Wilderness Patrol officer Pamela Tate, scouting in the mountains of Washington, sees and touches a ground squirrel in the dusty path, blood trickling from its mouth. Forty-eight hours later she lies dead at her campsite, covered in mysterious welts and bruises. Across the lake, a boisterous camping party falls silent as they watch each other sicken and die in agony. A killer is loose. It has a foreign name. Yersinia Pestis. Plague. An unknowing nation harbors the deadly evil in its midst. While a few embattled survivors race to save the country, perhaps the world, the grim invader hides in a mother's sigh, a child's laugh, a lover's whisper. Nothing can stop the death ride of . . . The Fourth Horseman.

[Four Horsemen](#) Moody Publishers

The Fourth Horseman is a book about a select group of young men who are brought together on a ranch in western Texas. They are men of reputation as well as skill and have reunited to help protect the life of their former employer a cattle baron. When several attempts on the man's life fail a gang of cutthroats kidnap the man's daughters and head for the open prairie. The four young men named by the people of the area as the Four Horsemen give chase. After ambushes and gunfights plague their way the Four Horsemen catch up with the kidnappers in a small desolate town in Indian country. A bloody dramatic shootout occurs where the men free the kidnapped women and destroy the outlaw gang. Action is the name of the game in this Novel and beware, once you start reading you will not want to stop. The story is told through the eyes of a old woman whose great grandson wishes to write a story of Texas lawmen and gunfighters. In the end he not only has his story but a adventure of his own. The surprise ending will grip you sending shivers down your spine. For anyone who ever enjoyed a western book or movie this one will delight you.

[The Four Horsemen](#) Avon

They came to earth--Pestilence, War, Famine, Death--four horsemen riding their screaming steeds, racing to the corners of the world. Four horsemen with the power to destroy all of humanity. They came to earth, and they came to end us all. When Pestilence, the first of the horsemen, comes for Sara Burn's town, one thing is certain: everyone she knows and loves is marked for death. Unless, of course, the angelic-looking horseman is stopped, which is exactly what Sara has in mind when she shoots the unholy beast off his steed. Too bad no one told her Pestilence can't be killed. Alive and furious, the horseman takes Sara prisoner, determined to make her suffer for impeding his mission. Despite her pleas, nothing and no one gets in the way of his orders to destroy humankind. Only, the longer Pestilence spends beside Sara's bravery and compassion, the more he seems to understand her, and understand humanity. And the longer Sara travels with Pestilence and his plague, the more uncertain she grows about his true feelings toward her...and hers toward him. Sara might still be able to save the world, but she'll have to sacrifice her heart in the process.

Pestilence Totally Entwined Group (USA+CAD)

Riders. A new fantasy adventure from New York Times and USA Today bestselling author Veronica Rossi. For eighteen-year-old Gideon Blake, nothing but death can keep him from achieving his goal of becoming a U.S. Army Ranger. As it turns out, it does. Recovering from the accident that most definitely killed him, Gideon finds himself with strange new powers and a bizarre cuff he can't remove. His death has brought to life his real destiny. He has become War, one of the legendary four horsemen of the apocalypse. Over the coming weeks, he and the other horsemen--Conquest, Famine, and Death--are brought together by a beautiful but frustratingly secretive girl to help save humanity from an ancient evil on the emergence. They fail. Now--bound, bloodied, and drugged--Gideon is interrogated by the authorities about his role in a battle that has become an international incident. If he stands any chance of saving his friends and the girl he's fallen for--not to mention all of humankind--he needs to convince the skeptical government officials the world is in imminent danger. But will anyone believe him? At the Publisher's request, this title

Faraway Horses Bloom Books

This is a rewrite of a book I wrote in 1988 in which I presented my conviction that Revelation was first of all a warning to the Judean people that if they did not accept the prophesized Jewish Messiah when he arrived in A.D. 27, God would reject them. A secondary message is that, at the end times, if the gentile world also does not accept the Messiah, God will then bring this present world to an end and commence his eternal heavenly kingdom where God will judge every person he created according to their works. My first book picked up on an argument proposed by J. Massyngberde Ford (in her introduction to revelation in the Anchor Bible Series) that most of Revelation came from the preaching of John the Baptist, who preached directly to the Judeans. The disciples of the Baptist (John the Evangelist was one of them) continued preaching the Baptist's warnings right up into the ministry of Jesus Christ. Finally, near the end of his life, the Evangelist put what he preached into writing. It included what he learned from John the Baptist and became the concluding book of the New Testament. After the crucifixion, the unbelieving Judeans and their descendants tried to defeat the Church and could have wiped out the Church if the revolt under Bar Kochba was successful in liberating Judea from Roman control. But Bar Kochba was totally defeated by Severus in A.D. 135 causing an immense slaughter of Jews. The surviving Judeans were deported elsewhere in the Roman Empire and foreign people were introduced into Palestine. Not many people are aware that for hundreds of years thereafter, only a very small population of Jewish people living in the ancestral homeland of the Jews. No other interpretation that I have reads has pinpointed the historical event that coincided with the fall of Judea like I did. I identify the historical fulfillment of Rev: 15:17 when the seventh angel pours out his vial saying "It is done." as the final defeat of Judea by General Severus in A.D. 135. Most interpretations never discuss the fall of Judea in A.D. 135. Instead, they try to predict a future event (future even to us) that will cause the final conflict when all gentile nations will fall. I also discuss how I think the scenes in Revelation apply to the end of

