## GREGORY WARREN

---

*Abu's Jinns* Harper Collins

Sleep and Aging provides a unique and timely collection of review articles that cover the gamut of basic and clinical aspects of sleep and the abnormalities in sleep associated with aging and neurological disorders that occur during aging. From the evolutionary basis of sleep and its normal functions in processes such as learning and memory, to considerations of the roles of sleep abnormalities in neurological disorders such as depression, Alzheimer's and Parkinson's diseases, the chapters are written by experts in the field. Several chapters focus on signalling pathways involved in sleep regulation and abnormalities in sleep, including those activated by serotonin and BDNF. Basic and clinical research on insomnia, sleep apnea and other disorders of sleep, are covered thus providing students and scientists at all levels with a valuable source of information to advance their understanding of this important topic in aging, biology and medicine. The circuits in the brain involved in sleep regulation, their neurochemistry, how they are altered in disorders of sleep and current clinical treatments of various sleep disorders are reviewed. The important role of sleep disturbances in neurodegenerative disorders is described and research in this particular area is leading to a better understanding of the relationships between synaptic plasticity, neuronal degeneration and the clinical manifestations of disorders such as Alzheimer's disease, Parkinson's disease and depression. This book is a must for scientists, as well as non-scientists, who are interested in the neurobiology of aging, sleep and neurodegenerative disorders.

Pathway Vintage

NEW YORK TIMES BESTSELLER Now in paperback—Peggy Orenstein, author of the groundbreaking New York Times bestseller *Girls & Sex*, turns her focus to the sexual lives of young men. “Eye-opening.... Every few pages, the boy world cracks open a little bit.... Even in the most anxiety-provoking moments of *Boys & Sex*, it's clear that Orenstein believes in the goodness of boys

and the men they can become, and she believes in us, as parents, to raise them” (New York Times Book Review). Peggy Orenstein's *Girls & Sex* broke ground, shattered taboos, and launched conversations about young women's right to pleasure and agency in sexual encounters. It also had an unexpected effect on its author: Orenstein realized that talking about girls is only half the conversation. Boys are subject to the same cultural forces as girls—steeped in the same distorted media images and binary stereotypes of female sexiness and toxic masculinity—which equally affect how they navigate sexual and emotional relationships. In *Boys & Sex*, Peggy Orenstein dives back into the lives of young people to once again give voice to the unspoken, revealing how young men understand and negotiate the new rules of physical and emotional intimacy. Drawing on comprehensive interviews with young men, psychologists, academics, and experts in the field, *Boys & Sex* dissects so-called locker room talk; how the word “hilarious” robs boys of empathy; pornography as the new sex education; boys' understanding of hookup culture and consent; and their experience as both victims and perpetrators of sexual violence. By surfacing young men's experience in all its complexity, Orenstein is able to unravel the hidden truths, hard lessons, and important realities of young male sexuality in today's world. The result is a provocative and paradigm-shifting work that offers a much-needed vision of how boys can truly move forward as better men.

Desis Divided Indiana University Press

An introduction to the peoples and cultures of South Asia

*Nothing Fancy* Oxford University Press, USA

How to Make Love Like a Porn Star, the mega-bestselling memoir, triumphant survival story, and cautionary tale that spent over six weeks on the New York Times bestseller list and rocketed adult film icon Jenna Jameson into the mainstream spotlight, is now in paperback and ebook for the very first time. Her unforgettable memoir, written with master storyteller Neil Strauss, is many things at once: a shocking sexual history; an insider's guide to the secret workings of the billion-dollar adult-film industry; and a gripping thriller that probes deep into Jameson's dark past. With never-before-seen photographs from Jenna's private collection,

exclusive photos taken for this book, and original cartoon strips, this memoir is an unparalleled exploration of sexual freedom. In the underbelly of Las Vegas, a cesspool of warring biker gangs and seedy strip clubs, gawky, brace-faced Jenna Massoli was transformed into the bombshell Jenna Jameson. Today, Jenna is the biggest star in the history of adult movies, consistently ranked as one of the most beautiful women alive. But behind the glamour and the meteoric rise to fame was a path paved with tragedy and heartbreak. As a teenager—drawn into a dark and chaotic world where rape, abuse, and murder were commonplace—Jenna began her rapid downward spiral of addiction and degradation . . . while at the same time becoming the porn world's biggest crossover success story.

