 Quick Reference General Knowledge is a thoroughly researched, exam oriented text, which will help students to master general knowledge from a variety of fields. This book will prepare students for numerous competitive examinations. The book covers various topics such as history, geography, Indian polity, Indian economy, general science and general knowledge, presenting concise and clear explanations for the students. This book will be useful for SSC, Banking, UPSC, NDA, CDS and other examinations.  
*PRACTICAL HYPNOTISM (Hindi)* Watkins Publishing  
 The business leadership coaching classic, revised and updated for today's workplace. The world of leadership has changed dramatically since 100 Ways to Motivate Others was written, and now Chandler and Richardson have revised and refreshed their organizational classic to meet the times. They have crafted a vital, user-friendly, inspirational guide for executives, managers, and professionals . . . and those aspiring to reach their level. 100 Ways to Motivate Others is based on years of successful live workshops, seminars, and personal coaching programs on communication and leadership. This new edition includes fresh insights into communication and rapid decision-making, the importance of personal self-leadership and physical energy, and exciting new methods for enrolling clients and selling to customers in service-oriented ways that leave behind the old paradigm of manipulation and persuasion. The authors will help you learn: How to slow down and enjoy a new level of focus. How to build on your peoples' strengths. A simple and creative way to hold people accountable. How to enjoy cultivating the art of supportive confrontation. "Steve Chandler's coaching has had a tremendous impact in my life. He was vital to my personal transformation from a man of ideas and dreams to a person of action and reality." —Radames Soto, former managing director, The Wall Street Journal "Steve Chandler lights you up with the glow of his internal neon . . . what he proposes is so rock solid and reassuring." —Lisa Schnebly, The Arizona Republic  
**The Kama Sutra of Vatsayana** Penguin  
 The study of technical treatises in Indian art has increasingly attracted much interest. This work puts forward a critical re-examination of the key Indian concepts of painting described in the Sanskrit treatises, called citrasutras. In an in-depth and systematic analysis of the texts on the theory of Indian painting, it critically examines the different ways in which the texts have been interpreted and used in the study of Indian painting, and

suggests a new approach to reading and understanding their concepts. Contrary to previous publications on the subject, it is argued that the intended use of such texts as a standard of critique largely failed due to a fundamental misconceptualization of the significance of 'text' for Indian painters. Isabella Nardi offers an original approach to research in this field by drawing on the experiences of painters, who are considered as a valid source of knowledge for our understanding of the citrasutras, and provides a new conceptual framework for understanding the interlinkages between textual sources and the practice of Indian painting. Filling a significant gap in Indian scholarship, Nardi's study will appeal to those studying Indian painting and Indian art in general.

*An English Translation of the Sushruta Samhita Based on Original Sanskrit Text* Createspace Independent Publishing Platform  
 Ancient classical Sanskrit treatise on love and sex; text with English translation and notes.

 Unhooked from regular routines and healthy relationships by the coronavirus pandemic or other traumas, even our most basic human impulses and inputs can become addictive and destructive. An essential resource for those struggling with sexual addiction and compulsions, and those who love them. With the revised information and up-to-date research, *Out of the Shadows* is the premier work on sex addiction, written by a pioneer in its treatment. Sex is at the core of our identities. And when it becomes a compulsion, it can unravel our lives. *Out of the Shadows* is the premier work on this disorder, written by a pioneer in its treatment. Revised and updated to include the latest research--and to address the exploding phenomenon of cybersex addiction--this third edition identifies the danger signs, explains the dynamics, and describes the consequences of sexual addiction and dependency. With practical wisdom and spiritual clarity, it points the way out of the shadows of sexual compulsion and back into the light and fullness of life.