times. I think God has been warning the modern world all along through apparitions by the mother of Christ. I try to show the relevance of the Devil, Lucifer, as the cause of the wickedness of humans. Lucifer is identified in Scripture as the instigator of evil. I think God cannot correct the evils of man until he finally punishes Lucifer in eternal damnation. In my new book, I also point out that the rebellion of the angel Lucifer, the Devil, is the cause of the rejection of the Messiah by the human race. I trace the influence of Lucifer misguiding the human race from the very beginning in the Garden of Eden. I point out how his influence misguided the human race all through history with false ideologies and human conquest by human utopias to try to conduct ourselves outside of God's embrace. I was unsure how readers would view my book when I first launched publication of my book, but now I have seen many favorable reviews by readers of many different religious convictions that do not take exception to what I have written. This encouraged me to continue. I hope you read my book and find it interesting. At the very least, it should at least give you food for thought.

Riders Forge Books

What on Earth will Happen? When God predicts the future, He isn't taking a risk or going out on a limb. He knows that future already. With Him, it's already an established fact. He doesn't just forecast the future, He has been there. In fact, He's there right now, just as surely as He is with us in the present moment. The Book of Revelation allows us to glimpse realities that are outside of time, in the eternal realm. It reminds us that our God lives in that eternal reality, and isn't bound by the pages in a calendar, the hours in a day, or the hands on a clock. He has no yesterday or tomorrow, because it's all just a continuum to Him. God can look at the future with as much clarity and accuracy as you and I might look at the recent past. God has perfect recollection and perfect foresight. When He says that a certain event will happen, it's as though it has already taken place. From our point of view, time seems to stretch on and on, but God isn't affected at all by the duration of time. As Peter noted, A day is like a thousand years to the Lord, and a thousand years is like a day (2 Peter 3:8, NLT). Greg Laurie In this exciting, comprehensive overview of the New Testament's final book, Greg Laurie shares insights drawn from a lifelong study of Bible prophecy and how it intersects with today's headlines

The Fourth Horseman Random House

The CIA sent Pakistan expert David Haaris to meet with leaders of the military-intelligence apparatus that all but controls the country. But Haaris is an Islamist double agent working for Pakistani terrorists, and has been undermining the Islamabad regime for decades. When a nuclear weapon is detonated on the border with Afghanistan, only one man can stop Haaris's plan: CIA assassin Kirk McGarvey. He must kill Haaris, the terrorist leader they call "the Messiah," code name: the Fourth Horseman.

The Fourth Horseman Center Point

Many horse trainers, even those who espouse the so-called natural horsemanship approach, take the position that horses who fail to obey a human's request are doing so as much out of perversity as ignorance. That's not Mark Rashid's view. In his words, "If we understand that horses can't separate the way they feel from the way they act, then we can start to see that unwanted behavior isn't bad behavior at all. More times than not, it's just the horse expressing the way he feels at that particular moment in time. . . .How we perceive that information dictates how we respond to it." *Whole Heart, Whole Horse* focuses on this idea, covering such subjects as gathering information from the horse, turning rider/trainer mistakes into positive experiences, developing realistic boundaries between you and your horse, understanding how and why horses release energy from real or perceived traumas, and reaching a comfortable balance point between horse and rider. Rashid analyzes developing softness, consistency, dependability, trust, and peace of mind in both horses and humans, as well as how to become a leader whom your horse will willingly want to follow and work with. Full of examples that extend beyond the training pen, *Whole Heart, Whole Horse* offers good sense and information that will make you a more astute, capable, and sensitive horseman and person.

Fourth Horseman Random House

Western. The bloody Tonto Basin War, a legendary and bitter chapter in the history of the West was considered a sheep and cattle war. But the real story lies in the memoirs of Old Jim Stanton - the fourth horseman'.