Governments, businesses, and individuals around the world are thinking about what happens after the COVID-19 pandemic. Can we hope to not only ward off another COVID-like disaster but also eliminate all respiratory diseases, including the flu? Bill Gates, one of our greatest and most effective thinkers and activists, believes the answer is yes. The author of the #1 New York Times best seller *How to Avoid a Climate Disaster* lays out clearly and convincingly what the world should have learned from COVID-19 and what all of us can do to ward off another catastrophe like it. Relying on the shared knowledge of the world's foremost experts and on his own experience of combating fatal diseases through the Gates Foundation, Gates first helps us understand the science of infectious diseases. Then he shows us how the nations of the world, working in conjunction with one another and with the private sector, how we can prevent a new pandemic from killing millions of people and devastating the global economy. Here is a clarion call—strong, comprehensive, and of the gravest importance.

**The Sun and Her Flowers** Princeton University Press  
Star of Food Network's *Girl Meets Farm*, and winner of the Judges' Choice IACP Cookbook Award, Molly Yeh explores home and family and celebrates her Jewish and Chinese heritage and her current Midwestern farm life in this cookbook featuring more than 120 recipes. In 2013, food blogger and classical musician Molly

Yeh left Brooklyn to live on a farm on the North Dakota-Minnesota border, where her fiancé was a fifth-generation Norwegian-American sugar beet farmer. Like her award-winning blog My Name is Yeh, Molly on the Range chronicles her life through photos, new recipes, and hilarious stories from life in the city and on the farm. Molly's story begins in the suburbs of Chicago in the 90s, when things like Lunchables and Dunkaroos were the objects of her affection; continues into her New York years, when Sunday mornings meant hangovers and bagels; and ends in her beloved new home, where she's currently trying to master the art of the hotdish. Celebrating Molly's Jewish/Chinese background with recipes for Asian Scotch Eggs and Scallion Pancake Challah Bread and her new hometown Scandinavian recipes for Cardamom Vanilla Cake and Marzipan Mandel Bread, Molly on the Range will delight everyone, from longtime readers to those discovering her glorious writing and recipes for the first time. Molly Yeh can now be seen starring in Girl Meets Farm on Food Network, where she explores her Jewish and Chinese heritage and shares recipes developed on her Midwest farm.

**Chetna's 30-minute Indian** HarperCollins

Describes why men are attracted to strong women and offers advice on ways a woman can relate to men and gain a man's love and respect.

**Kale & Caramel** Hamlyn

Drawing on recent theories of virtuality, performativity, and governmentality, and on post-colonial activist scholarship, this book presents a series of ethnographic and archival studies of what Mukhopadhyay terms "vernacular globalization" in India. The book's six provocative chapters cover a wide range of events, objects, histories, narratives and episodes with the intent of interrogating what Franz Fanon called the "zone of occult instability where the people dwell." They span subjects as diverse as the quotidian commodity fetishism of rural cargo cults which thrive on bazaar rumours about Chinese dumping in Communist Calcutta; desi cyberporn showcasing "fat aunties" and Gandhi; Indo-Persian travelogues about England and women's travel narratives to Japan, embodying local traditions of cosmopolitanism; folk scroll paintings about 9/11 in the art historical mode; and vernacular civic traditions of urbanism as interpreted through grotty slum photographs. The Rumour of Globalization presents facades of vernacular India negotiating

globalising forces through a distinctive style of ethnography (fabulation) which is sensitive to subaltern political aspirations while maintaining a broad commitment to Marxist theory, Subaltern Studies scholarship and post-structuralist theory. *Why Men Love Bitches* Andrews McMeel Publishing  
Rupi Kaur performs the first-ever recording of the sun and her flowers, her second #1 New York Times bestselling collection of poetry and prose. This production was recorded in 2021 along with the brand-new audio edition of milk and honey and the debut audio recording of home body. Divided into five chapters, this volume is a journey through the life cycle of wilting, falling, rooting, rising, and blooming. It is a celebration of love in all its forms.

*Pregnancy, Childbirth, Postpartum and Newborn Care* Penguin  
80 brilliant, flavour-packed Indian recipes to make in 30 minutes or less. Chetna Makan's bestselling cookbooks combine her creative flavour twists with a love of simple Indian home cooking. Taking inspiration from the eclectic tastes of Indian cuisine, these tempting recipes can all be on the table and ready to eat in less than 30 minutes. Featuring fabulous salads, traditional fast snacks, imaginative toppings for toasts, delicious dals, comforting veggie, fish and meat curries, all-in-one rice dishes, surprising raitas and dips as well as indulgent desserts, there are speedy options for every occasion. With brilliantly useful meal plans included, dishes can be enjoyed on their own or paired together and cooked quickly for an easy feast to enjoy with friends. No complicated methods, just delicious, vibrant and varied food that the whole family can enjoy every single night of the week and in little to no time at all.

