Sham was a horse that seemed destined for greatness. He boasted a winning pedigree, a sleek and muscular frame, experienced trainers, and talented jockeys. Early races validated his potential, as he ran to victories by as many as fifteen lengths. After he defeated the mighty Secretariat in the Wood Memorial, many turf writers were touting Sham as the Kentucky Derby favorite. The stage was set for Sham-mania to sweep the country at a time when the nation needed a hero. But it was Secretariat who won over the nation. Despite impressive victories and record-breaking performances, Sham's popularity paled in comparison. If Secretariat was America's horse, Sham might well have been everyman's horse, a working-class hero who couldn't get the recognition he deserved. This is the other side of the story of Secretariat's famous Triple Crown season and of his

remarkable challenger who found that great was only second best.

When eighth grader Abby Lovitt looks out at those pure-gold rolling hills, she knows there's no place she'd rather be than her family's ranch—even with all the hard work of tending to nine horses. But some chores are no work at all, like grooming young Jack. At eight months, his rough foal coat has shed out, leaving a smooth, rich silk, like chocolate. As for Black George, such a good horse, it turns out he's a natural jumper. When he and Abby clear four feet easy as pie, heads start to turn at the ring—buyers' heads—and Abby knows Daddy won't turn down a good offer. Then a letter arrives from a private investigator, and suddenly Abby stands to lose not one horse but two. The letter states that Jack's mare may have been sold to the Lovitts as stolen goods. A mystery unfolds, more surprising than Abby could ever expect. Will she lose her beloved Jack to his rightful owners? Pulitzer Prize winner Jane Smiley raises horses of her own, and her affection and expertise shine through in this inviting horse novel for young readers, set in 1960s California horse country and featuring characters from The Georges and the Jewels.

Normal 0 false false false EN-US X-NONE X-NONE God's Horse (1996) and The Atheists' School (1999), Wilhelm Dichter's novelistic memoirs, are both striking for their spare, precise prose and for the fullness with which they inhabit the perspectives of, respectively, a young boy trying to survive the Holocaust in hiding and an adolescent in the turbulent world of post-war Poland. The books openly address a rarely documented phenomenon - a Jew who, having escaped death in Nazi-occupied Poland, ascends into the upper echelons of Polish society as a committed Communist. After the war, the narrator becomes the stepson of a rising star in the petroleum ministry. He tries to gain acceptance by becoming a propagandist, but he can't help wondering if those who constantly warn of a renewal of Jewish persecution may be right.

The Ballad of the White Horse is a poem by G. K. Chesterton about the idealized exploits of the Saxon King Alfred the Great. Written in ballad form, the work is usually considered one of the last great traditional epic poems ever written in the English language. The poem narrates how Alfred was able to defeat the invading Danes at the Battle of Ethandun under the auspices of God working through the agency of the Virgin Mary. In addition to being a narration of Alfred's military and political accomplishments, it is also considered a Catholic allegory. Chesterton incorporates a significant amount of philosophy into the basic structure of the story. Aeterna Press

With a trademark powerful stride amid a blaze of red and yellow silks, Justify emphatically crossed the finish line at the 2018 Belmont Stakes and became just the 13th winner of horse racing's elusive Triple Crown. One of the most charismatic and talented runners in the history of the sport, Justify was also one of its most unlikely champions; the late-blooming chestnut colt made his competitive debut only 111 days prior to that legendary victory. In *Justify: 111 Days to Triple Crown Glory*, veteran scribe Lenny Shulman (*BloodHorse* magazine) provides an insider account of this Thoroughbred's rise to greatness. Through extensive interviews and first-hand accounts, readers will discover the fascinatingly disparate cast of characters who were crucial to Justify's success, including trainer Bob Baffert, whose innate ability to identify equine talent also produced American Pharoah; Mike Smith, the 52-year-old jockey asserting himself in the miraculous third act of his career; and breeders John and Tanya Gunther, who believed in Justify's ability despite the developmental imperfections that drove buyers away. Packed with riveting action, keen insight, and behind-the-scenes perspectives on quieter figures like silent investors, international stakeholders, and unheralded training staff, *Justify* is an illuminating look at the modern Thoroughbred industry and an essential story for the ages.

