## HALLIE HICKS

L'Elève Ducobu - Tome 9 - Le Fortiche de la Triche Routledge  
 A rediscovered classic, originally published in 1938 -- and now an international bestseller. Address Unknown When it first appeared in Story magazine in 1938, Address Unknown became an immediate social phenomenon and literary sensation. Published in book form a year later and banned in Nazi Germany, it garnered high praise in the United States and much of Europe. A series of fictional letters between a Jewish art dealer living in San Francisco and his former business partner, who has returned to Germany, Address Unknown is a haunting tale of enormous and enduring impact.

### **Animal Masquerade** Titan Comics

The cat and the dog have been occupying a prominent place in our homes and at our sides for many years. It is normal to come across them at any time in our literature or when visiting a website. Sometimes they occupy the central place and there are many books that have been devoted to them, sometimes by

writers less well known than their companions... Other times, they are just making the scene more lively, more truthful, because without them, where would be the soul of our homes? Through these quotes, you will first travel in time, across regions religions and cultures: the Bible, Einstein, Mahomet, Queen Elisabeth II, Shakespeare, Agatha Christie and many others. This little journey into the heart of wisdom or in the company of famous personalities will give you all the delights that our fourlegged friends deserve. And at the heart of all these treasures, I'm sure you will find valuable thoughts to illuminate your every day. His life in a family of Egyptian Maus and King Charles Spaniels made him sensitive to the deepness of the thoughts of our favorite 4-legs. Didier HALLÉPÉE shares with us the many quotations he met in the over ten thousand books he could read.

*Ducobu - tome 3 - Réponses ou la Vie ? (Les)* Kids Can Press Ltd  
 When the crew of an ocean-going tug discover an abandoned Chinese radar ship adrift in the Pacific, it seems like their ticket to Easy Street. Maritime law says they can lay claim to the vessel and the millions of dollars worth of top-secret electronics on it. However, collecting on those millions is easier said than done.

Full-color throughout. Graphic novel format.

**Stupid, Stupid Rat-tails** Europe Comics

The pupil Ducoboo is nice and a joker, but also a notorious dunce—a “quality” that is no bed of roses...One must be awfully resourceful to avoid the humiliating dunce’s cap! But Ducoboo is brimming with imagination.... Through gags, some stranger than others, this series champions values such as friendship and the right to be different, and tackles subjects such as boy-girl and parent-child relationships.

*Livres de France* Europe Comics

Society has celebrated children even as it has denied fundamental rights and dignity to millions of them. Mass movements and social awareness against injustices like child labour, lack of access to health and education, child sexual abuse and trafficking have been catalysed by reformers like Nobel Peace Laureate Kailash Satyarthi. As a result of his untiring efforts, child labour is now universally considered to be a social evil that has to be abolished. Equally important, societies and governments across the world have accepted that access to quality education is the fundamental right of every child. Even as he has fought for justice and dignity for children, Mr. Satyarthi has found time to provoke, inspire and illuminate young minds by writing about children, their dreams and the power of their humanity. This book is a compilation of columns and interviews which highlight the continuing struggle to create safe childhoods. Readers will find much to introspect after going through this collection.

*Film And Television In Education* Harper Collins

"Bearskin" takes us on a trip to modern day Italy and then all the way to the United States of the late 1930s. Every day, Amadeo bikes up the hill from his small hometown on a beautiful island off the coast of Italy to read the daily horoscope to Don Palermo. Little does he know that this blind and powerless old man with a cane in his hand used to be a bear tamer, not to mention his later shenanigans as the right-hand man of a powerful mafia boss. A highly moving story of love, vengeance and cowardice.

*The Client* Le Lombard

Ulysses, a middle-aged widower, is forced into early retirement from his moving job. At a loss for what to do next, the course of his life is changed by a chance encounter with a fellow lonely soul at, of all places, his son's OB/GYN office. Mediterraneana, who recently lost her mother, runs a cheese shop that she took over when her beloved Corsican father died years earlier. A romance blossoms between these two people who are supposedly in the "autumn" of their lives and they soon find themselves embarking on a most unexpected odyssey.

