The people she trusted have betrayed her, the world she grew up in has crumbled to the ground, and out of the rubble, she's trying to forge something new. All he knows is he'll do whatever he has to do to protect

her from getting hurt. Nothing and no one will touch what's his. But the Lost Saxons are more divided than ever before and bridging those gaps is not going to be easy. Beth knows she has to fix things before her family is destroyed and she knows the only way to do that is with Logan at her side. Together, can they renew the bonds of brotherhood and rebuild the club before it's too late? #5 Forbidden Rider Betrayal will destroy them, but love will renew them... And together cant they overcome the tribulations facing the Club? #7 Fallen Rider As Vice President of the Devil's Dogs, Dane knows dating another club princess is a huge no-no. "An impassioned cautionary tale espousing the potential dangers of artificial intelligence in an increasingly dependent world." - The Independent Book Review Welcome to District 33, a crime-infested slum in which only the strongest and most savvy can hope to survive. Kim never set out to be a rebel; all she ever wanted was to settle down with Shan, but the Als caught them in a flagrant act of unsanctioned intimacy, and now she has been exiled to the dangerous and decrepit outer districts. Unbowed and defiant, she struggles to survive, even as the dark masters of the Als scheme to draw her back under their control. She disappears into the shadows and thinks she has escaped—until an unexpected encounter in the parallel world of virtual reality draws her back into the fire. And sets the stage for an epic confrontation that threatens a new world order. Drawing on images of decaying civilizations, Stanfill creates a dark and forbidding world in which nothing is ever as it seems and the only way to survive is to claim the shadows as your own. Praise for *The Prophecy of the Heron*: "A wonderfully complex and thoroughly immersive book perfect for readers who grew up on dystopian YA. Tight plotting, a rich tapestry of character-centric threads, and nonstop action make this a must-read. Highly recommended." -The Prairies Book Review "An impassioned cautionary tale espousing the potential dangers of artificial intelligence in an increasingly dependent world. With even pacing and a

plot that keeps you guessing, this book ends up both as an enjoyable page turner and a resource that could teach us all a thing or two about artificial intelligence." - The Independent Book Review

"So, You Want to be a Prophet... Are you crazy?" is a warning and an encouragement to those who desire to serve as prophets of the Lord but are unaware of a painful process appropriately called 'the furnace of affliction'. Many people want to be prophets, but for the wrong reasons. Some prophets say only a crazy person would want to be a prophet of the Lord. That is not to diminish the honor of the position; it is simply because of the commensurate suffering and consecration. Many people witness prophets preaching fire in churches, but only a few ever see the fiery trials they endured in the process of becoming prophets, a painful process that may take years. In Kollin's previous book, "Raised in the Wilderness: Rogue Reformers, Rallying the Remnant," he discussed how the Lord molds prophets outside of the institutional church, oftentimes insulated and isolated. Now, in "So, You Want to be a Prophet... Are you crazy?," he presents some of rigors of prophetic ministry many aspiring prophets overlook when studying the Biblical prophets. He also boldly shares a part of his own journey where he endured hell on earth as witches and evil spirits tried to make him walk away from his calling, and his beloved God. "So, You Want to be a Prophet... Are you crazy?" is absolutely meant to present hard truths to

deter anyone from trying to become a prophet, unless the Lord calls. Jesus said many are called but few are chosen. Sadly, fewer endure until the end. Being a prophet is not for everyone. The Lord has a customized program for every person He calls into prophetic ministry, for the perfecting of the saints, and some suffer more than others. All prophetic candidates and prophets suffer, but it is to ensure they do not crumble under the adversities they will face during their respective ministries. If you desire to become a prophet, "So, You Want to be a Prophet... Are you crazy?" will help you determine if the source of the desire is from your flesh or potentially from the Lord. Can you endure the Lord's process in the 'the furnace of affliction'?

