 In this National Book Award-winning novel from a "brilliantly breathtaking writer," a

young Southerner searches for meaning in the midst of Mardi Gras (The New York Times Book Review). On the cusp of his thirtieth birthday, Binx Bolling is a lost soul. A stockbroker and member of an established New Orleans family, Binx's one escape is the movie theater that transports him from the falseness of his life. With Mardi Gras in full swing, Binx, along with his cousin Kate, sets out to find his true purpose amid the excesses of the carnival that surrounds him. Buoyant yet powerful, *The Moviegoer* is a poignant indictment of modern values, and an unforgettable story of a week that will change two lives forever. This ebook features an illustrated biography of Walker Percy including rare photos from the author's estate.

What happens when Thérèse MacNab investigates the mysterious death of the wealthy Delores Valdez from foxglove poisoning and crushed emeralds? Suspects abound: Delores's adventurous biker friends, the gardener who stands to inherit in her will, two neglected daughters, a chic and crafty sister, and the Colombian maid with a taste for revenge. As Thérèse discovers the dead body of Delores Valdez in a plush mansion throbbing with the beauty of precious family gems, the riveting mystery begins. By book's end, with the help of her grey Angora cats, Thérèse stumbles upon clues that lead her to a clever murderer. The 4 star review by reader from Southern,CA This elegantly written little book gave me many hours of reading pleasure. It has a finely crafted murder, a bunch of suspicious characters, lots of chocolates, and a cook who presents little treats in his creations. Lacking explicit violence and blush-inducing sex. The author provides descriptive passages on several interesting subjects, including Native-American customs, preparing meals, caring for flowers, and koi fish. I enjoyed the book and gleaned a lot of information on various subjects. A little jewel of a book which will hopefully be enjoyed by many. And don't forget to drink your coffee within 20 minutes of brewing it.

THE SHOCKING STORY OF A DESERT ISLAND DREAM THAT WENT SOUR 'Writer seeks "wife" for a year on tropical island.' The opportunity to escape from it all was irresistible. Lucy Irvine answered the advertisement - and found herself alone

on a remote desert island with a 'husband' she hardly knew. Lucy Irvine fell in love with the seductive, if cruel, beauty of that untouched Eden, whose power to enslave and enchant her never slackened throughout the whole of her amazing adventure. Uncompromisingly candid and sometimes shocking, *Castaway* is her compulsively readable account of a desert island dream which threatened to turn into a nightmare of illness, thirst and personal antipathy. Now a film by Nicholas Roeg starring Amanda Donohoe and Oliver Reed,

THE MYSTERY NOVELS OF WILKIE COLLINS Penguin

From a murder in South Africa to the tracking down of a master criminal in northern Scotland, this is a true classic of Golden Age detective fiction by one of its most accomplished champions. When a signalman discovers a mutilated body inside a railway tunnel near Groote Park, it seems to be a straightforward case of a man struck by a passing train. But Inspector Vandam of the Middeldorp police isn't satisfied that Albert Smith's death

was accidental, and he sets out to prove foul play in a baffling mystery which crosses continents from deepest South Africa to the wilds of northern Scotland, where an almost identical crime appears to have been perpetrated. The Groote Park Murder was the last of Freeman Wills Crofts' standalone crime novels, foreshadowing his iconic Inspector French series and helping to cement his reputation (according to his publishers) as 'the greatest and most popular detective writer in the world'. Like *The Cask*, *The Ponson Case* and *The Pit-Prop Syndicate* before it, here were a delightfully ingenious plot, impeccable handling of detail, and an overwhelming surprise 'curtain' from a masterful crime writer on the cusp of global success. This Detective Club classic is introduced with an essay by Freeman Wills Crofts, unseen since 1937, about 'The Writing of a Detective Novel'.

Mystery of Modern Venice e-artnow After Hurricane Sandy, Nick Fowler, a writer, stranded alone in a Manhattan apartment without power, begins to contemplate disaster. Months later, at an artist residency in upstate New York, Nick finds his subject in disaster itself and the communities shaped by it, where crisis animates both hope and denial, unacknowledged pasts and potential futures. As he travels to Los Angeles and London on assignment, Nick discovers that outsiders - their lives and histories disturbed by sex, loss, and bad weather - are often better understood by what they have hidden from the world than what they have revealed.

Swigatha came about as the result of a re-read by me of all the books by Agatha Christie that I had first encountered as a child. These books were all in paperback editions, published by Fontana and Pan in the UK in the 1960s and 1970s, and most of them were second-hand. Swigatha contains a review in chronological order of each book, including a brief look at the plot, then the characters and the attitudes of the characters at the time, supported by many quotations from the text. Each one is given a totally subjective Swigatha rating, a what-happened-next item and a few notes about some of the on-screen adaptations. It is designed to be either read in sequence or dipped into, with the result that some background autobiographical details that are relevant

to more than one story are repeated. The review also considers the actual book itself: its front and back covers, its condition and so on.

Ghosthunting Michigan Page und Turner

A new, sexy standalone novel from #1 New York Times Bestseller, Vi Keeland. Terminated for inappropriate behavior. I couldn't believe the letter in my hands. Nine years. Nine damn years I'd worked my butt off for one of the largest companies in America, and I was fired with a form letter when I returned home from a week in Aruba. All because of a video taken when I was on vacation with my friends—a private video made on my private time. Or so I thought... Pissed off, I cracked open a bottle of wine and wrote my own letter to the gazillionaire CEO telling him what I thought of his company and its practices. I didn't think he'd actually respond. I certainly never thought I'd suddenly become pen pals with the rich jerk. Eventually, he realized I'd been wronged and made sure I got my job back. Only...it wasn't the only thing Grant Lexington wanted to do for me. But there was no way I was getting involved with my boss's boss's boss. Even if he was ridiculously gorgeous, confident, and charming. It would be completely wrong, inappropriate even. Sort of like the video that got me into trouble to begin with. Two wrongs don't make a right. But sometimes it's twice as fun.

Mountain Tales McFarland

The epic tale of an endangered Newfoundland community and the struggles of one man determined to resist its extinction. The scarcely populated town of Sweetland clings to the shore of a remote Canadian island. Its slow decline has finally reached a head, with the mainland government offering each islander a generous resettlement package—the only stipulation being that everyone must leave. Fierce and enigmatic Moses Sweetland, whose ancestors founded the island, is determined to refuse. As one by one his neighbors relent, he recalls the town's rugged history and its eccentric cast of characters. For fans of *The Shipping News*, Michael Crummey's prose conjures up the mythical, sublime world of Sweetland's past amid a storm-battered landscape haunted by local lore. In a spare style that belies "huge emotional depth and heart" (Celeste Ng, author of *Everything I Never Told You*), Crummey masterfully weaves together the past and present, creating in Sweetland a spectacular portrait of one man's battle to survive as his world vanishes around him. Winner of Newfoundland Book Award Short-listed for

the Governor's General Award Winner of the CBC Bookie Award for Fiction Finalist for the Winterset Prize
