History Comics: The Stonewall Riots NYU Press

One of Time Out's "LGBTQ+ books for kids to read during Pride Month," this groundbreaking, pop-culture-infused illustrated biography collection takes readers on an eye-opening journey through the lives of fifty influential queer figures who have made a mark on every century of human existence. *Rainbow Revolutionaries* brings to life the vibrant histories of fifty pioneering LGBTQ+ people from around the world. Through Sarah Prager's (*Queer, There, and Everywhere*) short, engaging bios, and Sarah Papworth's bold, dynamic art, readers can delve into

the lives of Wen of Han, a Chinese emperor who loved his boyfriend as much as his people, Martine Rothblatt, a trans woman who's helping engineer the robots of tomorrow, and so many more! This book is a celebration of the many ways these heroes have made a difference and will inspire young readers to make a difference, too. Featuring an introduction, map, timeline, and glossary, this must-have biography collection is the perfect read during Pride month and all year round. Biographies include: Adam Rippon, Alan L. Hart, Alan Turing, Albert Cashier, Alberto Santos-Dumont, Alexander the Great, Al-Hakam II, Alvin Ailey, Bayard Rustin, Benjamin Banneker, Billie Jean King, Chevalière d'Éon, Christina of Sweden, Christine Jorgensen, Cleve Jones, Ellen DeGeneres, Francisco Manicongo, Frida Kahlo, Frieda Belinfante, Georgina Beyer, Gilbert Baker, Glenn Burke, Greta

Garbo, Harvey Milk, James Baldwin, Jóhanna Sigurðardóttir, José Sarria, Josephine Baker, Juana Inés de la Cruz, Julie d'Aubigny, Lili Elbe, Ma Rainey, Magnus Hirschfeld, Manvendra Singh Gohil, Marsha P. Johnson, Martine Rothblatt, Maryam Khatoon Molkara, Natalie Clifford Barney, Navtej Johar, Nzinga, Pauli Murray, Renée Richards, Rudolf Nureyev, Sally Ride, Simon Nkoli, Stormé DeLarverie, Sylvia Rivera, Tshepo Ricki Kgositau, Wen of Han, We'wha *A Junior Library Guild Selection*

How did a spontaneous protest outside of a New York City bar fifty years ago spark a social movement across America? Find out about the history of LGBTQ rights in this Who HQ title. In the early-morning hours of June 28, 1969, police arrived at the Stonewall Inn's doors and yelled, "Police! We're taking the place!" But the people in this New York City neighborhood bar, members of the LGBTQ community, were tired of being harassed. They rebelled in the streets, turning one moment into a civil rights movement and launching the fight for equality among LGBTQ people in the United States.

Stonewall: A Building. An Uprising. A Revolution Catapult From the Author of the groundbreaking Chicago LGBTQ history book, *Chicago Whispers!* *Chicago After Stonewall: Gay Lib to Gay Life* is by award-winning historian, journalist, and Chicago LGBT Hall of Fame inductee, St Sukie de la Croix - author of the groundbreaking *Chicago Whispers: A History of LGBT Chicago Before Stonewall*. *Chicago After Stonewall* is a detailed account of how LGBTQ Chicagoans responded to the Stonewall Riots. The book pulls together jigsaw pieces of information from many sources, including a wealth of documents held in the McCormick

Library of Special Collections at Northwestern University, Evanston, IL, to reveal a picture of a raggle-taggle band of dysfunctional rebels with one cause. In post-Stonewall Chicago, several attempts were made to publish a gay newspaper, but none lasted. The longest was the *Chicago Gay Crusader* with twenty-six issues, between 1973-1975. However, the paper was irregular and a hangover from the 1960s hippie underground press in style. It wasn't until June 20, 1975, when Grant L. Ford published Volume 1/Number 1 of *Chicago Gay Life*, that Chicago boasted a professional gay newspaper. However, from the Stonewall Riots until the publication of *Chicago Gay Life*, there was no reliable source for local gay news, only irregular gay publications like *The Paper*, *Mattachine Midwest Newsletter*, or hippie underground/alternative rags, *Seed*, *Kaleidoscope*, *Reader*, and *Second City*, and college newspapers like *Maroon* and *Roosevelt Torch*. This book begins with Stonewall and Henry Weimhoff, a University of Chicago student, and ends with the first issue of *Gay Life* on June 20, 1975, and an impassioned editorial by Valerie Bouchard for the community to "come together, unite, and focus on similarities and not differences."