The Fourth Horseman Tyndale House

The story of Anton Dilger brings to life a missing chapter in U.S. history and shows, dramatically, that the Great European War was in fact being fought on the home front years before we formally

joined it. The doctor who grew anthrax and other bacteria in that rented house was an American—the son of a Medal of Honor winner who fought at Gettysburg—on a secret mission, for the German Army in 1915. The Fourth Horseman tells the startling story of that mission led by a brilliant but conflicted surgeon who became one of Germany's most daring spies and saboteurs during World War I and who not only pioneered biowarfare in his native land but also led a last-ditch German effort to goad Mexico into invading the United States. It is a story of mysterious missions, divided loyalties, and a new and terrible kind of warfare that emerged as America—in spite of fierce dissent at home—was making the decision to send its Doughboys to the Great War in Europe. This story has never been told before in full. And Dilger is a fascinating analog for our own troubled times. Having thrown off the tethers of obligation to family and country, he became a very dangerous man indeed: A spy, a saboteur, and a zealot to a degree that may have so embarrassed the German High Command that, after the war, they ordered his death rather than admit that he worked for them.

The Four Horsemen of the Apocalypse Simon and Schuster

The epic tale of an Argentine landowner's family fighting on opposite sides during World War I became a worldwide best-selling novel when first published in 1916. Fanatical nationalism tragically triumphs over common sense and family ties, causing horrific destruction and death in a war the likes of which the world had never seen. More than a story about long-ago events, this historical novel is a piercing meditation on modern warfare and a profound warning about the dangers of isolationist nationalism. This first new translation in decades offers a fresh look at a disastrous global tragedy that is eerily relevant to current events in the 21st century. The 1921 American silent film had a huge cultural impact and became the year's top-grossing film. It turned actor Rudolph Valentino into a superstar and inspired a tango craze and gaucho pants fashion fad.

The Four Horsemen Forge Books

A CIA assassin races to avert nuclear war at the hands of terrorists in this heart-pounding next installment in David Hagberg's New York Times bestselling series. Kirk McGarvey has accepted the most critical contract of his career: kill the most dangerous, heavily protected terrorist alive—a man who is about to hand two hundred Pakistani nukes over to the world's most

frightening terrorists. Pakistan is torn apart by street riots, and Islamist terror groups are on the verge of toppling its shaky secular government. The CIA sends Pakistan expert David Haaris to meet with leaders of the military-intelligence apparatus that all but controls the country and try to prevent the government's impending disintegration. But Haaris has other ideas. An Islamist double-agent working for Pakistani terrorists, David Haaris beheads the president and attempts to bring the region's most horrendous terror groups to power. If he succeeds, the terrorists will possess enough nuclear weapons to destroy all the developed world's capital cities. Only one man can stop Haaris's plan—legendary CIA assassin, Kirk McGarvey. He must kill Haaris, the terrorists' leader, the man they call "the Messiah"—code name: The Fourth Horseman. This edition of the book is the deluxe, tall rack mass market paperback.

Death (The Four Horsemen Book 4) Forge Books

Doc Holliday was thirty-six when he found out he had the same incurable tuberculosis that took his mother's life--and one year to live. The doomed Holliday quickly plunged himself into the hard-drinking, violent world of the gunslinger. He traveled from town to town and dared the most brutal men of the era to kill him before the disease could, going on to take part in such legendary escapades as the showdown at the OK corral. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Revelation Simon and Schuster

Who Will Usher in Earth's Final Days? Are we living in the end times? Is it possible that the players depicted in the book of Revelation could be out in force today? And if they are, would you know how to recognize them? In *Agents of the Apocalypse*, noted prophecy expert Dr. David Jeremiah does what no prophecy expert has done before. He explores the book of Revelation through the lens of its major players—the exiled, the martyrs, the elders, the victor, the king, the judge, the 144,000, the witnesses, the false prophet, and the beast. One by one, Dr. Jeremiah delves into their individual personalities and motives, and the role that each plays in biblical prophecy. Then he provides readers with the critical clues and information needed to recognize their presence and power in the world today. The stage is set, and the curtain is about to rise on Earth's final act. Will you be ready?

Whole Heart, Whole Horse Tor Teen

It was almost midnight on Friday the thirteenth when the man in black entered the hotel where Willard Dull, Government Agent, was sitting reading a book. As the stranger retired to his room. Dull took a look at the register. The man had signed himself as 'Death' from 'Hell'. Before midnight chimed, two men were dead, both killed by the man in black...

The Fourth Horseman Workman Publishing

An epic historical novel follows Doc Holliday, the legendary gunfighter and gambler, from a promising dental career cut short by tuberculosis, to his trip West and into history as the lone outsider at the infamous OK Corral gunfight. Reprint.

