## CYNTHIA DARION

*Director's Notebook* Time Home Entertainment

Comprehensive and beautifully designed, *Grease: The Director's Notebook* also includes all new exclusive interviews with the key cast members and crew, including Olivia Newton-John, John Travolta, and Stockard Channing, original script pages, call sheets, conceptual images, and more. *Grease* is the word . . . Released more than four decades ago, the film version of *Grease* is one of the highest-grossing musicals of all time and a bona fide global sensation with legions of devoted fans across generations. For the first time ever, the film's director, Randal Kleiser, looks back at the making of this legendary cultural landmark. Created in conjunction with Paramount Pictures and authorized by Jim Jacobs and Warren Casey (via his Estate), the creators of the original musical stage play, *Grease: The Director's Notebook* features rare and never-before-seen imagery from the studio's archives, as well as Kleiser's production notes, dialogue changes, and more. The book's heart is Kleiser's own heavily annotated shooting script, along with his storyboards and sketches—including lines from the play that were added to the film's script. *Grease: The Director's Notebook* is a fitting tribute to this revered international phenomenon and the one book the movie's adoring fans will want. From the creator of the popular website *Ask a Manager* and New York's work-advice columnist comes a witty, practical guide to 200 difficult professional conversations—featuring all-new advice! There's a reason Alison Green has been called "the Dear Abby of the work world." Ten years as a workplace-advice columnist have taught her that people avoid awkward conversations in the office because they simply don't know what to say. Thankfully, Green does—and in this incredibly helpful book, she tackles the tough discussions you may need to have during your career. You'll learn

what to say when • coworkers push their work on you—then take credit for it • you accidentally trash-talk someone in an email then hit "reply all" • you're being micromanaged—or not being managed at all • you catch a colleague in a lie • your boss seems unhappy with your work • your cubemate's loud speakerphone is making you homicidal • you got drunk at the holiday party Praise for *Ask a Manager* "A must-read for anyone who works . . . [Alison Green's] advice boils down to the idea that you should be professional (even when others are not) and that communicating in a straightforward manner with candor and kindness will get you far, no matter where you work."—Booklist (starred review) "The author's friendly, warm, no-nonsense writing is a pleasure to read, and her advice can be widely applied to relationships in all areas of readers' lives. Ideal for anyone new to the job market or new to management, or anyone hoping to improve their work experience."—Library Journal (starred review) "I am a huge fan of Alison Green's *Ask a Manager* column. This book is even better. It teaches us how to deal with many of the most vexing big and little problems in our workplaces—and to do so with grace, confidence, and a sense of humor."—Robert Sutton, Stanford professor and author of *The No Asshole Rule* and *The Asshole Survival Guide* "Ask a Manager is the ultimate playbook for navigating the traditional workforce in a diplomatic but firm way."—Erin Lowry, author of *Broke Millennial: Stop Scraping By and Get Your Financial Life Together* *Grease* Krishnamurti Foundation Trust Ltd. *Directors Notebook Lined Log Book For Movie Lover And Director: Filmmaker Journal Director Chair Gift You love filming and making movies? ### Ask a Manager Penguin

On Hammons' seminal series that ingeniously merged print and performance, celebration and critique The first book dedicated to these pivotal early works on paper, David Hammons: *Body Prints, 1968-1979* brings together the monoprints and collages in which the artist used the body as both a drawing tool and printing plate to explore performative, unconventional forms of image making. Hammons created the body prints by greasing his own body--or that of another person--with substances including margarine and baby oil, pressing or rolling body parts against paper, and sprinkling the surface with charcoal and powdered pigment. The resulting impressions are intimately direct indexes of faces, skin, and hair that exist somewhere between spectral portraits and physical traces. Hammons' body prints represent the origin of his artistic language, one that has developed over a long and continuing career and that emphasizes both the artifacts and subjects of contemporary Black life in the United States. More than a half century after they were made, these early works on paper exemplify Hammons' celebration of the sacredness of objects touched or made by the Black body, and his biting critique of racial oppression. The 32 body prints highlighted in this volume introduce the major themes of a 50-year career that has become central to the history of postwar American art. The book features a conversation between curator and activist Linda Goode Bryant and artist Senga Nengudi, as well as a photo essay by photographer Bruce W. Talamon, who documented Hammons at work in his Los Angeles studio in 1974. Born in 1943 in Springfield, Illinois, David Hammons moved to Los Angeles in 1963 at the age of 20 and began making his body prints several

years later. He studied at Otis Art Institute with Charles White and became part of a younger generation of Black avant-garde artists loosely associated with the Black Arts Movement. He moved to New York in 1978.