History Comics: The Stonewall Riots Flatiron Books

Turn back the clock with *History Comics!* In this graphic novel, experience the Stonewall Riots firsthand and meet iconic activists like Marsha P. Johnson and Sylvia Rivera. Three teenagers—Natalia, Jax, and Rashad—are magically transported from their modern lives to the legendary Stonewall Inn in the summer of 1969. Escorted by Natalia's eccentric abuela (and her pet cockatiel, Rocky), the friends experience the police raid firsthand and are thrown into the infamous riots that made the

struggle for LGBTQ rights front-page news.

The Stonewall Riots NYU Press

David Carter's Stonewall is the basis of the PBS American Experience documentary Stonewall Uprising. In 1969, a series of riots over police action against The Stonewall Inn, a gay bar in New York City's Greenwich Village, changed the longtime landscape of the homosexual in society literally overnight. Since then the event itself has become the stuff of legend, with relatively little hard information available on the riots themselves. Now, based on hundreds of interviews, an exhaustive search of public and previously sealed files, and over a decade of intensive research into the history and the topic, Stonewall: The Riots That Sparked the Gay Revolution brings this singular event to vivid life in this, the definitive story of one of history's most singular events. A Randy Shilts / Publishing Triangle Award Finalist "Riveting...Not only the definitive examination of the riots but an absorbing history of pre-Stonewall America, and how the oppression and pent-up rage of those years finally ignited on a hot New York night." - Boston Globe

We've Been Here All Along Rizzoli Publications

On the occasion of its fiftieth anniversary, the most important moment in LGBTQ history—depicted by the people who influenced, recorded, and reacted to it. June 28, 1969, Greenwich Village: The New York City Police Department, fueled by bigoted liquor licensing practices and an omnipresent backdrop of homophobia and transphobia, raided the Stonewall Inn, a neighborhood gay bar, in the middle of the night. The raid was met with a series of responses that would go down in history as the most galvanizing period in this country's fight for sexual and

gender liberation: a riotous reaction from the bar's patrons and surrounding community, followed by six days of protests. Across 200 documents, Marc Stein presents a unique record of the lessons and legacies of Stonewall. Drawing from sources that include mainstream, alternative, and LGBTQ media, gay-bar guide listings, state court decisions, political fliers, first-person accounts, song lyrics, and photographs, Stein paints an indelible portrait of this pivotal moment in the LGBT movement. In *The Stonewall Riots*, Stein does not construct a neatly quilted, streamlined narrative of Greenwich Village, its people, and its protests; instead, he allows multiple truths to find their voices and speak to one another, much like the conversations you'd expect to overhear in your neighborhood bar. Published on the fiftieth anniversary of the moment the first brick (or shot glass?) was thrown, *The Stonewall Riots* allows readers to take stock of how LGBTQ life has changed in the US, and how it has stayed the same. It offers campy stories of queer resistance, courageous accounts of movements and protests, powerful narratives of police repression, and lesser-known stories otherwise buried in the historical record, from an account of ball culture in the mid-sixties to a letter by Black Panther Huey P. Newton addressed to his brothers and sisters in the resistance. For anyone committed to political activism and social justice, *The Stonewall Riots* provides a much-needed resource for renewal and empowerment.

The Gay Revolution NYU Press

Have pride in history. A rich and sweeping photographic history of the Queer Liberation Movement, from the creators and curators of the massively popular Instagram account LGBT History. "If you

think the fight for justice and equality only began in the streets outside Stonewall, with brave patrons of a bar fighting back, you need to read *We Are Everywhere* right now.”—Anderson Cooper

Through the lenses of protest, power, and pride, *We Are Everywhere* is an essential and empowering introduction to the history of the fight for queer liberation. Combining exhaustively researched narrative with meticulously curated photographs, the book traces queer activism from its roots in late-nineteenth-century Europe—long before the pivotal Stonewall Riots of 1969—to the gender warriors leading the charge today. Featuring more than 300 images from more than seventy photographers and twenty archives, this inclusive and intersectional book enables us to truly see queer history unlike anything before, with glimpses of activism in the decades preceding and following Stonewall, family life, marches, protests, celebrations, mourning, and Pride. By challenging many of the assumptions that dominate mainstream LGBTQ+ history, *We Are Everywhere* shows readers how they can—and must—honor the queer past in order to shape our liberated future.