On the outskirts of Casablanca, next to the dump, is the shantytown of Sidi Moumen, where Yachine and his ten brothers grew up in the aimless chaos of drugs, violence, unemployment, and despair. The barefoot boys started their own football team - the Stars of Sidi Moumen. They played amongst the rocks, detritus, and buried skeletons of the dump but they dreamed of becoming the best football players of all time. Then their dreams changed. Week after week, the sheikh beguiled the Stars of Sidi Moumen into believing that there was a better world in the afterlife, where their faith in Allah would be rewarded. In the bestselling tradition of the *The Eighty-Dollar Champion*, the propulsive, inspiring Cinderella story of Stymie, an unwanted Thoroughbred, and Hirsch Jacobs, the once dirt-poor trainer who bought the colt on the cheap and molded him into the most popular horse of his time and the richest racehorse the world had ever seen. In the wake of World War II, as turmoil and chaos were giving way to a spirit of optimism, Americans were looking for inspiration and role models showing that it was possible to start from the bottom and work your way up to the top—and they found it in Stymie, the failed racehorse plucked from the discard heap by trainer Hirsch Jacobs. Like Stymie, Jacobs was a commoner in "The Sport of Kings," a dirt-poor

Brooklyn city slicker who forged an unlikely career as racing's winningest trainer by buying cheap, unsound nags and magically transforming them into winners. The \$1,500 pittance Jacobs paid to claim Stymie became history's biggest bargain as the ultimate iron horse went on to run a whopping 131 races and win 25 stakes, becoming the first Thoroughbred ever to earn more than \$900,000. The Cinderella champion nicknamed "The People's Horse" captivated the masses with his rousing charge-from-behind stretch runs, his gritty blue-collar work ethic, and his rags-to-riches success story. In a golden age when horse racing rivaled baseball and boxing as America's most popular pastime, he was every bit as inspiring a sports hero as Joe DiMaggio and Joe Louis. Taking readers on a crowd-pleasing ride with Stymie and Jacobs, *Out of the Clouds* -- the winner of the Dr. Tony Ryan Book Award -- unwinds a real-life Horatio Alger tale of a dauntless team and its working-class fans who lived vicariously through the stouthearted little colt they embraced as their own.

Most of us know the legend of Secretariat, the tall, handsome chestnut racehorse whose string of honours runs long and rich: the only two-year-old ever to win Horse of the Year, in 1972; winner in 1973 of the Triple Crown, his times in all three races still untouched; featured on the cover of *Time*, *Newsweek* and *Sports Illustrated*; the only horse listed on ESPN's top 50 athletes of the 20th century. His final race at Toronto's Woodbine Racetrack is a touchstone memory for horse lovers everywhere. Yet while Secretariat will forever be remembered, one man who was pivotal to the great horse's success has been all but forgotten—until now. In *The Horse God Built*, bestselling equestrian writer Lawrence Scanlan has written a tribute to an exceptional man that is also a backroads journey through a corner of the racing world seldom visited. As Secretariat's groom, Edward "Shorty" Sweat had far more contact with the horse than anyone, and no one understood him better. Travelling through the American South, hanging about the tracks and the barns of thoroughbred racing, Scanlan reveals a skilled and much loved black man of the old South, who had a consuming fatherly passion and dedication to "his" horse. We see the racing world through the eyes of a man who died in poverty, his standing-room-only funeral packed with friends and family—yet unattended by the other principals in Secretariat's life. We hear colourful backstretch anecdotes about Eddie and Secretariat from coworkers, jockeys, trainers and owners, all contributing not just to one man's story, but to a portrait of a powerful bond

between human and horse.