*Marsupilami: The Beast - Part 1* 9th Cinebook

En bon cancre, Ducobu n'en aime pas moins la langue française et ses figures de style quand elles lui permettent de parvenir à ses fins. Pour rendre chèvre l'institut Latouche, il n'hésite pas à faire montre d'un sens de la dialectique propre à en décourager plus d'un. Et quand il est question de changer la sacrosainte dictée de « La cueillette aux champignons » pour la remplacer par une pièce inédite rédigée par Léonie Gratin, il se montre le plus fervent défenseur des allitérations. Ducobu, un tricheur ? Ne serait-ce pas un pléonasme ?

*Blossoms in Autumn* Le Lombard

Nicholas on Holiday is part of the acclaimed series of classic and much-loved stories about the endearing exploits of the cheeky French schoolboy, Nicholas. All the stories in this volume take place by the sea, during the summer holidays. There are eventful fishing trips, treasure hunts in the middle of the night and a whole new gang of friends with whom Nicholas can get into trouble.

**Ducoboo - Volume 1 - King of the Dunces** Europe Comics

We're right in the middle of World War I, deep in the trenches. The soldiers are confronted by unimaginable suffering and violent death on a daily basis. Considered as nothing more than cannon fodder by their superiors, they try desperately to survive. Partly as an act of defiance in the face of hardship, partly as the ultimate irony, the soldiers nickname their regiment after the famous Parisian cabaret club 'Folies Bergère'. They laugh and joke, they write, they draw, they fight, they die in appalling circumstances, they kill themselves, they lose their minds. And then one of their number is sentenced to death by firing squad... and miraculously survives...

*Glorious Summers 1. Southbound!* Europe Comics

C'est la rentrée scolaire pour tout le monde. Pour Léonie, c'est le moment de rattraper le temps d'apprendre perdu pendant les vacances. Pour Ducobu, c'est l'occasion enfin revenue de se marrer avec les copains et de tester l'efficacité de nouvelles techniques de triche. Au grand désespoir de son instit M. Latouche, l'élève Ducobu additionne les 10/10 ! Ceux des arrivées en retard, des excuses tirées par les cheveux, des chahuts et des jeux de mots stupides. Ah, s'il n'y avait pas ces foutues règles de grammaire compliquées à souhait et ces stupides tables de multiplication qui vous sapent l'envie d'étudier ! Avec la rentrée, les dures réalités de la vie quotidienne à l'école ont repris le dessus et Ducobu doit se faire à l'idée qu'il lui faudra encore et toujours redoubler d'astuces et de débrouillardise pour échapper à humiliation du bonnet d'âne et aux punitions. Même si c'est toujours un plaisir de retrouver Néness et Rotule au coin...  
*Lydie Simon and Schuster*

Kathy and Irmanius have infiltrated the alien base in Namibia, but they are spotted and forced to flee. Sir Charles, worried, has received the unexpected support of Winston Churchill. Soon, between Sir Winston's international connections and the assistance of Kathy's friends from outer space, a secret, global alliance is put together. When the young British agent finally resurfaces, everything is set for a massive operation. It's time for the people of Earth to go on the offensive!

*The Class Struggle* Europe Comics

Tocqueville and Democracy in the Internet Age is an introduction to Alexis de Tocqueville (1805-1859) and his monumental two-volume study Democracy in America (1835, 1840) that pays particular attention to the critical conversation around Tocqueville and contemporary democracy. It attempts to help us think better about democracy, and also perhaps to live better, in the Internet Age. This work was published by Saint Philip Street Press pursuant to a Creative Commons license permitting commercial use. All rights not granted by the work's license are retained by the author or authors.