A Queer History of the United States for Young People

Abrams

"Sexuality researcher Jane Fleishman shares the stories of nine fearless elders in the LGBTQ community who came of age around the time of Stonewall. In candid interviews, they lay bare their struggles, their strengths, their activism, and their sexual liberation in the context of the political movements of the 1960s and 1970s and today"--

[Stonewall Riots](#) Createspace Independent Publishing Platform
Histories of the US sixties invariably focus on New York City, but

Los Angeles was an epicenter of that decade's political and social earthquake. L.A. was a launchpad for Black Power—where Malcolm X and Angela Davis first came to prominence and the Watts uprising shook the nation—and home to the Chicano walkouts and Moratorium, as well as birthplace of 'Asian America' as a political identity, base of the antiwar movement, and of course, centre of California counterculture. Mike Davis and Jon Wiener provide the first comprehensive movement history of L.A. in the sixties, drawing on extensive archival research, scores of interviews with principal figures of the 1960s movements, and personal histories (both Davis and Wiener are native Los Angelenos). Following on from Davis's award-winning L.A. history, *City of Quartz*, *Set the Night on Fire* is a fascinating historical corrective, delivered in scintillating and fiercely elegant prose.

A stunning fifty-year visual history of LGBTQ pride marches, parades, and protests, taken from the New York Times photo archives. It began in New York City on June 28, 1969. When police raided the Stonewall Inn—a bar in the Greenwich Village neighborhood, known as a safe haven for gay men—violent demonstrations and protests broke out in response. The Stonewall Riots, as they would come to be known, were the first spark in the wildfire that would become the LGBTQ rights revolution. Fifty years later, the LGBTQ community and its supporters continue to gather every June to commemorate this historic event. Here, collected for the first time by The New York Times, is a powerful visual history of five decades of parades and protests of the LGBTQ rights movement. These photos, paired with descriptions of major events from each decade as well as

selected reporting from The Times, showcase the victories, setbacks, and ongoing struggles for the LGBTQ community. “To take in the breadth of [PRIDE’s] contents—to see the scope of LGBTQ+ rights, from the first Christopher Street Day march in 1970 to protests for transgender rights just last year—is to witness the power of visibility firsthand.” —them. “This book is a powerful visual history of five decades of parades and protests for equality. Educational and visually enriching, complete with photos from The New York Times, this book is the perfect companion for any coffee table.” —BookTrib

Stonewall: Breaking Out in the Fight for Gay Rights Abrams

On the occasion of its fiftieth anniversary, the most important moment in LGBTQ history—depicted by the people who influenced, recorded, and reacted to it. And Then I Danced American Psychological Association

The first of two groundbreaking volumes on gay history in Wisconsin, *We’ve Been Here All Along* provides an illuminating and nuanced picture of Wisconsin’s gay history from the reporting on the Oscar Wilde trials of 1895 to the landmark Stonewall Riots of 1969. Throughout these decades, gay Wisconsinites developed identities, created support networks, and found ways to thrive in their communities despite various forms of suppression—from the anti-vice crusades of the early twentieth century to the post-war labeling of homosexuality as an illness to the Lavender Scare of the 1950s. In *We’ve Been Here All Along*, R. Richard Wagner draws on historical research and materials from his own extensive archive to uncover previously

hidden stories of gay Wisconsinites. This book honors their legacy and confirms that they have been foundational to the development and evolution of the state since its earliest days
Stonewall ABDO

The definitive account of the Stonewall Riots, the first gay rights march, and the LGBTQ activists at the center of the movement. "Martin Duberman is a national treasure."—Masha Gessen, *The New Yorker* On June 28, 1969, the Stonewall Inn, a gay bar in New York's Greenwich Village, was raided by police. But instead of responding with the typical compliance the NYPD expected, patrons and a growing crowd decided to fight back. The five days of rioting that ensued changed forever the face of gay and lesbian life. In *Stonewall*, renowned historian and activist Martin Duberman tells the full story of this pivotal moment in history. With riveting narrative skill, he re-creates those revolutionary, sweltering nights in vivid detail through the lives of six people who were drawn into the struggle for LGBTQ rights. Their stories combine to form an unforgettable portrait of the repression that led up to the riots, which culminates when they triumphantly participate in the first gay rights march of 1970, the roots of today's pride marches. Fifty years after the riots, *Stonewall* remains a rare work that evokes with a human touch an event in history that still profoundly affects life today.

