feel areas and hidden objects to find in each spread to encourage interactive play. With a cut through handle to make handling easier.

Diggers and Dumpers National Geographic Books

A beautifully illustrated book for babies featuring lots of noisy diggers working together on a very busy building site. Turn the pages and lift the flaps to watch the big-wheeled digger shovel and scoop up the rubble with its big metal bucket, see how the long-armed crane stretches up high with a very heavy load, and watch the road roller chug slowly along to flatten the ground. With busy vehicles pushing, pulling, tipping, rumbling, chugging, scooping, and beeping, little ones will love learning about what happens on the building site, and joining in to make the noisy digger sounds.

Jonny Lambert's Diggers Igloo Books

New tabbed books to introduce children to favorite mega-machines. "Busy Baby" presents a new series of tabbed board books designed to fuel children's obsession with things that go. Each book contains bright and colorful photography combined with clear text to help children identify each mega-machine. Little ones will also love using the finger tabs to decide which vehicle they want to look at.

Find Out about Diggers and Cranes ARC

Is designed to encourage small children to talk about what they see in the colorful pictures of Diggers and Dump Trucks.
