Each year, the elite Hope's Peak Academy selects only the most gifted and talented students to enroll...plus one ordinary student, chosen by lottery.

Makoto Naegi was that lucky person--or so he thought! When he shows up for class, he finds the elite students are a bizarre cast of oddballs under the ruthless authority of a robot teddy bear principal, Monokuma. The bear lays down the school rules: the only way out of Hope's Peak is to not only murder another student...but get away with it, as every murder is followed by a tribunal where the surviving

students cross-examine each other! Inspired by the Danganronpa videogame series and based on the anime of the same name, the Danganropa manga is a quirky, fun, weird, and dynamic take on the high school Battle Royale genre.

Though Kirito has stayed alive by making a name for himself as a solo adventurer in that time, his life undergoes a major

change when he unwittingly joins Asuna's powerful guild, the Knights of the Blood. What does fate have in store for Kirito, Asuna, and the brave young fighters who are risking their lives to return to the real world?!

 "There's no way to beat this game. The only difference is when and where you die..." One month has passed since

Akihiko Kayaba's deadly game began, and the body count continues to rise. Two thousand players are already dead. Kirito and Asuna are two very different people, but they both desire to fight alone. Nonetheless, they find themselves drawn together to face challenges from both within and without. Given that the entire virtual world they now live in has been

As it becomes clear that solitude equals suicide, will the two be able to overcome their differences to find the strength to believe in each other, and in so doing survive?