Indecent Advances Verso Books

From the duo behind the massively successful and award-winning podcast *Stuff You Should Know* comes an unexpected look at things you thought you knew. Josh Clark and Chuck Bryant started the podcast *Stuff You Should Know* back in 2008 because they were curious—curious about the world around them, curious

about what they might have missed in their formal educations, and curious to dig deeper on stuff they thought they understood. As it turns out, they aren't the only curious ones. They've since amassed a rabid fan base, making *Stuff You Should Know* one of the most popular podcasts in the world. Armed with their inquisitive natures and a passion for sharing, they uncover the weird, fascinating, delightful, or unexpected elements of a wide variety of topics. The pair have now taken their near-boundless "whys" and "hows" from your earbuds to the pages of a book for the first time—featuring a completely new array of subjects that they've long wondered about and wanted to explore. Each chapter is further embellished with snappy visual material to allow for rabbit-hole tangents and digressions—including charts, illustrations, sidebars, and footnotes. Follow along as the two dig into the underlying stories of everything from the origin of Murphy beds, to the history of facial hair, to the psychology of being lost. Have you ever wondered about the world around you, and wished to see the magic in everyday things? Come get curious with *Stuff You Should Know*. With Josh and Chuck as your guide, there's something interesting about everything (...except maybe jackhammers).

Love and Resistance Penguin

The never-before-told story of Brooklyn's vibrant and forgotten queer history, from the mid-1850s up to the present day. ***An ALA GLBT Round Table Over the Rainbow 2019 Top Ten Selection*** ***NAMED ONE OF THE BEST LGBTQ BOOKS OF 2019 by Harper's Bazaar*** "A romantic, exquisite history of gay culture." —Kirkus Reviews, starred "[A] boisterous, motley new history...entertaining and insightful." —The New York Times Book

Review Hugh Ryan's *When Brooklyn Was Queer* is a groundbreaking exploration of the LGBT history of Brooklyn, from the early days of Walt Whitman in the 1850s up through the queer women who worked at the Brooklyn Navy Yard during World War II, and beyond. No other book, movie, or exhibition has ever told this sweeping story. Not only has Brooklyn always lived in the shadow of queer Manhattan neighborhoods like Greenwich Village and Harlem, but there has also been a systematic erasure of its queer history—a great forgetting. Ryan is here to unearth that history for the first time. In intimate, evocative, moving prose he discusses in new light the fundamental questions of what history is, who tells it, and how we can only make sense of ourselves through its retelling; and shows how the formation of the Brooklyn we know today is inextricably linked to the stories of the incredible people who created its diverse neighborhoods and cultures. Through them, *When Brooklyn Was Queer* brings Brooklyn's queer past to life, and claims its place as a modern classic.

We Are Everywhere HarperCollins

"Come out for freedom! Come out now! Power to the people! Gay power to gay people! Come out of the closet before the door is nailed shut!" —Come Out! magazine, November 14, 1969 On the night of June 28, 1969, police raided the Stonewall Inn, a gay bar in New York City. They intended to shut the bar down—part of the mayor's order to clean up illegal businesses. The cops didn't expect much trouble, especially not from the gay men and women dancing and socializing at the bar. At that time, most gay people were afraid to expose their homosexuality. They could be arrested for having sex with one another. They could lose their

jobs just for being gay. By 1969 a few gay people had started to speak out. They had filed lawsuits and staged peaceful protest marches to call attention to discrimination against homosexuals. But when the police raided the Stonewall, the bar's customers decided to take a stronger stand. They hurled rocks and bricks at the police. They chanted "Gay Power." This uprising gave birth to a new liberation movement. Gay men and women organized, demonstrated for their rights, and celebrated their sexual identities. They opened gay bookstores, held gay dances, and lobbied politicians to change laws that discriminated against them. Most important, they no longer lived their lives in secret. In this riveting story, we'll explore the decades of discrimination and abuse that gay people endured in earlier eras. We'll also learn how gay people continue to fight for equal rights and recognition. [Set the Night on Fire](#) Simon and Schuster

