OSCAR CABRERA

The Story of the Olympics TriQuarterly Books
 Laugh out loud with this wonderfully funny and charming picture book story about frogs coming together from around the world to participate in and celebrate their 'Frog Olympics'. The rhyming text is brilliant to read out loud at home or in the classroom. Great for discussion starters about the Olympics and to talk about inclusion and how people, or frogs, of every size and ability can take part in the Olympics. Humorously illustrated by Amy Husband, the frogs will really leap off the page.
[Agent to the Stars](#) Liap Media Corporation
 I wasn't The Dog that looks like its Owner and Most Fabulous Fella was some other male. But there was one class where I came in first - I'm The Dog with the Waggiest Tail. From huskies, born to run, to those big bad bruisers, the security dogs. Meet Bruno, the smallest dog on the farm, and Charlie, the dancing chihuahua. Find rescue dogs, helping dogs, yappy dogs, happy dogs - and the dog with the waggiest tail! All written from the dogs' point of view, by internationally acclaimed poets Brian Moses and Roger Stevens, this funny and perceptive canine collection will be treasured by dog-lovers of all ages.

 Building on A People's History of the United States, this radical world history captures the broad sweep of human history from the perspective of struggling classes. An "indispensable volume" on class and capitalism throughout the ages—for readers reckoning with the history they were taught and history as it truly was (Howard Zinn) From the earliest human societies to the Holy Roman Empire, from the Middle Ages to the Enlightenment, from the Industrial Revolution to the end of the twentieth century, Chris Harman provides a brilliant and comprehensive history of the human race. Eschewing the standard accounts of "Great Men," of dates and kings, Harman offers a groundbreaking counter-history, a breathtaking sweep across the centuries in the tradition of "history from below." In a fiery narrative, he shows how ordinary men and women were involved in creating and changing society and how conflict between classes was often at the core of these developments. While many scholars see the victory of capitalism as now safely secured, Harman explains the rise and fall of societies and civilizations throughout the ages and demonstrates that history moves ever onward in every age. A vital corrective to traditional history, A People's History of the World is essential reading for anyone interested in how society has changed and developed and the possibilities for further radical progress.

The Puppet Show Of Memory Pan Macmillan
 Steve details his descent from bright star to burnout in this newly repackaged edition of the definitive, highly acclaimed novel from the creator of Veronica Mars and Party Down. Houston, sophomore year: Steve is on top of the world. He and his friends are the talk of the school. He's in love with a terrific girl. He can even deal with "the astronaut"—a world-famous hero who happens to be his father. San Diego, senior year: Steve is bummed out, drugged out, flunking out. A no-nonsense counselor says he can graduate if he writes a 100-page paper. So Steve starts writing, and as the paper becomes more and more personal, he reveals how a National Merit Scholar has become an under-achieving stoner. And in telling how he got to where he is, Steve discovers how to get to where he wants to be.

Sisu Hachette Children's
 Comprehensive student-friendly resources designed for teaching Cambridge International AS and A Level English Language (syllabus 9093). The core aim of this Coursebook is to help students to develop and apply the key skills they need to achieve in AS and A Level English Language. They will build the skills needed for assessment through frequent activities. Divided into two distinct parts for AS and A Level studies, the book covers a wide range of reading skills, such as understanding aspects of style, voice and tone. It also addresses the conventions of key kinds of writing and spoken language, from scripted speeches to travel articles, and looks at how they can capture these conventions in their own work.

[The Wine Bible](#) Macmillan Children's Books
 Traces the unlikely friendship of a wealthy Afghan youth and a servant's son in a tale that spans the final days of Afghanistan's monarchy through the atrocities of the present day.
[G is for Gold Medal](#) U of Nebraska Press
 The Macmillan Readers series are carefully graded from Starter to Upper Intermediate (A1-B2) to help students choose the right reading material for their ability. Our list of titles includes great stories from both contemporary and classic authors.