**Molly on the Range** HarperCollins

Full of wit and delicious observations, Mrs Funnybones captures the life of the modern Indian woman a woman who organizes dinner each evening after having been at work all day, who runs her own life but has to listen to her mummyji, who worries about her weight and the state of the country. Based on Twinkle Khanna's super-hit column, Mrs Funnybones marks the debut of one of our funniest, most original voices.

*Dis-Orienting Rhythms* Elsevier

Aims to produce a new understanding of the world significance of South Asian culture in multi-racist societies. It focuses on the role that contemporary South Asian dance music has played in the

formation of a new urban cultural politics.

*Home Body* HarperCollins

A groundbreaking guide to raising responsible, capable, happy kids Based on the latest research on brain development and extensive clinical experience with parents, Dr. Laura Markham's approach is as simple as it is effective. Her message: Fostering emotional connection with your child creates real and lasting change. When you have that vital connection, you don't need to threaten, nag, plead, bribe—or even punish. This remarkable guide will help parents better understand their own emotions—and get them in check—so they can parent with healthy limits, empathy, and clear communication to raise a self-disciplined child. Step-by-step examples give solutions and kid-tested phrasing for parents of toddlers right through the elementary years. If you're tired of power struggles, tantrums, and searching for the right "consequence," look no further. You're about to discover the practical tools you need to transform your parenting in a positive, proven way.

*Secret Wars* Independently Published

"All This While F\*cking" is a true account of the years the author spent living in Brooklyn and dating, compulsively, off Tinder. In the process of meeting and sleeping with an impressive diversity of strangers - approximately 200 dates, 100 one-night stands, and 1000s of joints - she was ultimately forced to meet and go to bed with herself - first on the page, and then in practice. The uncensored stories open the door to an array of personal and mental health issues that crack the spine on the corresponding cultural implications for the millennial generation. There are things we don't talk about, but this book speaks openly and honestly re: those stigmas and secrets. That said, if you don't read books, just think of this as a super long text you can download and read on your phone.

**Peaceful Parent, Happy Siblings** Sang-E-Meel Publication

In 1946, American judge Potter Stewart famously said, 'I can't define pornography, but I know it when I see it.' Over seventy years later, the reverberations of this sentence are still felt across the world. From proposed porn bans to religious morality to women's rights, the assumption is that porn has a single, knowable definition. But if one man's pornography is another woman's erotica is another person's sex tape, what really counts as porn? And who gets to do the counting? In this alternative

conversation around digital sexual expression in India, Richa Kaul Padte takes readers on an intimate tour of the sexy internet. From camgirls to fanfiction writers, homemade videos to consent violations, *Cyber Sexy* is an unflinching deep dive into the messy terrain of what it means to seek out pleasure online. The question of whether or not something counts as porn is, ultimately, left up to the reader. After all, you'll know it when you see it, right?

[The Autobiography of a Thief](#) Penguin UK

NEW YORK TIMES BESTSELLER From the host of Food Network's *Girl Meets Farm* and bestselling author of the IACP award-winning *Molly on the Range*, a collection of cozy recipes that feel like celebrations. *Home Is Where the Eggs Are* is a beautiful, intimate book full of food that's best enjoyed in the comfort of sweatpants and third-day hair, by a beloved Food Network host and new mom living on a sugar beet farm in East Grand Forks, MN. Molly Yeh's cooking is built to fit into life with her baby, Bernie, and the naptimes, diaper changes, and wiggle time that come with having a young child, making them a breeze to fit into any sort of schedule, no matter how busy. They're low-maintenance dishes that are satisfying to make for weeknight meals to celebrate empty to-do lists after long workdays, cozy Sunday soups to simmer during the first (or seventh!) snowfall of the year, and desserts that will keep happily under the cake dome for long enough that you will never feel pressure to share. The flavors in this book draw inspiration from a distinctive blend of Molly's experiences—her Chinese and Jewish heritage, her time living in New York, her husband's Scandinavian heritage, and their farm in the upper Midwest. She uses seasonal ingredients that are common in her region while singlehandedly supporting the za'atar and sumac import industry in her small town. These influences come together into fuss-free crave-able meals that dirty as few dishes as possible and offer loads of prep-ahead, freezing, and substitution tips, such as: Babka Cereal Mozzarella Stick Salad Doughnut Matzo Brei Ham and Potato Pizza Chicken and Stars Soup Orange Blossom Creamsicle Smoothies Hand-pulled Noodles with Potsticker Filling Sauce Marzipan Chocolate Chip Cookies In *Home Is Where the Eggs Are*, the feeling of home starts in the kitchen; just melt some butter, fry an egg, and build a little

memory around it.