Against Dharma Unicorn

The Kama Sutra The Standard Work on Human Sexual Behavior By Vatsyayana Translated from the Sanscrit In Seven Parts, with Preface, Introduction and Concluding Remarks. New Edition The Kama Sutra is an ancient Indian Hindu text widely considered to be the standard work on human sexual behavior in Sanskrit literature written by Vaatsyayana. A portion of the work consists of practical advice on sexual intercourse. It is largely in prose, with many inserted anustubh poetry verses. "Kama" which is one of the four goals of Hindu life, means desire including sexual desire the latter being the subject of the textbook, and "sutra" literally means a thread or line that holds things together, and more metaphorically refers to an aphorism (or line, rule, formula), or a collection of such aphorisms in the form of a manual. Contrary to popular perception, especially in the western world, Kama sutra is not exclusively a sex manual; it presents itself as a guide to a virtuous and gracious living that discusses the nature of love, family life and other aspects pertaining to pleasure oriented faculties of human life. The Kama Sutra is the oldest and most notable of a group of texts known generically as Kama Shastra (Sanskrit: Kama Sastra). Historians attribute Kamasutra to be composed between 400 BCE and 200 CE. John Keay says that

the Kama Sutra is a compendium that was collected into its present form in the 2nd century CE.

**Sex Ke Rang Raaz Evam Rehesya** Center Street

This is the first book to examine the same-sex weddings and same-sex couple suicides reported in India over the last two decades. Ruth Vanita examines these cases in the context of a wide variety of same-sex unions, from Fourteenth-century narratives about co-wives who miraculously produce a child together, to Nineteenth-century depictions of ritualized unions between women, to marriages between gay men and lesbians arranged over the internet. Examining the changing legal, literary, religious and social Indian and Euro-American traditions within which same-sex unions are embedded, she brings a fresh perspective to the gay marriage debate, suggesting that same-sex marriage dwells not at the margins but at the heart of culture. Love's Rites by Ruth Vanita is a finalist for a Lambda Literary Award.

Quick Reference General Knowledge Franklin Classics

We have tried to present an overview of one-hundred-year-old movie history (all over the world), which has both positive and negative aspects for the creator and the viewer. This is especially true of the three leading commercial centers Bollywood (Bombay Hindi movies), Hollywood (USA), and Japan. Images moved in 1892 and started talking in 1923 in The Jazz Singer (Hollywood). It has remarkable achievements both on epic and offbeat levels. They cast a hypnotic spell and emotional bonding of the viewers with the star performers and singers. The identification with the character and their predicament is the magnetism, which is unparalleled compared to other arts like literature, painting, music, etc. Movies combine all the three major art forms besides the charisma of the stars. But it has its flip side also, like the dark space between stars littered with broken hearts and lives and the questionable impact of the crass, commercial movie with an eye on profit at any cost. However, we can make it more powerful and positive. The book is an exciting romp through the stellar world of movies and their creators.

For the Tantriks and the normal readers both, this book is a descriptive text containing simple and ununderstandable descriptions of the various "e;tantrik kriyas"e;.

Book University Journal Pearson Education India

This book is a complete study of practical hypnotism. It seeks to explain the science of hypnotism in a simple, straightforward and unambiguous language. The book makes an integral study of the acclaimed ideas and theories of the East. The western thinkers have heavily drawn upon the valuable contemplations of the Indian seers of yore. Having achieved a fine blending of the two strains of scholarship, the book has become a very reliable guide for all types of readership. Dr Shrimali is a widely acknowledged author and his expertise in these fields is beyond any doubt. The readers can immensely benefit from his wide experiences and deep insights. This study is not just academic, but it is equally relevant to all interested sections. The book is enriched with rare discussion of the Indian sadhans and siddhis. In many ways, it brings out the metaphysical findings of ancient Indian seers, and mendicants with firm authority. The study motivates scholars, young and old, to delve deeper into this science for greater accomplishments in life.

How Successful People Think V&S Publishers

"Spix's Macaw tells the story of a unique band of brilliant blue birds - who talk, fall in love, and grieve - struggling against extinction. By the second half of the twentieth century the birds had become more valuable than heroin, worth thousands of dollars on the black market. In 1990, only one was found to be living in the wild and an emergency international rescue operation was launched, calling on private collectors to come forward with their birds to mate with the last wild Spix's." "In a breathtaking display of stoicism and endurance, the loneliest bird in the world had lived without a mate for fourteen years, outwitting predators and poachers. Would he take to a new companion? Like humans, Spix's Macaws can't be forced to love, but the stakes were as high as they could be: the survival of one of the world's most beautiful birds."--BOOK JACKET.
