English for International Communication. Intro, Student's book Cambridge University Press

New Interchange is a multi-level series for adult and young-adult learners of English from the beginning to the high-intermediate level. The New Interchange CD-ROM, Level 2, provides engaging and enjoyable activities for users to do on a computer at home or at school. The CD-ROM contains 16 units and is designed to be used alongside the Student's Book to review and practice the language learned in class. At the core of each unit is a video sequence taken from the New Interchange Level 2 Video. There are also four progress tests. In total, the CD-ROM gives learners more than 100 activities. The CD-ROM can be used on both PCs and Macs.

New Interchange Student's Book 2B Cambridge University Press

New Interchange is the second edition of Interchange, one of the world's most successful English courses for adult and young adult learners at the beginning to intermediate levels. New Interchange incorporates suggestions from students and teachers using the first edition from around the world. It offers more comprehensive grammar presentation and practice, more opportunities to develop listening skills and build fluency, as well as fresh new content in every unit. New Interchange features high-interest topics, a focus on both accuracy and fluency, and a multi-skills syllabus integrating themes, structures, functions, vocabulary, and pronunciation. The underlying philosophy of the course is that language is best learned when used for

meaningful communication. New Interchange is written in American English, but reflects the fact that English is the major language of international communication, and is not limited to any one country, region, or culture.

New Interchange Four Star 2 Cambridge University Press

New Interchange is a multi-level series for adult and young-adult learners of English from the beginning to the high-intermediate level. Workbook B has six-page units that follow the same sequence the Student's Book B. Workbook B contains units 9-16, the second half of the complete Workbook. It has interesting grammar, vocabulary, and writing activities, appropriate for classwork or homework. It also has numerous reading passages that recycle and review language from previous units.

Interchange Intro is the new introductory level for the Interchange series, designed for students of English at the beginner level and learners needing

a thorough review of basic functions, grammar, and vocabulary. Lessons are carefully organized to ease the learning process: New words are presented thematically with clear illustrations and tasks that help students organize their knowledge. Structures are introduced step by step and practiced through communicative activities. Interesting facts and statistics engage students right away in thoughtful interaction on topics such as housing, food, sports, health, and jobs. All of the varied activities reflect the successful multi-syllabus approach of the Interchange series. Additional practice with grammar, reading, writing, vocabulary, and spelling is provided in the Workbook. Also available with the Intro level are Class Cassettes, Student Cassettes, and a Teacher's Manual. The Student's Book, Workbook, and Student Cassettes can be purchased in split editions.