[Everyday Life in South Asia](#) Chicago Review Press

"Nisha Sharma's *Dating Dr. Dil* is what would happen if you put all my favorite romantic comedy tropes into a blender: a frothy, snarky, hilarious treat with a gooey, heartwarming center. The perfect addition to any rom-com lover's shelf." —Emily Henry, #1 New York Times bestselling author of *People We Meet on Vacation* Nisha Sharma's new romantic comedy features enemies to lovers, a cast of best friends, and a gaggle of aunties determined to make a match. Hi! I'm Kareena Mann. As cheesy as it sounds, I'm looking for my soulmate. In four months. And he must gain the approval of my meddling aunties. Kareena dreams of having a perfect love story like her parents did. That's why on the morning of her thirtieth birthday, she's decided to suit up and enter the dating arena. When her widowed father announces he's retiring and selling their home after her sister's engagement party, Kareena makes a deal with him. If she can find her soulmate by the date of the party, he'll gift her the house, and she'll be able to keep her mother's legacy alive. Hi, I'm Dr. Prem Verma, host of the *Dr. Dil Show*. Prem means love, Dil means heart, and I'm a cardiologist. Don't let my name fool you. I only fix broken hearts in the literal sense. Prem doesn't have time for romance, which is why it's no surprise when his first meeting with Kareena goes awry. Their second encounter is worse when their on-air debate about love goes viral. Now Prem's largest community center donor is backing out because Prem's reputation as a heart-health expert is at risk. To get back in his donor's good graces, he needs to fix his image fast, and dating Kareena is his only option. Even though they have warring interests, the more time Prem spends with Kareena, the more he thinks she's might actually be the woman he wants to spend the rest of his life with. In this *Taming of the Shrew* re-imagining, for Prem and Kareena to find their happily ever after, they must admit that hate has turned into fate. "Bursting with character, spicy tension and laughs, *Dating Dr. Dil* is the enemies to lovers dream book!" —Tessa Bailey, New York Times bestselling author of *It Happened One Summer* [How to Prevent the Next Pandemic](#) Simon and Schuster *Secret Wars* is the first book to systematically analyze the ways powerful states covertly participate in foreign wars, showing a

recurring pattern of such behavior stretching from World War I to U.S.-occupied Iraq. Investigating what governments keep secret during wars and why, Austin Carson argues that leaders maintain the secrecy of state involvement as a response to the persistent concern of limiting war. Keeping interventions "backstage" helps control escalation dynamics, insulating leaders from domestic pressures while communicating their interest in keeping a war contained. Carson shows that covert interventions can help control escalation, but they are almost always detected by other major powers. However, the shared value of limiting war can lead adversaries to keep secret the interventions they detect, as when American leaders concealed clashes with Soviet pilots during the Korean War. Escalation concerns can also cause leaders to ignore covert interventions that have become an open secret. From Nazi Germany's role in the Spanish Civil War to American covert operations during the Vietnam War, Carson presents new insights about some of the most influential conflicts of the twentieth century. Parting the curtain on the secret side of modern war, *Secret Wars* provides important lessons about how rival state powers collude and compete, and the ways in which they avoid outright military confrontations.

[She's Unlikeable](#) U of Minnesota Press

From designer, creator, and self-love advocate Nabela Noor (@Nabela) comes a much-needed picture book about loving yourself just as you are. Meet Zubi: a joyful Bangladeshi girl excited about her first day of school. But when Zubi sees her mother frowning in the mirror and talking about being "too big," she starts to worry about her own body and how she looks. As her day goes on, she hears more and more people being critical of each other's and their own bodies, until her outburst over dinner leads her family to see what they've been doing wrong—and to help Zubi see that we can all make the world a more beautiful place by being beautifully ourselves.

*State of the Young Child in India* Gaudiya Vedanta Publications 'A narrative of startling originality ... As discussions of Britain's colonial legacy become increasingly polarised, we are in ever more need of nuanced books like this one' SAM DALRYMPLE, SPECTATOR 'Fascinating and provocative' LITERARY REVIEW
