DAKOTA HUFFMAN

The Rejection of Consequentialism

Coach House Books
A pioneering work that demolished the widespread claims that African Americans accepted slavery and were passive. Exposed the true nature of slavery.

Annual Magazine Subject-index Oxford University Press, USA

'All in the Family' quickly did more than become a top-rated, Emmy Award&-winning series that promoted a positive, progressive agenda. This revolutionary show about a reactionary man helped foster an openness in culture. It transformed the very nature of what could be broadcast into our

homes, and paved the way for other shows with working-class as well as racially diverse protagonists. During 'All in the Family's nine seasons on CBS, creators Norman Lear and Bud Yorkin used their series as a televised soapbox to masterfully portray the upheavals and concerns racking the United States. Half a century later, its humor and message remain

prescient, as it plumbs problems that still vex our families and society, and seeks to understand and explain the very soul of America.

Slavery, War, and Revolution Duke

University Press Books

Baker envisages the mission of black culture since the 1920s as "Afro-American spirit work." In the blues, the post-modernist "chant poem," the oratory of Malcolm X and the political plays of Amiri Baraka, Baker notes the unfolding creation of a "racial epic" in which

black Americans may discover their place in U.S. society and find their ancestral roots. He analyzes Jean Toomer's stream-of-consciousness protest novel *Cane*, ponders why apolitical poet Countee Cullen became a voice of the people and pays tribute to critic-poet Larry Neal and to Hoyt Fuller, the editor of *Negro Digest* who allied himself with the Black Arts movement. He also traces his own shift from "guerrilla theater revolutionary" to embattled theoretician.

The Life of Captain

Cipriani (1932) is the earliest full-length work of nonfiction by the Trinidadian writer C. L. R. James, one of the most significant historians and Marxist theorists of the twentieth century. It is partly based on James's interviews with Arthur Andrew Cipriani (1875-1945). As a captain with the British West

Indies Regiment during the First World War, Cipriani was greatly impressed by the service of black West Indian troops and appalled at their treatment during and after the war. After his return to the West Indies, he became a Trinidadian political leader and advocate for West Indian self-government. James's book is as much polemic as biography. Written in Trinidad and published in England, it is an early and powerful statement of West Indian nationalism. An excerpt,

The Case for West-Indian Self Government, was issued by Leonard and Virginia Woolf's Hogarth Press in 1933. This volume includes the biography, the pamphlet, and a new introduction in which Bridget Brereton considers both texts and the young C. L. R. James in relation to Trinidadian and West Indian intellectual and social history. She discusses how James came to write his biography of Cipriani, how the book was received in the West Indies and Trinidad, and

how, throughout his career, James would use biography to explore the dynamics of politics and history.

The Secret Language of Film Bruno Del Medico Editore

Carriere, whose screenwriting credits include The Tin Drum, The Unbearable Lightness of Being, and Cyrano de Bergerac, explores the vocabulary of the visual language of film. Filled with anecdote and insight, this book provides readers with an illuminating new way to see and enjoy the

movies.

Under the Black Flag Duke University Press

A young woman poses for the cover of a magazine.

A Canadian soldier

serving in Kandahar falls in love with her

photograph and sends her an email. The Darling of

Kandahar tells an

astonishing story of love, loss, and displacement

against the background of the war in Afghanistan, of

the founding of the city of Montreal and of a city now

crowded with immigrants.

When Felicia Mihalis first novel appeared in French

in 2002, it was compared to Marie-Claire Blais's masterpiece, *A Season in the Life of Emmanuel*.

Making her English-

language debut with *The*

Darling of Kandahar,

Mihali now joins Nancy

Huston as one of the few

writers working in English

as well as French.

LIFE All in the Family

Rowman & Littlefield

In this book, written after

The Colonizer and the

Colonized and *Portrait of a*

Jew, Albert Memmi writes,

"It is true that all

oppression has a strong

tendency to become a

total oppression, but it is

a question of degree and

nuance, of generalities

and accent. The specific

conditions of each

oppression consists

precisely of such degrees

and particular intonations.

The Jew is not oppressed

as a member of a class,

which distinguishes him

from the proletariat, for

example. Nor is he

oppressed as a member

of a biological group,

which distinguishes him

from Negroes or women.

