The first book from the imaginative and playful mind of Coral & Tusk, a textile designer, whose lovely animal and natural designs

have become popular staples for interior designers and embroiderers everywhere. Coral & Tusk's playful and sophisticated nature-inspired embroideries evoke joy with their whimsical animals, intricate habitats and organic forms. Stephanie Housley's original designs are beloved by interior designers and laypeople alike for their endearing imagery on linens for the table, living room, walls, upholstery and beyond. This book presents Coral & Tusk's most beloved designs and explores Stephanie's creative process: hand-drawn illustrations that come to life as embroidered textiles. Each animal character, home and scene has a backstory, from playful foxes donned in overalls to mushrooms that double as quarters for inquisitive chipmunks. The end result? An exploration of the mind, craft and process of a designer who sends a love letter to the natural world with every stitch. From the seas to the woodlands with encounters from pocket animals to inspired pattern and mark making, the world of Coral & Tusk connects us to a simpler joy, reminding us to look outside for inspiration within.

"In loving yet unsentimental prose, Sy Montgomery captures the richness that animals bring to the human experience. Sometimes it takes a too-smart-for-his-own-good pig to open our eyes to what most matters in life." —John Grogan, author of *Marley & Me: Life and Love with the World's Worst Dog* A naturalist who spent months at a time living on her own among wild creatures in remote jungles, Sy Montgomery had always felt more comfortable with animals than with people. So she gladly opened her heart to a sick piglet who had been crowded away from nourishing meals by his stronger siblings. Yet Sy had no inkling that this piglet, later named Christopher Hogwood, would not only survive but flourish—and she soon found herself engaged with her small-town community in ways she had never dreamed possible. Unexpectedly, Christopher provided this peripatetic traveler with something she had sought all her life: an anchor (eventually weighing 750 pounds) to family and home. *The Good Good Pig* celebrates Christopher Hogwood in all his glory, from his inauspicious infancy to hog heaven in rural New Hampshire, where his boundless zest for life and his large, loving heart made him absolute monarch over a (mostly) peaceable kingdom. At

first, his domain included only Sy's cosseted hens and her beautiful border collie, Tess. Then the neighbors began fetching Christopher home from his unauthorized jaunts, the little girls next door started giving him warm, soapy baths, and the villagers brought him delicious leftovers. His intelligence and fame increased along with his girth. He was featured in *USA Today* and on several National Public Radio environmental programs. On election day, some voters even wrote in Christopher's name on their ballots. But as this enchanting book describes, Christopher Hogwood's influence extended far beyond celebrity; for he was, as a friend said, a great big Buddha master. Sy reveals what she and others learned from this generous soul who just so happened to be a pig—lessons about self-acceptance, the meaning of family, the value of community, and the pleasures of the sweet green Earth. *The Good Good Pig* provides proof that with love, almost anything is possible.

Four razor-sharp thrillers in the long-running series from a New York Times–bestselling author—and “one hell of a writer” (*New York Post*). Proclaimed the “Joseph Wambaugh of the judicial system” by the *San Diego Tribune*, trial lawyer Robert K. Tanenbaum crafts his legal thrillers with authenticity and breathtaking suspense. In these four entries in the series, Manhattan assistant district attorney Roger “Butch” Karp and Marlene Ciampi fight the good fight against crime and an often-corrupt judicial system with energy, wit, and a passion for the truth (*New York Post*). *Corruption of Blood*: Butch has just found evidence that could prove who really killed JFK, and he's about to find out that the conspiracy behind the assassination is still alive—and

still deadly . . . “[His] most enthralling legal thriller to date.”
—Vincent Bugliosi *Falsely Accused: When New York’s chief medical examiner is wrongly fired, he goes to Karp for justice—only for Butch to discover corruption far deadlier than he’s ever seen . . .* “[An] “electrifying page-turner.” —Kirkus Reviews
Irresistible Impulse: A racially charged murder pits Butch against a flashy defense lawyer in a case so divisive it could drive the city to tear itself apart . . . “The suspense here is Hitchcockian.” —Publishers Weekly
Reckless Endangerment: Drug kingpins are being murdered all over Manhattan, and Butch must help the police find a vigilante who has more in mind than justice . . . “A three-ring circus of mayhem and mystery.”
