edition Workbook reinforces what is learned in each English File lesson, and can be used as extra practice during class, or set as homework. Oxford University Press 9 units Practical English lessons with video Consolidation and review pages after each unit Communication section and Listening scripts Grammar Bank, Vocabulary Bank, Irregular Verbs, and Sounds Bank
American English File 3E Level 5 Student Book OUP Oxford

"Texts must be interesting enough for students to want to read them in their own language. Otherwise, how can we expect students to want to read them in English?" This is the authors' golden rule when they choose texts and topics for every level of American English File. It ensures you get material that learners will enjoy reading and will want to talk about. Texts such as "Could you live without money?" really help to generate opinion and discussion. They create a desire to communicate.

Having created the desire, American English File then helps you to develop learners' communication skills. One way it does this is with a strong focus on pronunciation. Research shows that poor pronunciation is a major contributor to breakdowns in communication (Jennifer Jenkins: *The Phonology of English as an International Language*). American English File integrates pronunciation into every lesson - the "little and often" approach. But that's not all. The unique

English File Sounds Chart puts a picture to each sound in the phonetic alphabet, so learners find it easier to remember the sounds and, ultimately, improve their pronunciation.

English File - New Edition. Pre-Intermediate. Student's Book, Workbook with Key and CD-Extra New English File: Upper-Intermediate: Student's Book English File Third Edition

Upper-Intermediate is suitable for CEFR level B2. English File Third Edition provides a comprehensive package of completely new lessons, and up-to-date texts. A proven balance of grammar, vocabulary and pronunciation and skills gives students the language they need, and fresh, lively lessons and engaging topics make classes enjoyable and provide the motivation and opportunity to practice and improve. Oxford iTools are digital resources to meet

your English language teaching and learning needs. Specifically designed for use on interactive whiteboards, Oxford iTools can also be used with data projectors and PCs or laptop computers. The English File iTools package provides the complete Student's Book, Workbook and Teacher's Book photocopiables on screen as well as interactive activities that provide whole-class fun practice of key vocabulary and grammar. The video material is integrated into

the pages, making it easy to access, and audio tracks can be played by clicking on the page. You can choose to display the script, and if you do, the words are automatically highlighted as they are spoken making it easy for students to follow, and linking listening with reading practice too. Integrated answer keys make self or peer marking much simpler as students will be able to see the correct answer on screen. It offers you the facility to hide parts of the page, highlight text on a

page or type notes/answers on to the page during the lesson. The link tool also allows you to add links to websites to support your lesson material, accessible by a single click.

 English File's unique, lively and enjoyable lessons are renowned for getting students talking.

In fact, 90% of English File teachers we surveyed in our impact study found that the course improves students' speaking skills, communication and language practice than ever before, helping students develop relevant communication skills they can use immediately in the workplace.

English File Oxford University Press American English File Second Edition retains the popular methodology developed by world-renowned authors Christina Latham-Koenig

and Clive Oxenden: language + motivation = opportunity. With grammar, vocabulary, and pronunciation practice in every lesson, students are equipped with a solid foundation for successful speaking. Plus - an array of digital resources provides even more choice and flexibility. Students can learn in the classroom or on the move with Online Practice. language assessment. The first goal is to explore the difference between fairness and justice in language assessment.

The authors distinguish internal and external dimensions of the equitable and just treatment of individuals taking language tests which are used as gatekeeping devices to determine access to education and employment, immigrant status, citizenship, and other rights. The second goal is to show how the extent of test fairness can be demonstrated and improved using the tools of psychometrics, in particular the models collectively known as

Rasch measurement. "This book will have an enormous impact on the field of language assessment. Using Rasch analysis models to explore and identify sources of unfairness, the authors make a compelling case for fairness in the design and implementation of language assessment instruments and for justice in the interpretation and use of test results. A real strength of the book is that it guides readers through analytical

techniques in an accessible way." Dan Douglas, Professor Emeritus, Applied Linguistics Program, Iowa State University.

100% new lessons that work, that are fun, and that get students talking. An expanded Vocabulary Bank. A new Grammar Bank section with rules and exercises. Practical English lessons, a focus on functional language supported by the New

English File Study Link Videos. The same unequalled level of teacher support. More photocopiable materials for teachers, with an extra grammar and communicative activity for every lesson.

American English File 3e Level 4 Student Book
Oxford University Press

English File's unique, lively and enjoyable lessons are renowned for getting students talking. English File, fourth edition, has been built on tried and trusted methodology and contains

uniquely motivating lessons and activities that encourage students to discuss topics with confidence. NEW TO THIS EDITION New and updated texts, topics, and listenings, based on feedback from English File teachers. Each Student Book comes with access to new Online Practice, providing learners with extra practice and activities for each File. Online Practice includes new Sound Bank videos, with the unique opportunity to watch a native speaker pronounce

the sound, and new interactive videos where students can take part in the drama themselves. New video listening activities are integrated into each even-numbered File. These short documentaries and dramas make class time more dynamic and exciting. The Classroom Presentation Tool shows the course content on screen, making it easier for you to deliver engaging lessons. Teacher's Resource Centre allows you to manage all English

File resources and download teaching materials in one place.