"A completely unique take on life in hell. Snappy dialog and a bizarre backdrop set this adventure tale apart from the pack." —Christopher Moore, New York Times—bestselling author of *Lamb: The Gospel According to Biff, Christ's Childhood Pal* Why have certain denizens of Hell taken to throwing farm animals through innocent folks' kitchen windows? How long does it take a dead, desiccated gas attendant to walk out to his pumps? What sort of relationship do the Lord of the Underworld and Hell's Head Torturer have besides the obvious professional one? What kind of air conditioning units do they use down there? Do they listen to Cyndi Lauper? What is Hell's official currency, and by what criteria did The Big Red Fella choose it? Can pigs eat cereal with a spoon? What nameless beast dwells in the flame pit near the hole to Upside? What is Upside, for that matter, and why should you care anyway? Within the pages of this book, you will find the answers to these pressing questions, as well as answers to other, significantly less pressing questions . . . "A raucous blood-and-guts pulper, complete with hardboiled mugs like PigBoy, Tom China, and Portnoy Spavin. By setting his hero's mysterious quest in Hell itself, Brett Alexander Savory has started a whole new genre: Actual Underworld Noir." —Stewart O'Nan, author of *Snow Angels* and *Faithful*, co-written with Stephen King "Distinctive and bizarre—and I mean that in a good way—this is a fine ride through some very unusual territories." —Michael Marshall Smith, author of *Spares* and *Only Forward* *The Gospel Unpacked* Sophia Institute Press

Within the divided land of Cumerous, where each city has its own set of laws and rulers, an epic adventure is brewing as a terrific army threatens all life within Cumerous's borders. Cumerous is a land on the world of Vashundhara, where thousands of years ago a war between gods brought about the destruction of all unity between races. This tale begins when Quinn, a sorcerer of deadly magic, uses a huge army to try and conquer Cumerous and a magical land called Nexivian. The races unite when an isolated forest boy, a band of broken mercenaries, two powerful fairies, and a mysterious group of elves, race against time to stop the destruction of their homeland by the hands of Quinn. What no one realizes, however, is that a greater power lies in wait, one that could destroy the world of Vashundhara if not stopped. Within this cloud of chaos steps a lone figure: A prophet. As the last of his race, he might be the only strand of hope the world has left.

In August 2009, Sheela Jon came to Nepal and met a 3 year old blind girl in the main government orphanage. Her niece picked the little girl up, and the workers told her not to pick her up as she has 'bad karma' as she is blind. She came back in 2010 and met the little girl again, and had a strong calling to adopt her and bring her back to the UK. In September 2011, she embarked upon the long and arduous process of adoption under Nepalese law, battling with officials who considered her to be a woman with no standing and the little girl to be completely invisible. She discovered corruption and abuse, and finally her daughter's visa to the UK was refused, and she is still in Kathmandu waiting for the appeal to be heard.

In the final days of World War II, early one frosty morning, a young German pastor was taken from his cell by his Nazi captors and led to his place of execution. Coming

from one of Berlin's leading families, Dietrich Bonhoeffer's already brilliant academic and church career was thus brutally terminated. Bonhoeffer found himself in such a strange place for a theologian, being one of the very few in the German Church who stood resolutely opposed to the Nazis to the point where he, as a one-time pacifist, became deeply involved in the conspiratorial plot to kill Hitler and bring down the regime. This course of action saw him enter the murky sphere of secrecy and duplicity as a member of the conspiracy, while two-timing the Nazis as a member of military intelligence. Using that official role, Bonhoeffer was able to travel and communicate with his international ecumenical contacts as part of the conspiracy's attempt to strike a deal with the Allies to end the war. From a dark period, Dietrich Bonhoeffer, brave and resolute, stands as a bright and shining light.

