Chaperoned at every turn in her Dublin home, Kate O'Barry's horizons have been limited. When her exasperated parents pack her off to her uncle's house in Stockholm hoping that her infatuation with an unsuitable young man will pass, they have no idea what mischief their decision will cause. Kate sets out to experience life on her own terms, from the fairytale castle of Valholm, hereditary seat the dashing Count Hamilton, to the wretched tenements of the poor. Along the way she learns important lessons - about

independence, responsibility and love.

"This memoir is an extraordinary example of how you can survive and thrive in the face of unfair change." —Spencer Johnson, MD, #1 bestselling author of *Who Moved My Cheese?* "Suicide haunts you as something to hide, something to be

ashamed of, something that keeps reminding you that your family is damaged, scarred . . . It's a dark, ugly secret that you don't want to share." From bestselling author and self-help guru Lucinda Bassett, comes an intimate and empowering memoir. A few years ago, Bassett's husband and business partner, David, committed suicide after an agonizing year's struggle with mental illness. Lucinda and her children were devastated. Unbelievably, within just a few months of his death, she lost her brother, and then her mother. And to add to the overwhelming anguish she was already experiencing, Lucinda was then forced to sell her business during an economic downturn. In this gripping account, Bassett digs deep inside herself to uncover the patterns of guilt, blame, anger, and shame she experienced throughout her life, and how they resurfaced and related to these horrific and painful recent tragedies. Her remarkable story is one of complete and candid intimacy, personal introspection, courage, pain, perseverance, and, ultimately, healing. "An intimate, powerful, and riveting story of success and loss . . . This book will be an inspiration to many,

especially to anyone who has lost a loved one to suicide." —Daniel Amen, MD
"Lucinda Bassett's life journey will inspire others to move beyond extreme pain and find peace again. I recommend this book to anyone who has experienced loss and heartbreak—and that would be just about everyone." —Kenny Loggins,

Grammy®-winning singer, songwriter, guitarist, and author

Discover this beautiful winter gem of a novella that makes the perfect stocking filler this Christmas. 'I may have been gone a long time, but I'm no stranger...' Manfred walks alone through a snowy valley, surrounded by his memories, on a pilgrimage of sorts to his childhood home. He's been estranged from his brother Sebastian for decades, ever since their bitter feud over the love of a woman and the inheritance of the family farm. *Twelve Nights* transports us to the wintry depths of Europe's Black Forest, through the stillness of the snow-covered hills, the dense woods, the cold and mist, in those dark, wild days between Christmas and Epiphany. These nights are a time of tradition and superstition, of tales told

around the local innkeeper's table of marauding spirits, as tangible as the ghosts of Manfred's past. But the twelfth night, Epiphany, promises new beginnings, and a hope of reconciliation at last. *Twelve Nights* is a hymn to the winter landscape and the power of storytelling, a beautiful novella of the natural world and our place in it.

"Told through interlocking narratives, this poignant debut novel captures a year in the life of a small Vermont town—but don't let the pastoral locale fool you; this book is anything but sleepy. Moving effortlessly from the steamy to the heartbreaking, the novel handles themes such as poverty, first love, drug abuse, unplanned pregnancy, and lust with refreshing nuance." —Oprah Daily
A vivid and moving portrayal of the intricate web of relations and fate in a small New England town, told with interlocking storylines in a unique and mesmerizing voice of uncommon power in this debut novel. May has arrived in the tiny hamlet of Glenville, Vermont, bringing with it currents of rejuvenation and rebirth. For 3 families, though, the year ahead will prove to be a roller coaster of life-changing events, promises, and tragedies. *Liquid, Fragile, Perishable* unspools via a chorus of unforgettable voices: an old-school Christian beekeeping family and newly transplanted New Yorkers; a trio of teenage girls and a deeply rooted family of ne'er-do-wells; and one woman who just wants to live alone in the woods. The shifting set of relations

among the citizens of this community encompasses teenage pregnancy, drug abuse, poverty—and a cavalcade of thwarted dreams, young love in bloom, and poignant missed connections. This powerful debut is a subtle and beautiful story about the interlocking relationships among the residents of a small town out of Sherwood Anderson or Thornton Wilder—but with a very contemporary set of problems ... By turns sexy, shocking, and wistful, this coruscating debut conveys the hopes, the sadness, and the secrets of a whole great world. Told in a vivid style of complete distinction, the novel has a magic and a momentum all its own, giving a look into the aching, silent heart of America.

NATIONAL BESTSELLER • A modern classic of true crime, set in a most beguiling Southern city—now in a 30th anniversary edition with a new afterword by the author “Elegant and wicked . . . might be the first true-crime book that makes the reader want to book a bed and breakfast for an extended weekend at the scene of the crime.”—*The New York Times Book Review*
Shots rang out in Savannah's grandest mansion in the misty, early morning hours of May 2, 1981. Was it murder or self-defense? For nearly a decade, the shooting and its aftermath reverberated throughout this hauntingly beautiful city of moss-hung oaks and shaded squares. In this sharply observed, suspenseful, and witty narrative, John Berendt skillfully interweaves a hugely entertaining first-person account of life in this isolated

remnant of the Old South with the unpredictable twists and turns of a landmark murder case. It is a spellbinding story peopled by a gallery of remarkable characters: the well-bred society ladies of the Married Woman's Card Club; the turbulent young gigolo; the hapless recluse who owns a bottle of poison so powerful it could kill every man, woman, and child in Savannah; the aging and profane Southern belle who is the “soul of pampered self-absorption”; the uproariously funny drag queen; the acerbic and arrogant antiques dealer; the sweet-talking, piano-playing con artist; young people dancing the minuet at the black debutante ball; and Minerva, the voodoo priestess who works her magic in the graveyard at midnight. These and other Savannahians act as a Greek chorus, with Berendt revealing the alliances, hostilities, and intrigues that thrive in a town where everyone knows everyone else. Brilliantly conceived and masterfully written, *Midnight in the Garden of Good and Evil* is a sublime and seductive reading experience.

In the 1950s, I lived under apartheid in South Africa, with a Catholic, Lebanese

mother and an English father. I was one of six. I grew up playing games like hopscotch, totally oblivious to the apartheid regime. Fast forward to 1994, and I'm forty-one years old and waiting in a long queue for hours to vote for Nelson Mandela. In her lighthearted and adventurous memoir, Ellie Levinson takes readers to the small, gold-mining town of Welkom, South Africa, where she and her five siblings attend school and give up sweets for forty days every Lent, as if queuing for the loo every morning isn't enough to atone for their sins! When Ellie grows up and leaves her hometown of Welkom, she becomes a teacher, falls in love with an adopted Jewish medical student, Ivan, and marries him under a chuppah. In their adventures together, they find themselves in war-torn Rhodesia and travelling across Europe in a campervan. Later, after living in London for a year, Ellie and Ivan have four children, return to the Church of Rome, where the children are all christened, and vote for Nelson Mandela in the first free election in South Africa. Join Ellie on this trip through her exciting and unusual life, follow along as she stamps her passport

with the forty-two countries she's visited, and watch as she learns that life is just like a game of hopscotch, with infinite players, life-defining markers, and a hop away from the next adventure.
