Addison Wesley Publishing Company  
 TOEIC Practice Exams is for ESL students  
 preparing to take the Test of English for  
 International Communication. Students  
 will find six full-length practice exams

that reflect the actual TOEIC in length,  
 subject matter, question types, and  
 degree of difficulty. All tests follow the  
 format of the new TOEIC. This manual  
 provides students with extensive  
 practice in the actual test-taking  
 experience as an efficient way of  
 improving their score when they take  
 the actual TOEIC. Answer explanations  
 are included for all questions. Audio for  
 all six TOEIC listening comprehension  
 sections is available online. Also included  
 are recommendations for web-based  
 self-study activities. Publisher's Note:

"Starter TOEIC Third Edition is designed  
 for beginning level students of English  
 who need to start preparation for the  
 TOEIC. The first chapter introduces  
 students to the twelve most important  
 grammar targets on the TOEIC. The  
 second chapter provides twelve mini  
 tests, each reinforcing a grammar target  
 through natural exposure in a variety of  
 contexts. The third chapter contains a  
 full-length practice test designed to  
 challenge but not frustrate beginning  
 level students. Starter TOEIC Third  
 Edition provides an excellent foundation  
 for students starting preparation for the  
 TOEIC. Key features include: (1) General  
 information about the TOEIC; (2) Tips for  
 taking each section of the test; (3) Clear  
 and precise grammar explanations; (4)  
 Thematic units with integrated grammar  
 practice; (5) A mini practice test in each  
 unit; (6) A full-length practice test; (7)  
 Answer key and tape scripts for all mini  
 tests and the full-length; (8) Audio  
 recording of the listening sections for

each mini test and the full-length test."--

This book clarifies the fundamental difference between North America-based instrumental motivation and Korea (and East Asia)-specific competitive motivation by which the EFL learners' excessive competition to be admitted to famous universities and to be hired at a large-scale conglomerate is the main source of L2 motivation. It enables readers to understand that EFL-learning motivation reflects unique sociohistorical contexts grounded in a specific region or country. This book in turn necessitates the need to develop EFL motivation theory and research tradition which are firmly based on East Asian values and culture.

Communication is believed to be one of the keys in life to people cooperating and interacting with others for the benefit of every end user. Without appropriate communication life is nothing as the world is so large yet development seems to run very quickly and we have to catch the running advancement these days. The TOEIC (Test of English for International Communication) test is the preferred English- language assessment tool for organizations worldwide. We all know the importance of developing strong communication skills to remain competitive in today's global economy. The TOEIC Speaking and Writing tests provide an authentic measure of English-language proficiency that can help you find out who has the language skills to succeed. Now more than ever, English proficiency is a necessity in the global work environment. Whether you are an individual who wants to stand out against the competition or an organization seeking to build a more skilled team or prepare work-ready students, the TOEIC program can help you achieve your goal. As the industry leader noted, the TOEIC program has set the standard for assessing English-language skills needed in the workplace for over 35 years. With about 7 million tests administered every year, the TOEIC tests are the most widely used around the world. More than 14,000 organizations across more than 160 countries trust TOEIC scores to make decisions. This book is designed to give

learners and test takers an overview of the types of questions test they encounter on the actual TOEIC Speaking and Writing tests. It is also aimed to help learners to guide them through the test experience. In addition to the TOEIC tests' sample question, it has included information on the authentic and real topics to provide test takers with a comprehensive overview of the TOEIC testing experience. This book is provided with sufficient practice in grammar, vocabulary development, as well as practice in TOEIC supported with appropriate recording. The writer would like to appreciate courtesy of book writers, media, and of course the publisher for without which the book would not stand out on readers' desk.
