Lippincott's Q & A Review for NCLEX-RN Lippincott Williams & Wilkins

Written by Johns Hopkins University School of Medicine faculty and surgical residents, this comprehensive manual covers all aspects of the ABSITE. This innovative text is divided into two sections. The first section features a full-length practice test based on actual key words from recent ABSITE exams, with perforated answer sheets to simulate the real exam. The second section reviews all practice test questions and answers, providing rationales behind surgical decision-making. This text is also helpful for senior residents studying for the general surgery qualifying exam and for all surgical residents seeking to review key topics while on specific surgical rotations. A companion Website will offer an online test bank.