#### Grease HarperCollins

Scores of talented and dedicated people serve the forensic science community, performing vitally important work. However, they are often constrained by lack of adequate resources, sound policies, and national support. It is clear that change and advancements, both systematic and scientific, are needed in a number of forensic science disciplines to ensure the reliability of work, establish enforceable standards, and promote best practices with consistent application. Strengthening Forensic Science in the United States: A Path Forward provides a detailed plan for addressing these needs and suggests the creation of a new government entity, the National Institute of Forensic Science, to establish and enforce standards within the forensic science community. The benefits of improving and regulating the forensic science disciplines are clear: assisting law enforcement officials, enhancing homeland security, and reducing the risk of wrongful conviction and exoneration. Strengthening Forensic Science in the United States gives a full account of what is needed to advance the forensic science disciplines, including upgrading of systems and organizational structures, better training, widespread adoption of uniform and enforceable best practices, and mandatory certification and accreditation programs. While this book provides an essential call-to-action for congress and policy makers, it also serves as a vital tool for law enforcement agencies, criminal prosecutors and attorneys, and forensic science educators.

#### Runaways Createspace Independent Publishing Platform

A status-obsessed senior unexpectedly falls for a freshman because of his Danny Zuko audition in their high school's production of Grease in this outrageously funny epistolary novel set in 1991. "Matt Boren brilliantly captures the voices of students way back in 1992 with humor and wit and a unique ability to shift from freshman to senior, boy to girl, cheerleader to theater geek. In this hilarious novel, Boren adeptly proves that the more things change, the more things stay the same." --Kelly Ripa The folded notes collected for this book represent correspondence surrounding one Tara Maureen Murphy, senior at South High c. 1991-1992. It's 1991, and Tara Maureen Murphy is finally on top. A frightening cross between Regina George and Tracy Flick, Tara Maureen Murphy is any high school's worst nightmare, bringing single-minded ambition, narcissism, manipulation, and jealousy to new extremes in this outrageous, satirical twist on the coming-of-age novel. She's got a hot jock boyfriend in Christopher Patrick Caparelli, her best friend Stef Campbell by her side, and she's a SENIOR, poised to star as Sandy in South High's production of Grease. Clinching the role is just one teensy step in Tara's plot to get out of her hometown and become the Broadway starlet she was born to be. She's grasping distance from the finish line--graduation and college are right around the corner--but she has to remain vigilant. "This dumb town, as we know, can be a very tricky place." --Tara Maureen Murphy It gets trickier with the arrival of freshman Matthew Bloom, whose dazzling audition for the role of Danny Zuko turns Tara's world upside down. Freshmen belong in the chorus, not the spotlight! But Tara's outrage is tinged with an unfamiliar emotion, at least to her: adoration. And what starts as a conniving ploy to "mentor" young Matt quickly turns into a romantic obsession that threatens to topple Tara's hard-won status at South High...

#### *The World Book Encyclopedia* Catapult

Francis Glebas, a top Disney storyboard artist, shows how to

reach the ultimate goal of animation and moviemaking by showing how to provide audiences with an emotionally satisfying experience. Directing the Story offers a structural approach to clearly and dramatically presenting visual stories. With Francis' help you'll discover the professional storytelling techniques which have swept away generations of movie goers and kept them coming back for more. You'll also learn to spot potential problems before they cost you time or money and offers creative solutions to solve them. Best of all, it practices what it preaches, using a graphic novel format to demonstrate the professional visual storytelling techniques you need to know.

#### Foreign Devil Vintage

For many decades, film director Randal Kleiser (Grease, The Blue Lagoon, White Fang) has been drawing sketches of other fellow directors using a technique called blind contour drawing, where you trace the lines of the subject with your eye and simultaneously draw with a pen on the paper without looking down. The difficulty was that the subjects moved or changed positions in mid-sketch and many of the attempts were thrown away. This is a collection of the ones that worked. Drawing Directors pays tribute to many of the best film directors of recent decades. The author recounts their professional career and reveals anecdotes about them and his personal opinion about their work.

