Following the global success of Godzilla and Kong: Skull Island comes the next chapter in Warner Bros. Pictures' and Legendary Pictures' cinematic Monsterverse, an epic action adventure that pits Godzilla against some of the most popular monsters in pop culture history. The new story follows the heroic efforts of the crypto-zoological agency Monarch as its members face

off against a battery of god-sized monsters, including the mighty Godzilla, who collides with Mothra, Rodan, and his ultimate nemesis, the three-headed King Ghidorah. When these ancient super-species-- thought to be mere myths-- rise again, they all vie for supremacy, leaving humanity's very existence hanging in the balance. The Art of Godzilla: King of the Monsters is an in-depth behind the

scenes look at the epic movie. Packed with concept art, on-set photography, and insight from key members of the production-- including director Michael Dougherty-- this beautiful book tells the story of how Godzilla, Mothra, Rodan, and King Ghidorah were brought to terrifying life. Godzilla Quercus Considered by many to be the most beautiful woman of her

generation, Sharon Tate remains a fascinating pop icon and a poster child for the 1960s. What most struck those who knew Sharon was her gentle nature and the sheer perfection of her face, but she was far more than just a beauty. The few films she made during her brief career, including Valley of the Dolls, Eye of the Devil, and The Fearless Vampire Killers, have taken on a cult status.

Over forty years since her last film, Sharon's spirit and charisma lives strong in the memories of those who knew her best, and her style continues to inspire the worlds of fashion, beauty, art, and film. Sharon Tate: Recollection is a one-of-a-kind celebration of Sharon's life and career, her influence as a fashion icon throughout the world, and in effect presents a sociological portrait of the

1960s—its youth culture, the sexual revolution, Hollywood's changing studio system, and the rise of independent cinema. In this dazzling photo book, Sharon Tate's story emerges through quotes and short essays—recollections—by her sister, Debra Tate, as well as by those who knew and who have been influenced by her. An all-star cast contributing memories and thoughts on Sharon

includes Jack Nicholson, Warren Beatty, Robert Evans, Mia Farrow, Raquel Welch, Hugh Hefner, Michelle Phillips, Patty Duke, Barbara Parkins, Jane Fonda, Drew Barrymore, and Kelly Osbourne. The book is filled with hundreds of rare and unpublished photos of Sharon Tate taken by the likes of Milton Greene, David Bailey, Terry O'Neill, Richard Avedon, Bert Stern, Norman Parkinson, Philippe

Halsman, John Engstead, and more. What emerges from these pages is a stunning tribute to an unforgettable life.
