Bhagat Singh, 1907-1931, Indian revolutionary and freedom fighter.

Understanding Bhagat Singh South Asia Books

A discussion with a friend soon turned into a matter of self-assessment, leading to this discourse on why Bhagat Singh chose to be an atheist. Even in the face of death at a very young age, with uncanny observations and sharp questions, he forces us to re-think our foundations to faith in god.

BHAGAT SINGH: PATRIOT AND MARTYR Simon and Schuster

Interrogates the explosive potential of revolutionary anti-colonial 'afterlives' in contemporary Indian politics and society.

Path of Revolution Prabhat Prakashan

Extolled for his extraordinary courage and sacrifice, Bhagat Singh is one of our most venerated

freedom fighters. He is valourised for his martyrdom, and rightly so, but in the ensuing enthusiasm, most of us forget, or consciously ignore, his contributions as an intellectual and a thinker. He not only sacrificed his life, like many others did before and after him, but he also had a vision of independent India. In the current political climate, when it has become routine to appropriate Bhagat Singh as a nationalist icon, not much is known or spoken about his nationalist vision. Inquilab provides a corrective to such a situation by bringing together some of Bhagat Singh's seminal writings on his pluralist and egalitarian vision. It compels the reader to see that while continuing to celebrate the memory of Bhagat Singh as a martyr and a nationalist, we must also learn about his intellectual legacy. This important book also makes a majority of these writings, hitherto only available in Hindi, accessible for the first time to the English-language readership.

Bhagat Singh, Shaheed-e-Azam Rajpal & Sons

Biography of a freedom fighter for India's independence.

Bhagat Singh HarperCollins

BHAGAT SINGH (1907-1931) lived at a time when India's freedom struggle was beginning to fl ag and when Mahatma Gandhi's non-violent, passive resistance to partial liberation was beginning to test the patience of the people. The youth of India was inspired by Bhagat Singh's call to arms and enthused by the defiance and dare-devilry of the army wing of the Hindustan Socialist Republican Association to which he and his comrades, Sukhdev and Rajguru, belonged. His call, Inquilab Zindabad! became the war-cry of the fi ght for freedom. When Bhagat Singh was executed by the British after a sham trial for his involvement in the Lahore Conspiracy Case at the age of twenty-three, he was glorifi ed by the Indians as a martyr - for his youth, his heroism, and his steadfast courage in the face of certain death. It was only many years later - after Independence in 1947 - that his jail writings came to light. Today, it is these works that set Bhagat Singh apart from the many revolutionaries who laid down their lives for India. They reveal him as not just a passionate freedom-fighter who believed in the cult of the bomb but a widely-read intellectual inspired by the writings of, among others, Marx, Lenin, Bertrand Russell and Victor Hugo; a revolutionary whose vision did not end with the ouster of the British, but who looked further, towards a secular, socialist
