Solo Guitar Playing Alfred Music Publishing

“This volume, by Biblical scholar Yochi Brandes, is a riveting novel based on textual sources about the experiences of David and Solomon. Its lessons are also relevant for our turbulent time.” —Elie Wiesel, #1 New York Times and internationally bestselling author of Night In the tradition of The Red Tent from internationally bestselling author Yochi Brandes comes the stories of the struggles of King David and King Saul in the early days of the Kingdom of Israel, seen through the eyes of Michal, Saul’s daughter and David’s abandoned queen Stories are deadlier than swords. Swords kill only those who stand before them, stories decide who will live and die in generations to come. Shelomoam, a young man from the tribe of Ephraim, has grown up in the shadow of dark secrets. He wonders why his father is deathly afraid of the King’s soldiers and why his mother has lied about the identities of those closest to him. Shelomoam is determined to unearth his mysterious past, never imagining where his quest will ultimately lead him. The Secret Book of Kings upends conventions of biblical novels, engaging with the canonized stories of the founding of the Kingdom of Israel and turning them on their heads. Presented for the first time are the heretofore unknown stories of the House of Saul and of the northern Kingdom of Israel, stories that were artfully

concealed by the House of David and the scribes of the southern Kingdom of Judah. Yochi Brandes, one of Israel’s all-time bestselling novelists, enlists her unique background in both academic Jewish scholarship and traditional religious commentaries to read the Bible in an utterly new way. In this book, a major publishing phenomenon in Israel and one of the bestselling novels in the history of the country, she uncovers vibrant characters, especially women, buried deep within the scriptures, and asks the loaded question: to what extent can we really know our past when history is written by the victors?

How to Play Guitar For Dummies

"An essential resource for every beginning guitar student. This modern instructional method is designed for individual study or a classroom environment. Guitar technique and reading skills are developed through two-, three-, and four-part ensemble arrangements of both traditional and newly-composed music. To round out your training there is also an introduction to chord playing. 'Berklee Basic Guitar' is THE way to learn guitar. Guitar players quickly advance with the essential tools provided here." -- page 4 of cover.

Guitar for the Absolute Beginner Hal Leonard Publishing Corporation

A dark and incisive collection of speculative short stories set in an alternate future of interstellar space travel, robots, mythical creatures, and the uncanny. "Newland's second venture into science fictional territories is a rich, diverse collection of short stories." —The Guardian "Newland easily engages readers with complex worldbuilding, well-shaded characters, and stories as entertaining as they are meaningful. It's no small feat to so immediately and repeatedly appeal to readers' hearts and minds, and Newland's mastery of short-format storytelling is sure to impress. Speculative fiction fans won't be able to put this down." —Publishers Weekly, Starred Review In his exquisite first collection of speculative fiction, Courttia Newland envisages an alternate future as lived by the African diaspora. Kill parties roam the streets of a post-apocalyptic world; a matriarchal race of mer creatures depends on interbreeding with mortals to survive; mysterious seeds appear in cities across the world, growing into the likeness of people in their vicinity. Through transfigured bodies and impossible encounters, Newland brings a sharp, fresh eye to age-old themes of the human capacity for greed, ambition, and self-destruction, but ultimately of our strength and resilience.

Learn to Play the Guitar Hal Leonard

She's about to make a deal with the college bad boy... Hannah Wells has finally found someone who turns her on. But while she might be confident in every other area of her life, she's carting around a full set of baggage when it comes to sex and seduction. If she wants to get her crush's attention, she'll have to step out of her comfort zone and make him take notice...even if it means tutoring the annoying, childish, cocky captain of the hockey team in exchange for a pretend date. ...and it's going to be oh so good All Garrett Graham has ever wanted is to play professional hockey after graduation, but his plummeting GPA is threatening everything he's worked so hard for. If helping a sarcastic brunette make another guy jealous will help him secure his position on the team, he's all for it. But when one unexpected kiss leads to the wildest sex of both their lives, it doesn't take long for Garrett to realize that pretend isn't going to cut it. Now he just has to convince Hannah that the man she wants looks a lot like him.

The Beginner Lead Guitar Method Hal Leonard Corporation

Beginning pianists of all ages will cherish this excellent compilation, which features multiple pieces by many of the greatest composers — Bach, Beethoven, Brahms, Chopin, Liszt, and others.

Cosmogramma Macmillan Reference USA

Empires of Knowledge charts the emergence of different kinds of scientific networks – local and long-distance, informal and institutional, religious and secular – as one of the important phenomena of the early modern world. It seeks to answer questions about what role these networks played in making knowledge, how information traveled, how it was transformed by travel, and who the brokers of this world were. Bringing together an international group of historians of science and medicine, this book looks at the changing relationship between knowledge and community in the early modern period through case studies connecting Europe, Asia, the Ottoman Empire, and the Americas. It explores a landscape of understanding (and misunderstanding) nature through examinations of well-known intelligencers such as overseas missions, trading companies, and empires while incorporating more recent scholarship on the many less prominent go-betweens, such as translators and local experts, which made these networks of knowledge vibrant and truly global institutions. Empires of Knowledge is the perfect introduction to the global history of early modern science and medicine.

Andy Guitar Beginner's Guitar Course Music Sales

This study shows rock and folk guitarist's how to make the most useful jazz chords and jazz progressions in the easiest way possible without reading music.

Empires of Knowledge Music Sales

Let's face it – in the music world, guitars set the standard for cool. Since the 1950s, many of the greatest performers in rock 'n' roll, blues, and country have played the guitar. Playing electric

guitar can put you out in front of a band, where you're free to roam, sing, and make eye contact with your adoring fans. Playing acoustic guitar can make you the star of the vacation campfire sing-along or allow you to serenade that special someone. And playing any kind of guitar can bring out the music in your soul and become a valued lifetime hobby. Guitar For Dummies delivers everything the beginning to intermediate guitarist needs. The information has been carefully crafted so that you can find exactly what you want to know about the guitar. This clearly written guide is for anyone who wants to know how to Strum basic chords and simple melodies Expand your range with advanced techniques Play melodies without reading music Choose the right guitar Tune, change strings, and make simple repairs Figure out how to play anything from simple chord progressions to smokin' blues licks. Guitar For Dummies also covers the following topics and more: Hand position and posture Basic major and minor chords Adding spice with basic 7th chords and barre chords Playing melodies in position and in double-stops Different styles including rock, blues, folk, and classical Buying a guitar and accessories Taking care of your guitar Guitar For Dummies also contains a play-along audio CD that contains all 97 songs and exercises from the book. Whether you're contemplating a career as a heavy metal superstar or you just want to strum a few folk songs for your friends, this friendly book-and-CD package makes it easy to pick up the guitar and start playing. Note: CD-ROM/DVD and other supplementary materials are not included as part of eBook file.