Speculum Nicholas Brealey
 From the first games held in ancient Greece to the cultural extravaganzas of recent years, there have been some incredible and amazing events and milestones in the world of Olympic sports. Now in G is for Gold Medal: An Olympics Alphabet, writer Brad Herzog showcases those athletes and events that not only set sports records but also impacted history and world views. Learn the meaning behind the five interlocking rings featured on the Olympic flag. Cheer on American Jim Thorpe as he won the pentathlon and decathlon at the 1912 Olympics in Stockholm, Sweden, only to lose his medals later. Read how the man dubbed as the "world's laziest high jumper" won the gold in 1968 and

later had a jump named after him. All these moments and more are brought to life in G is for Gold Medal. Brad Herzog has written travel and sports books for readers young and old. His books with Sleeping Bear include the best-selling H is for Home Run: A Baseball Alphabet. Brad lives on California's Monterey Peninsula. Doug Bowles has been a freelance illustrator for more than twenty years. His books for Sleeping Bear include One Kansas Farmer: A Kansas Number Book and S is for Sunflower: A Kansas Alphabet. Doug lives in Leawood, Kansas.

A House of Her Own William Morrow & Company
 It was into the famous Baring family of merchant bankers that Maurice Baring was born in 1874, the seventh of eight children. A man of immense subtlety and style, Baring absorbed every drop of culture his fortunate background gave him; in combination with his many natural talents and prolific writing this assured him a place in literary history.

[The Leaving](#) Wayland
 I write my diary in the toilet to get away from my troubles, like having to compete with Michael, the bully who's in the swim team with me, and falling out with my best friend, Alvin, over a girl! My diary goes wherever I go as there are those who want to read it. For I know secrets, like how to break my sister's curse and how babies are made...

Cambridge International AS and A Level English Language Coursebook Pan Macmillan
 From New York Times bestseller and Hugo Award-winner, John Scalzi, a gleeful mash-up of science fiction and Hollywood satire The space-faring Yherajk have come to Earth to meet us and to begin humanity's first interstellar friendship. There's just one problem: They're hideously ugly and they smell like rotting fish. So getting humanity's trust is a challenge. The Yherajk need someone who can help them close the deal. Enter Thomas Stein, who knows something about closing deals. He's one of Hollywood's hottest young agents. But although Stein may have just concluded the biggest deal of his career, it's quite another thing to negotiate for an entire alien race. To earn his percentage this time, he's going to need all the smarts, skills, and wits he can muster. [Liquid Modernity](#) Epigram Books
 In this new book, Bauman examines how we have moved away from a 'heavy' and 'solid', hardware-focused modernity to a 'light'

and 'liquid', software-based modernity. This passage, he argues, has brought profound change to all aspects of the human condition. The new remoteness and un-reachability of global systemic structure coupled with the unstructured and under-defined, fluid state of the immediate setting of life-politics and human togetherness, call for the rethinking of the concepts and cognitive frames used to narrate human individual experience and their joint history. This book is dedicated to this task. Bauman selects five of the basic concepts which have served to make sense of shared human life - emancipation, individuality, time/space, work and community - and traces their successive incarnations and changes of meaning. Liquid Modernity concludes the analysis undertaken in Bauman's two previous books Globalization: The Human Consequences and In Search of Politics. Together these volumes form a brilliant analysis of the changing conditions of social and political life by one of the most original thinkers writing today.

Olympic Poems Xlibris Corporation

Jonathan Moody grew up during the Golden Ages of hip-hop and listened to rap that was as adventurous and diverse as his military upbringing. When rap's Golden Ages expired, the music's innovativeness and variety diminished. Moody's second book, "Olympic Butter Gold," winner of the 2014 Cave Canem Northwestern University Press Poetry Prize, responds to Chuck D's claim that "if there was a HIP-HOP or Rap Olympics, I really don't think the United States would get Gold, Silver or Brass." From the poem "Opening Ceremony," in the voice of a heroin addict struggling to use Lady Liberty's torch to cook "The American Dream," to "Dear 2Pac," an autobiographical account of teaching Tupac Shakur's poetry to engage high school students indifferent to literature, Moody shares a worldview that is simultaneously apocalyptic and promising."

