It's a damp and dull day, but in the kitchen, it's warm and cosy.

David and his mother are baking, and the delicious smells bring a greedy witch to their

garden. Witches love to steal freshly baked cakes! She is going to use every magic trick she knows to steal their scrumptious treats, but can David outsmart her? A mouth-watering tale of delicious cakes and wicked witches from New Zealand's most celebrated children's writer, Margaret Mahy, with gorgeous

illustrations from award-winning artist Jessica Twohill. PRAISE FROM READERS: 'Mahy's words are as deeply satisfying as freshly-baked cakes.' A good book to get children's imaginations flowing. Other Margaret Mahy Illustration Prize titles include: *The Boy with Two Shadows* with art by Sarah Greig. *The Boy Who Made Things Up* with art by Lily Emo. *There's a King in the Cupboard* with art by Minrui Yang. *The Royal Baby's Big Red Bus Tour of London* Barefoot Books They open a door and enter a world. *Silver Meadows Summer Twin Sisters*® The first in a wonderfully imaginative series about two girls that is

marked by revealing and lyrical small details. *On Bird Hill* Abrams #1 bestselling author Stephenie Meyer makes a triumphant return to the world of Twilight with this highly anticipated companion: the iconic love story of Bella and Edward told from the vampire's point of view. When Edward Cullen and Bella Swan met in Twilight, an iconic love story was born. But until now, fans have heard only Bella's side of the story. At last, readers can experience Edward's version in the long-awaited companion novel, *Midnight Sun*. This unforgettable tale as told through Edward's eyes takes on a new and decidedly dark twist. Meeting Bella is both the most

unnerving and intriguing event he has experienced in all his years as a vampire. As we learn more fascinating details about Edward's past and the complexity of his inner thoughts, we understand why this is the defining struggle of his life. How can he justify following his heart if it means leading Bella into danger? In *Midnight Sun*, Stephenie Meyer transports us back to a world that has captivated millions of readers and brings us an epic novel about the profound pleasures and devastating consequences of immortal love. The Cowardly Lion of Oz Lerner Publishing Group
 By a talent and highly acclaimed illustrator,

The Lion and the Bird is every bit as unusual, lovely, and powerful as Little Bird and should be represented. The high production values of the book, along with the quality of the images and storytelling, as well as the author's previous books should lead buyers to take a chance on this title. Not to represent this book would be to miss out on a major book of the spring season. This is a book for all ages so provide buyers, whether at the independents or the museum stores, with several strong choices in terms of shelving and presentation. As a French Canadian author, Dubuc is close to the east coast and will be coming to promote and talk about her book.

Empty Yearling "Beautiful and wise, [this] is a gem of a book." --Adam Gidwitz, Newbery Honor-winning author of The Inquisitor's Tale Just right for fans of Pam Muñoz Ryan, this story of moving out and moving on is a touching portrayal of the experience of leaving one's home country and making new friends-- sometimes where least expected. Eleven-year-old Carolina's summer--and life as she knows it--is upended when Papi loses his job and she and her family must move from Puerto Rico to her Tía Cuca and Uncle Porter's house in upstate New York. Now Carolina must attend Silver Meadows Camp, where her bossy older cousin Gabriela rules the

social scene. Just as Carolina worries she'll have to spend the entire summer in Gabriela's shadow, she makes a friend of her own in Jennifer, a fellow artist. Carolina gets another welcome surprise when she stumbles upon a long-abandoned cottage in the woods near the campsite and immediately sees its potential as a creative haven for making art. There, with Jennifer, Carolina begins to reclaim the parts of the life she loved in Puerto Rico and forgets about how her relationship with Mami has changed and how distant Papi has become. But when the future of Silver Meadows and the cottage is thrown into jeopardy, Carolina and Gabriela come up with

a plan to save them. Will it work?

King, warrior, and lover
Brian Boru was stronger, braver, and wiser than all other men-the greatest king

Ireland has ever known. Out of the mists of the country's most violent age, he merged to lead his people to the peak of their golden era. His women were as remarkable as his adventures: Fiona, the druidess with mystical powers; Deirdre, beautiful victim of a Norse invader's brutal lust; Gormlaith, six-foot, red-haired goddess of sensuality. Set against the barbaric splendors of the tenth century, *Lion of Ireland* is a story rich in truth and legend-in which friends become deadly enemies, bedrooms turn into battlefields, and dreams of glory are finally fulfilled. Morgan Llywelyn has written one of the greatest novels of Irish history. At the Publisher's

request, this title is being sold without Digital Rights Management Software (DRM) applied.

An editor at *This American Life* reveals the searing story of the secret binge-eating that dominated her adolescence and shapes her still. "Her tale of compulsion and healing is candid and powerful."—People

NAMED ONE OF THE
BEST BOOKS OF THE
YEAR BY MARIE CLAIRE

For almost thirty years, Susan Burton hid her obsession with food and the secret life of compulsive eating and starving that dominated her adolescence. This is the relentlessly honest, fiercely intelligent story of living with both anorexia and binge-eating disorder, moving past her shame, and learning to tell her secret. When Burton was thirteen, her stable life in suburban Michigan was turned upside down by her parents' abrupt divorce, and she moved to Colorado with her mother and sister. She seized on this move west as an adventure and an opportunity to reinvent herself from middle-

school nerd to popular teenage girl. But in the fallout from her parents' breakup, an inherited fixation on thinness went from "peculiarity to pathology." Susan entered into a painful cycle of anorexia and binge eating that formed a subterranean layer to her sunny life. She went from success to success—she went to Yale, scored a dream job at a magazine right out of college, and married her college boyfriend. But in college the compulsive eating got worse—she'd binge, swear it would be the last time, and then, hours later, do it again—and after she graduated she descended into anorexia, her attempt to "quit food." Binge eating is more

prevalent than anorexia or bulimia, but there is less research and little storytelling to help us understand it. In tart, soulful prose Susan Burton strikes a blow for the importance of this kind of narrative and tells an exhilarating story of longing, compulsion and hard-earned self-revelation.

The New Hexagon 2

The empire is at the brink of destruction as a loyal general vows revenge in this thrilling, impeccably researched epic of third-century Rome. When Emperor Valerian is defeated in Mesopotamia, the entire Roman Empire is at risk of crumbling. The shame of the vanquished beats down mercilessly as

the frail old emperor prostrates himself before the Persian leader Shapur, King of Kings. General Ballista looks on helplessly, but vows under his breath to punish those who have brought the empire so low with their treachery. Before he can take his revenge, Ballista must decide what price he will pay for his own freedom. Only the fearless and only those whom the gods will spare from hell can now save the empire from a catastrophic ending. Ballista, the Warrior of Rome, faces his greatest challenge yet. Renowned for their skilled blending of action and historical accuracy, Sidebottom's Warrior of Rome novels take the reader from the shouts of the battlefield to the

whisperings of the
emperor's inner circle.