The Fourth Horseman (The Gareth & Gwen Medieval Mysteries Book 3) Gunsmoke

Many Christians think of end times prophecy as a gigantic, intimidating puzzle -- difficult to piece together and impossible to figure out. But every puzzle can be solved if you approach it the right way. Paul Benware compares prophecy to a picture puzzle. Putting the edge pieces together first builds the 'framework' that makes it easier to fit the other pieces in their place. According to Benware, the framework for eschatology is the biblical covenants. He begins his comprehensive survey by explaining the major covenants. Then he discusses several different interpretations of end times prophecy. Benware digs into the details of the Rapture, the Great Tribulation, the judgements and resurrections, and the millennial kingdom. But he also adds a unique, personal element to the study, answering questions as: -Why study bible prophecy? -What difference does it make if I'm premillennial or amillennial? If what the Bible says about the future puzzles you, *Understanding End Times Prophecy* will help you put together the pieces and see the big picture.

War (The Four Horseman Book 2) Motherlode

It was one of the ugliest vendettas in the remembered history of the frontier -- a war between cattlemen and shepherders. Frank Rachel rode into the Basin with nothing but a powerful desire to start his own spread. Suddenly, there was fighting all around him, and Frank Rachel was forced to call on the naked nerve he didn't even know he possessed, to kill -- or lose everything. Based on a true story, *The Fourth Horseman* tells of the Peaceful Basin War -- the bloodiest range war in the history of the West.

Famine Koinonia House

In a series of revolts starting in 1820, four military officers rode

forth on horseback from obscure European towns to bring political freedom and a constitution to Spain, Naples, and Russia; and national independence to the Greeks. The men who launched these exploits from Andalusia to the snowy fields of Ukraine-- Colonel Rafael del Riego, General Guglielmo Pepe, General Alexandros Ypsilanti, and Colonel Sergei Muraviev-Apostol--all hoped to overturn the old order. Over the next six years, their revolutions ended in failure. The men who led them became martyrs. In *The Four Horsemen*, the late, eminent historian Richard Stites offers a compelling narrative history of these four revolutions. Stites sets the stories side by side, allowing him to compare events and movements and so illuminate such topics as the transfer of ideas and peoples across frontiers, the formation of an international community of revolutionaries, and the appropriation of Christian symbols and language for secular purposes. He shows how expressive behavior and artifacts of all kinds--art, popular festivities, propaganda, and religion--worked their way to various degrees into all the revolutionary movements and regimes. And he documents as well the corruption, abandonment of liberal values, and outright betrayal of the revolution that emerged in Spain and Naples; the clash of ambitions and ideas that wracked the unity of the Decembrists' cause; and civil war that erupted in the midst of the Greek struggle for independence. Richard Stites was one of the most imaginative and broad-ranging historians working in the United States. This book is his last work, a classic example of his dazzling knowledge and idiosyncratic yet accessible writing style. The culmination of an esteemed career, *The Four Horsemen* promises to enthrall anyone interested in nineteenth-century Europe and the history of revolutions.

Agents of the Apocalypse Oxford University Press

The image of the four horsemen of the Apocalypse in Revelation 6:1-8 is one of the most vivid and powerful in all the writings of the prophets. Their presence speaks of a coming day of horror - the first four judgments of the tribulation. White, red, black, and pale, they will wreak destruction around the world. Prophecy expert Mark Hitchcock takes an in-depth look at the horsemen and shows how today's events point toward the prophecy about them. Signs all around us indicate that the four horsemen of the Apocalypse may be ready to mount up and gallop across the earth. T H U N D E R I N G H O O F B E A T S B R I N G W A R , FAMI

N E , A N D P L A G U E The image of the four horsemen of the Apocalypse in Revelation 6:1-8 is one of the most vivid and powerful in all the writings of the prophets. Their presence speaks of a coming day of horror—the first four judgments of the Tribulation. White, red, black, and pale, they will wreak destruction around the world. Prophecy expert Mark Hitchcock takes an in-depth look at the horsemen and shows how today's events point toward the prophecy about them. Signs all around us indicate that the four horsemen of the Apocalypse may be ready

to mount up and gallop across the earth. "Mark Hitchcock packs a wealth of information on biblical prophecy into an excellent 'quick read.' I highly recommend Mark as a faithful guide to understanding current events in light of God's wonderful plan of prophecy." —TIM LAHAYE, author, educator, minister Story Behind the Book The four horsemen of the Apocalypse in Revelation 6:1-8 is one of the most vivid, powerful visions in all of the Scriptures. The apostle John saw a vision of four horses (white,

red, black, and pale) galloping across the world in the end times, leaving unbelievable destruction in their wake. The chilling imagery of that vision has gripped believers for over two thousand years. The purpose of the book is to take an in-depth look at these four mysterious horsemen and show how their approach seems to be developing before our eyes, signaling the advent of that terrible seven years known as the Great Tribulation. The four horsemen are symbolic of great movements that will mark the onset of that climactic era in history.