#### **Directing Theater 101** Abrams

"Zaharieva packs several genres into one, including but not limited to pastoral idyll, sexual coming-of-age story, and feminist memoir. Ultimately, she presents life in all its messiness and possibility, vivid enough for the reader to almost taste."—Publishers Weekly "This is powerful, controlled writing."—Rain Taxi I turned up in the seaside town of Nesebar—an inconvenient four-year-old grandchild, just as my grandmother was raising the last two of her six children, putting the finishing touches on the house, ordering the workmen around and doing some of the construction work herself—thank God for that, because at least it used up some of her monstrous energy. Otherwise who knows what would've become of me. In Bulgaria during the height of communism in the 1960s, six-year-old Manda survives her cruel grandmother and rural poverty by finding sheer delight in the world—plump vegetables, garden gnomes, and darkened attic corners. The young Manda endures

severe beatings, seemingly indestructible. But as a middle-aged artist in newly democratic Bulgaria, she desperately tries to feed her damaged soul with intrepid creativity and humor.

*Because I'm The Director That's Why* Taylor & Francis

"Foreign Devil" is a "Red Azalea" with more guts, grit, heart, and soul.

### **Ladies' Book of Etiquette, and Manual of Politéness**

HarperChristian Resources

Do unto others as you would others should do to you. You can never be rude if you bear the rule always in mind, for what lady likes to be treated rudely? True Christian politeness will always be the result of an unselfish regard for the feelings of others, and though you may err in the ceremonious points of etiquette, you will never be im polite. Politeness, founded upon such a rule, becomes the expression, in graceful manner, of social virtues. The spirit of politeness consists in a certain attention to forms and ceremonies, which are meant both to please others and ourselves, and to make others pleased with us ;a still clearer definition may be given by saying that politeness is goodness of heart put into daily practice; the.re can be no true, politeness without kindness, purity, singleness of heart, and sensibility. Many believe that politeness is but a mask worn in the world to conceal bad passions and impulses, and to make a show of possessing virtues not really existing in the heart; thus, that politeness is merely hypocrisy and dissimulation. Do not believe this; be certain that those who profess such a doctrine are practising themselves the deceit they condemn so much.

### **Brightly Burning** Grand Central Publishing

A trio of friends from New York City find themselves trapped inside a mechanical board game that they must dismantle in order to save themselves and generations of other children in this action-packed debut that's a steampunk Jumanji with a Middle Eastern flair. Nothing can prepare you for *The Gauntlet*... It didn't look dangerous, exactly. When twelve-year-old Farah first laid eyes on the old-fashioned board game, she thought it looked...elegant. It is made of wood, etched with exquisite images—a palace with domes and turrets, lattice-work windows that cast eerie shadows, a large spider—and at the very center of its cover, in broad letters, is written: *The Gauntlet of Blood and Sand*. *The Gauntlet* is more than a game, though. It is the most ancient, the most dangerous kind of magic. It holds worlds inside

worlds. And it takes players as prisoners.

### **All of Me** Samuel French, Inc.

What are the practical and creative elements for becoming a director? How do you get started? What is the best way for actors, designers, and crew to work with directors? This guide provides regional theater companies and new directors with the knowledge and tools they need to produce successful shows. Drawing on years of experience directing and producing plays, Wilma Marcus Chandler covers such topics as: \* How to read and analyze a script and really understand it \* How to visualize your show \* How to get started, researching and thinking about concept, music, lights, sound, costumes \* How to hold auditions \* How to talk to your case and crew--and how to listen \* How to stage a play, using blocking, body movement, stage business, exits and entrances \* How to prepare a production, including rehearsal techniques, time lines, budgets, royalties, publicity \* How to prepare a career in directing

### **Grease** Simon and Schuster

"One of the most anticipated YA debuts of 2018, *Brightly Burning* is a gothic, romantic mystery with hints of *Jane Eyre*, *Marissa Meyer*, and *Kiera Cass*." —*Entertainment Weekly* "*Brightly Burning* delivers a brooding gothic mystery and a swoony romance, all set in space. Donne's atmospheric, twisty update of a cherished classic will keep you up late into the night!" —*Elly*

Blake, NYT bestselling author of the Frostblood Saga Stella Ainsley leaves poverty behind when she quits her engineering job aboard the Stalwart to become a governess on a private ship. On the Rochester, there's no water ration, more books than one person could devour in a lifetime, and an AI who seems more friend than

robot. But no one warned Stella that the ship seems to be haunted, nor that it may be involved in a conspiracy that could topple the entire interstellar fleet. Surrounded by mysteries, Stella finds her equal in the brooding but kind nineteen-year-old Captain Hugo. When several attempts on his life spark more questions than answers, and the beautiful Bianca Ingram appears

at Hugo's request, his unpredictable behavior causes Stella's suspicions to mount. Without knowing who to trust, Stella must decide whether to follow her head or her heart. Alexa Donne's lush and enthralling reimagining of the classic Jane Eyre, set among the stars, will seduce and beguile you.