For the fiftieth anniversary of the Stonewall uprising, an anthology chronicling the tumultuous fight for LGBTQ rights in the 1960s and the activists who spearheaded it, with a foreword by Edmund White. Finalist for the Randy Shilts Award for Gay Nonfiction, presented by The Publishing Triangle Tor.com, Best Books of 2019 (So Far) Harper's Bazaar, The 20 Best LGBTQ Books of 2019 The Advocate, The Best Queer(ish) Non-Fiction Tomes We Read in 2019 June 28, 2019 marks the fiftieth anniversary of the Stonewall uprising, which is considered the most significant event in the gay liberation movement, and the catalyst for the modern fight for LGBTQ rights in the United States. Drawing from the New York Public Library's archives, *The Stonewall Reader* is a collection of first accounts, diaries, periodic literature, and articles from LGBTQ magazines and newspapers

that documented both the years leading up to and the years following the riots. Most importantly the anthology spotlights both iconic activists who were pivotal in the movement, such as Sylvia Rivera, co-founder of Street Transvestites Action Revolutionaries (STAR), as well as forgotten figures like Ernestine Eckstein, one of the few out, African American, lesbian activists in the 1960s. The anthology focuses on the events of 1969, the five years before, and the five years after. Jason Baumann, the NYPL coordinator of humanities and LGBTQ collections, has edited and introduced the volume to coincide with the NYPL exhibition he has curated on the Stonewall uprising and gay liberation movement of 1969.

Chicago After Stonewall St. Martin's Press

The civil rights of LGBTQ people have slowly yet steadily strengthened since the Stonewall Riots of June, 1969. Despite enormous opposition from some political segments and the catastrophic effects of the AIDS crisis, the last five decades have witnessed improvement in the conditions of the lives of LGBTQ individuals in the United States. As such, the realities and challenges faced by a young gay man coming of age and coming out in the 1960s is, in many profound ways, different from the experiences of a young gay man coming of age and coming out today. *Out in Time* explores the life experiences of three generations of gay men --the Stonewall, AIDS, and Queer generations-- arguing that while there are generational differences in the lived experiences of young gay men, each one confronts its own unique historical events, realities, and socio-political conditions, there are consistencies across time that define and unify the identity formation of gay men. Guided by the vast research literature on gay identity formation and coming

out, the ideas and themes explored here are seen through the oral histories of a diverse set of fifteen gay men, five from each generation. *Out in Time* demonstrates how early life challenges define and shape the life courses of gay men, demarcating both the specific time-bound challenges encountered by each generation, and the universal challenges encountered by gay men coming of age across all generations and the conditions that define their lives.

The Seven Husbands of Evelyn Hugo Penguin

Celebrate Pride every day with the very first picture book to tell of its historic and inspiring role in the gay civil rights movement, from the author of the acclaimed *Pride: The Story of Harvey Milk and the Rainbow Flag*. A powerful and timeless true story that will allow young readers to discover the rich and dynamic history of the Stonewall Inn and its role in the LGBTQ+ civil rights movement--a movement that continues to this very day. In the early-morning hours of June 28, 1969, the Stonewall Inn was raided by police in New York City. Though the inn had been raided before, that night would be different. It would be the night when empowered members of the LGBTQ+ community--in and around the Stonewall Inn--began to protest and demand their equal rights as citizens of the United States. Movingly narrated by the Stonewall Inn itself, and featuring stirring and dynamic illustrations, *Stonewall: A Building. An Uprising. A Revolution* is an essential and empowering civil rights story that every child deserves to hear.

The Stonewall Riots Ten Speed Press

Coming Out, Moving Forward, the second volume in R. Richard Wagner's groundbreaking work on gay history in Wisconsin,

outlines the challenges that LGBT Wisconsinites faced in their efforts to right past oppressions and secure equality in the post-Stonewall period between 1969 and 2000. During this era, Wisconsin made history as the first state to enact a gay rights law prohibiting discrimination in employment, housing, and public accommodations on the basis of sexual orientation. It also became the first state to elect three openly gay/lesbian persons to Congress. In this volume, R. Richard Wagner draws on historical research and materials from his extensive personal

archive to not only chronicle an important movement, but also to tell the stories of the state's LGBT pioneers—from legislators and elected officials to activists, businesspeople, and everyday citizens. *Coming Out, Moving Forward* documents the rich history of Wisconsin's LGBT individuals and communities as they pushed back against injustice and found ways to live openly and proudly as themselves. *Coming Out, Moving Forward* is a continuation to the first volume in this series, *We've Been Here All Along*.