He is affected as a

member of a total, social,

cultural, political and

historical group. In other words, the Jew is oppressed as a member of a people, a minor people, a dispersed people, a people always and everywhere in the minority (which distinguished him from the colonized, also oppressed as a people, but a people in the majority). [...] The Jew must be liberated from oppression, and Jewish culture must be liberated from religion. This double liberation can be found in the same course of action — the fight for [the State

of] Israel.” Portrait of a Jew and The Liberation of the Jew “form a whole: the beginning and the outcome of a passionate quest. The first offers a diagnosis, the second a remedy. [...] Both are written with moving sincerity [...] As a personal document, Memmi’s introspective study is valuable. Thought-provoking and disturbing in the best sense of the word, it allows us to look into the tormented mind and soul of a distinguished Jewish writer who aspires to live

honestly while belonging simultaneously to two worlds. His doubts and affirmations carry the weight of testimony.” — Elie Wiesel, The New York Times “Portrait of a Jew and The Liberation of the Jew [are] filled with a Jewish existentialism marked by quest for identity and self-affirmation far more psychological and sociological than traditionally religious.” — Richard Locke, The New York Times “[The Liberation of the Jew] is in large measure a personal

record. It is a moving record [...] The poignancy of this unique work stems from its being a courageous self-analysis by a highly sensitive artist. Its confessional honesty is complete.” — Louis Schwartzman, *Journal of Jewish Education*

“A” Manual of English Literature and of the History of the English Language, from the Norman Conquest with Numerous Specimens

Univ. of Tennessee Press
Ostensibly a satirical look at psychoanalysis and its

practitioners, this novel is also a serious social critique of modern man. From his depictions of pompous therapists to his analysis of the intersection of church and state, Camon's wit and wisdom shine in this remarkable novel.

Restoring the Balance

Duke University Press
The Haitian Revolution of 1789–1803 transformed the Caribbean's wealthiest colony into the first independent state in Latin America, encompassed the largest slave uprising in the Americas, and

inflicted a humiliating defeat on three colonial powers. In *Haitian Revolutionary Studies*, David Patrick Geggus sheds new light on this tremendous upheaval by marshaling an unprecedented range of evidence drawn from archival research in six countries. Geggus's fine-grained essays explore central issues and little-studied aspects of the conflict, including new historiography and sources, the origins of the black rebellion, and relations between slaves

and free people of color. The contributions of vodou and marronage to the slave uprising, Toussaint Louverture and the abolition question, the policies of the major powers toward the revolution, and its interaction with the early French Revolution are also addressed. Questions about ethnicity, identity, and historical knowledge inform this essential study of a complex revolution.

The Black Jacobins

Reader Linda Leith Pub
Incorporated
In this new edition of

Nkrumah and the Ghana Revolution, C. L. R. James tells the history of the socialist revolution led by Kwame Nkrumah, the first president and prime minister of Ghana. Although James wrote it in the immediate post-independence period around 1958, he did not publish it until nearly twenty years later, when he added a series of his own letters, speeches, and articles from the 1960s. Although Nkrumah led the revolution, James emphasizes that it was a popular mass movement

fundamentally realized by the actions of everyday Ghanaians. Moreover, James shows that Ghana's independence movement was an exceptional moment in global revolutionary history: it moved revolutionary activity to the African continent and employed new tactics not seen in previous revolutions. Featuring a new introduction by Leslie James, an unpublished draft of C. L. R. James's introduction to the 1977 edition, and correspondence, this

definitive edition of Nkrumah and the Ghana Revolution offers a revised understanding of Africa's shaping of freedom movements and insight into the possibilities for decolonial futures.

Blood Cinema Pantheon
 "I would like now to write a practical book that will cover three topics: boats, the sea, and the beachcombing life." These were the thought of Bernard Moitessier after he finished writing his last book, *Tamata* and the Alliance, while in

Polynesia. The great master died in 1994 and never completed the book, but here it is, meticulously collected from his many writings, published and unpublished, by his companion Véronique Lerebours Pigeonnière. Moitessier's notebooks include all the know-how and the 1001 tips of this legendary sailor, the knowledge he acquired on the water, in meeting with sailors, during long passages, and during his many years living on various islands. The first

part of the book details how to prepare for an extensive cruise, what kind of boat to choose, the rigging, the sails, the anchors, on deck and below deck. The second part describes the passage: the weather, navigation, watch-keeping, and heavy weather. In the third part, Moitessier takes us to the South Sea islands and shows how to adapt to living on an atoll, gardening, fishing and attaining self-sufficiency. Climbié Heinemann Educational Publishers