*L'Elève Ducobu - Tome 23 - Profession: tricheur!* Cinebook

Dans ce nouvel album, Ducobu donne le meilleur de lui-même pour conserver le titre d'Empereur des tricheurs et faire contre mauvaise fortune bons points. S'il ne sait toujours pas combien font 6 x 7, il ne manque pas d'intelligence ni d'un sens personnel et aiguisé de la rhétorique pour déstabiliser ce bon vieux Latouche qui en perdrait presque son latin, Latouche qui semble d'autant plus troublé du fait de la présence à Saint-Potache de sa fragile collègue Mademoiselle Rateau.

*Tocqueville and Democracy in the Internet Age* les écrivains de Fondcombe

Published in conjunction with exhibitions at the Maison Europeene de la Photographie in Paris and La Tabacalera in Madrid, this book includes a wide selection of previously unpublished urban landscapes, abstract still lifes, and portraits by Spanish photographer Albeto García-Alix (born 1956).

*Virus* 9th Cinebook

What would a class be without a dunce? A bit like a curry without

spice - and Ducoboo sure does spice up his classmates' days! For him, schooltime is one long recess. Of course, there's always Leonie, the terribly gifted girl who will not put up with Ducoboo's messing about and who doesn't believe in sharing knowledge. Then there's the teacher, whose index finger turns out to be more threatening than ever... For some, school time is the most dangerous time of all!

**The Whale Library** Europe Comics

Reveals the story of Big Johnson Bone, the discoverer of the Rolling Bone River and the founder of Boneville.

*The Folies Bergère* Le Lombard

"This primer on feminism and media literacy teaches young readers why it matters. The League of Super Feminists is an energetic and fierce comic for tweens and younger teens. Cartoonist Mirion Malle guides readers through some of the central tenets of feminism and media literacy including consent, intersectionality, privilege, body image, inclusivity and more; all demystified in the form of a witty, down-to-earth dialogue that encourages questioning the stories we're told about identity. Malle's insightful and humorous comics transport lofty concepts from the ivory tower to the eternally safer space of open discussion. Making reference to the Bechdel test in film and Peggy McIntosh's dissection of white privilege through the metaphor of the "invisible knapsack," The League of Super Feminists is an asset to the classroom, library, and household alike. Knights and princesses present problems associated with consent; superheroes reveal problematic stereotypes associated with gender; and grumpy onlookers show just how insidious cat-calling culture can be. No matter how women dress, Malle

explains, there seems to always be someone ready to call it out. The League of Super Feminists articulates with both poise and clarity how unconscious biases and problematic thought processes can have tragic results. Why does feminism matter? Are feminists man-haters? How do race and feminism intersect? Malle answers these questions for young readers, in a comic that is as playful and hilarious as it is necessary."

*Ducoboo - Volume 2 - In the Corner!* 9th Cinebook

p.p1 {margin: 0.0px 0.0px 0.0px 0.0px; font: 12.0px Calibri} p.p2 {margin: 0.0px 0.0px 0.0px 0.0px; font: 12.0px Calibri; min-height: 14.0px} "Passionate, mysterious, funny, believable, moving, and chilling." - Kim Newman It's been 14 months since Emma G. Wildford's fiancé, Roald, left on an expedition to the Arctic. No one has heard from him since... Before he departed, he left Emma a letter, only to be opened in the event that he may not return. Refusing to believe that she may never see her beloved Roald again, Emma is determined to set off on her own expedition to rescue her lost love. "A truly unusual and haunting story that will catch in your heart and stay there." - Cassandra Parkin

Address Unknown les écrivains de Fondcombe

Ducoboo's life isn't easy. Being the king of dunces (while still managing to avoid wearing the 'crown' too often) takes work, dedication and an awful lot of imagination. It also takes a proper target: Leonie, the gifted girl who doesn't like to share her answers with His Majesty. It's a constant war of wits between these two, fought with wigs, cameras and magical pencil sharpeners under the disbelieving eye of the long-suffering teacher. And when school's over, the beach is the new battlefield!
