## **KENT SHEPPARD**

*GCSE Chemistry* Pearson Education South Asia  
Written to support the AQA GCSE Chemistry and AQA GCSE Science and Additional Science textbooks this book contains the answers to all the questions in the book, including: - Test yourself questions - Homework questions - Exam questions

### **Gcse Double Science Chemistry Workbook**

Pearson Longman  
This fully revised edition is in line with the revised 2002 National Curriculum requirements and focuses on quantitative chemistry in science. Written to match all major GCSE specifications the text covers all types of numerical questions from first principles. For each topic, a concise treatment of the underlying theory is followed by problems grouped into three sections of increasing difficulty. Calculations based on round number molar masses are included to enable students to concentrate on the chemical basis of the problems rather than arithmetical manipulation.