"This is the most complete, in-depth, sophisticated study of Spanish cinema available in any language."—Marvin D'Lugo, author of *The Films of Carlos Saura*

American Negro Slave Revolts Phaidon Press

The fascinating inside story behind the cult French fashion label A.P.C. A.P.C. (Atelier de Production et de Création) was created as a reaction to the excesses of the 1980s, and the minimalist designs of founder Jean Touitou now have a cult following. This compelling

book, published on the occasion of A.P.C.'s 30th anniversary, carries the same minimal aesthetic - yet it's packed with never-before-seen illustrations and ephemera. Part retrospective of the brand and part personal scrapbook and visual diary, the book includes invitations, postcards, ad campaigns, images of their stores, and collaborations with other designers.

3rd updated edition.

Pages 154. Illustrated with 30 freely reproducible mini-posters

On January 27, the European Center for Disease Control defined the risk that Covid-19 could reach Europe as "moderate". Today, two months later, the virus has practically invaded all continents. In the new edition this book has been heavily updated, but the initial premise remains valid. There is a big need for information. Only the knowledge of a danger can help to overcome it. Often, however, information

reaches us fragmented, full of incomprehensible technical terminologies or distorted by the disinformers who infest the web. Discrepancies in opinions among scientists increase confusion. This book was written to be understood. The author is an expert communicator in scientific subjects. He clearly presents a great deal of advice and recommendations relating to prevention along the lines of the WHO and ECDC. Furthermore, the book clarifies many controversial aspects such

as the possibility of contagion from objects, and the possibility of infecting or being infected by pets. Considering the spread of the virus, the book proposes new topics of great relevance. When will this pandemic end? But above all, "after" what will happen? What will be the consequences in terms of social relationships? What will the economic consequences be? There is one question that includes all the others. When will we go back to normal? There is only one

possible answer. We will never go back to normal. When the tsunami has passed, nothing will be as before. We are experiencing the prelude to a new social organization.

"This book gives glimpses into the life of Climbié, a young boy from the Ivory Coast as he attends colonial French school, and then follows him to Dakar, Senegal where he finishes school and becomes a clerk. Upon his return to the Ivory Coast,

he begins to speak out against colonial oppression and is imprisoned. Throughout the novel, the author attempts to show the tension between Africans, Europeans, and the people who are caught between the two worlds."-

Containing a wealth of new scholarship and rare primary documents, The Black Jacobins Reader provides a comprehensive analysis of C. L. R. James's

classic history of the Haitian Revolution. In addition to considering the book's literary qualities and its role in James's emergence as a writer and thinker, the contributors discuss its production, context, and enduring importance in relation to debates about decolonization, globalization, postcolonialism, and the emergence of neocolonial modernity. The Reader also includes the reflections of activists and novelists on the book's influence and a transcript

of James's 1970 interview with Studs Terkel.

 DIV Le Dictionnaire des écrits de l'Ontario français

(1613-1993) est l'aboutissement d'une entreprise lancée en 1982 par un collectif de chercheurs de Sudbury. Publiée en l'année du 400e anniversaire de la présence francophone en Ontario, il recense tous les ouvrages autonomes parus en français, depuis le Quatriesme voyage du Sr. de Champlain ... en la Nouvelle France, fait en l'année 1613, jusqu'aux écrits beaucoup plus nombreux de l'année 1993. Le Dictionnaire des écrits de l'Ontario français (1613-1993), c'est ainsi la

somme de tous les écrits connus de la langue française dont l'auteur est né en Ontario ou y a vécu et publié ou ayant l'Ontario comme sujet. Le Dictionnaire des écrits de l'Ontario français (1613-1993), c'est aussi la première lecture intégrale de quatre siècles d'écriture en français dans tous les domaines des sciences humaines soit 2 537 écrits imprimés de 1613 à 1993 par 1000 auteurs et présentés en un dictionnaire alphabétique et encyclopédique. Le

Dictionnaire des écrits de l'Ontario français (1613-1993), c'est encore le fruit de la rédaction collégiale de 166 collaborateurs, un outil de référence unique pour les Franco-Ontariens et un guide indispensable pour les chercheurs de la francophonie. Le Dictionnaire des écrits de l'Ontario français (1613-1993), c'est enfin un répertoire des auteurs et leurs écrits, une première bibliographie des écrits franco-ontariens, un index des milliers de personnages et

de lieux cités dans les

écrits et un tremplin
transdisciplinaire pour de

nouvelles recherches. /div