Why Otters Don't Wear Socks Running Press Adult

"A splendid jumble of short poems about a little bit of everything, from a mighty assortment of poets"--Cover [4].

Ancient Games Open Road Media

After you've cultivated the coziness of the Danes (hygge) and

achieved the Swedish way of moderation (lagom), then what's next? How about developing your Sisu--an "untranslatable" Finnish term referring to a mixture of courage, resilience, grit, tenacity, and perseverance. It's a trait that has shaped not just the fate of a nation but continues to be a guiding principle for how Finns live their daily lives. Now it can offer lessons to us all, helping us to: discover our inner strength resolve conflicts at work and home raise kind and resilient children achieve our fitness goals fight for what we believe in And much more!

A Thesaurus of English Word Roots Bloomsbury Publishing USA

From the birth of the Olympics to the deadly sports of the Mayans, find out the history of the games that have kept people amused for thousands of years in this beautifully illustrated and informative guide. Find out about how people such as the Vikings entertained themselves, and how sumo wrestlers win their matches, with fascinating facts and detailed pictures.

A People's History of the World MacMillan UK

Horace G. Danner's *A Thesaurus of English Word Roots* is a compendium of the most-used word roots of the English language. As Timothy B. Noone notes in his foreword: "Dr. Danner's book allows you not only to build up your passive English vocabulary, resulting in word recognition knowledge, but also gives you the rudiments for developing your active English vocabulary, making it possible to infer the meaning of words with which you are not yet acquainted. Your knowledge can now expand and will do so exponentially as your awareness of the roots in English words and your corresponding ability to decode unfamiliar words grows apace. This is the beginning of a fine mental linguistic library: so enjoy!" In *A Thesaurus of English Word Roots*, all word roots are listed alphabetically, along with the Greek or Latin words from which they derive, together with the roots' original meanings. If the current meaning of an individual root differs from the original meaning, that is listed in a separate column. In the examples column, the words which contain the root are then listed, starting with their prefixes, for example, dysacusia, hyperacusia. These root-starting terms then are followed by terms where the root falls behind the word, e.g.,

acouesthesia and acoumeter. These words are followed by words where the root falls in the middle or the end, as in such terms as bradyacusia and odynacusis. In this manner, *A Thesaurus of English Word Roots* places the word in as many word families as there are elements in the word. This work will interest linguists and philologists and anyone interested in the etymological aspects of English language.

The 18,000-ton Olympic Dream Rowman & Littlefield

Out of Control chronicles the dawn of a new era in which the machines and systems that drive our economy are so complex and autonomous as to be indistinguishable from living things.

Rats Saw God MacMillan UK

Born in 1989 to wealthy American parents in upstate New York, American Surrealist painter Kay Sage became a member of the Surrealist art movement in Paris in 1937. Along with an eloquent chronicle of Sage's life, Judith Suther shows how not only Sage's art but also the iconoclastic themes of her poetic works were related to Sage's lifelong revolt against social and artistic convention. 78 illustrations. 10 color plates.

The Story of the Olympics Macmillan

Six were taken. Eleven years later, five come back--with no idea of where they've been. A riveting mystery for fans of *We Were Liars*. Eleven years ago, six kindergartners went missing without a trace. After all that time, the people left behind moved on, or tried to. Until today. Today five of those kids return. They're sixteen, and they are . . . fine. Scarlett comes home and finds a mom she barely recognizes, and doesn't really recognize the person she's supposed to be, either. But she thinks she remembers Lucas. Lucas remembers Scarlett, too, except they're entirely unable to recall where they've been or what happened to them. Neither of them remember the sixth victim, Max--the only one who hasn't come back. Which leaves Max's sister, Avery, wanting answers. She wants to find her brother--dead or alive--and isn't buying this whole memory-loss story. But as details of the disappearance begin to unfold, no one is prepared for the truth. This unforgettable novel--with its rich characters, high stakes, and plot twists--will leave readers breathless.