This is a compendium of five books about specific aspects of Christianity. I originally wrote this series of books after an NDE, when I went looking for answers and kept finding only questions. I sought comfort and peace for my damaged, embattled mind. I found it in the Bible. I was also shocked by the blatant contradictions I found between what the Bible says and what the church teaches. I truly felt called to write these books, and that same call continues to this day. I feel like I have a mission: not to convince anyone of anything, but to point out these contradictions and issues so that people can consider them for themselves. The five books collected within are "The Truth About Christianity," "The Gospel Unpacked," "Parsing the Parables," "The Devil Unmasked," and "Revelation Revealed." They've been out for two years now and I've kept praying and learning, so I've made a few minor updates. Still, they are informative and hard-hitting. This book pulls no punches. It is my genuine hope that this book helps you find, have faith in, and grow closer to God.

Satan wanted Nathan Berry's soul and sent two of the most evil demons he could find after them. Trouble starts when the

Masters family (possessed by demons) move in next door. The Penny Masters demon immediately begins fostering resentment between Nathan and Eunice Berry. The pressure of her devilish influence is so intense that even Sarah Sarah, Nathan's pet cat, and Baroness his dog, are caught up in it. Meanwhile, almost every demon in Hell is searching for a fabulous treasure belonging to Hillbelly Clanton, she of the straggly hair, and Calamity Clanton, he of the rickety lectern. The Angels rally round, but fail to stop the demons from locating the treasure. The universe is caught up in a conflict of cataclysmic proportions.

A detailed look at the gospel message by examining Jesus's words and actions. This book is my attempt at clarifying the gospel and making its message more accessible to those who have trouble with the Bible's archaic language and cultural concepts. It is my genuine hope that this book helps others relate to the New Testament story and message. This is the second book in my Biblical Christianity series.

It's a typical Sunday for Reverend Alvin's Baptist congregation: Sunday school, fellowship, and Bible preaching are a familiar part of the celebration. Underlying

the familiar routine is the feeling that something extraordinary is about to happen. When something extraordinary actually does transpire, it's nothing short of the Rapture. Reverent and inspirational, *The Adventures of Grumpy Alvin* is a collection of interconnected stories that explore themes of salvation and eternal life. Combining S

*The House of the Prophet* is Louis Auchincloss's searching novel of Felix Leitner, one of the most influential men of his time. Political philosopher, columnist, adviser to American presidents, Leitner will doubtless bring to many readers' minds the late Walter Lippmann, portrayed in the fine biography by Ronald Steel. Indeed, in his new introduction, Auchincloss makes plain that "the idea of writing a novel inspired by, though by no means based upon, the life of Walter Lippmann was unlike any fictional idea that I have had before or since." He candidly adds, "I was always perfectly aware the Felix Leitner, the protagonist of *The House of the Prophet*, would be instantly related to Walter Lippmann, and I had no objection to this." Whether considered on its own merits or as a major

statement on Lippmann, this volume deserves close scrutiny.

This new children's Christmas book by bestselling author Anthony DeStefano tells the story of a mean-spirited, prideful old ox who has lost his sight"–,"–"both physically and spiritually"–,"–"but who nevertheless experiences the transformative power of God's grace after he witnesses the birth of Jesus Christ in a humble stable in Bethlehem. Illustrated by

New York Times bestselling artist Richard Cowdrey, this new holiday book teaches children the true meaning of Christmas while also explaining the central message of Christianity: that faith in Jesus leads us to resurrection and new life. Moreover, it shows the profound connection between spiritual pride and blindness. Like the main character in Dickens' *A Christmas Carol*, this Scrooge of an ox is a slave to his own anger and crippled by his own coldness. He seems destined to live out his days frustrated, unhappy and alone"–,"–"until he makes a life-altering decision of faith that brings him the miraculous gift of healing and joy. This uplifting, inspiring book will delight all Christians, though Catholics especially will appreciate its powerful Eucharistic message. Connecting the manger in the stable, from which the ox eats his food, to birth of the Son of God, the story shows that Jesus is the Bread of Life; that he came into the world to feed the hungry, to restore sight to the blind, and to set free those who are captive to sin. All of this is contained in a 32-page picture book that is sure to entertain and enthrall children with its adorable rhymes and beautiful illustrations for years to come.
