In fact, Pitt and the NUMA crew have inadvertently stepped between a Mongolian tycoon and his plans to corner the global oil market, beginning with covert negotiations in China. To ensure the deal goes through, this mysterious businessman will encourage ever-escalating acts of sabotage and

violence. Pitt and Giordino soon learn the magnate's fury and his power both stem from the same source: a dark secret about Genghis Khan, the greatest conqueror the world has ever known. To Pitt and Giordino the famed Khan's empire is nearly the stuff of legend and his tomb a forgotten mystery. But the Khan's legacy is very real. And it's the treasure of his grandson Kublai Khan that holds the key to

stopping this modern-day oil baron from restoring the conquests of his ancestors. That is, if Pitt and Giordino get there first....
