Equal parts Sherlock
Holmes and P.G.
Wodehouse, Charles
Finch's debut mystery
A Beautiful Blue Death
introduces a
wonderfully appealing
gentleman detective in
Victorian London who
investigates crime as a
diversion from his life
of leisure. Charles
Lenox, Victorian
gentleman and
armchair explorer, likes
nothing more than to
relax in his private
study with a cup of tea,
a roaring fire and a
good book. But when
his lifelong friend Lady
Jane asks for his help,
Lenox cannot resist the
chance to unravel a
mystery. Prudence
Smith, one of Jane's
former servants, is

dead of an apparent
suicide. But Lenox
suspects something far
more sinister: murder,
by a rare and deadly
poison. The grand
house where the girl
worked is full of
suspects, and though
Prue had dabbled with
the hearts of more
than a few men, Lenox
is baffled by the motive
for the girl's death.
When another body
turns up during the
London season's most
fashionable ball, Lenox
must untangle a web of
loyalties and
animosities. Was it
jealousy that killed
Prudence Smith? Or
was it something else
entirely? And can
Lenox find the answer
before the killer strikes
again—this time,
disturbingly close to
home?

Gatsby's mansion on Long Island blazes with light, and the beautiful, the wealthy, and the famous drive out from New York to drink Gatsby's champagne and to party all night long. But Jay Gatsby, the owner of all this wealth, wants only one thing - to find again the

woman of his dreams, the woman he has held in his heart and his memory for five long years. The Great Gatsby, F. Scott Fitzgerald's masterpiece, is one of the great American novels of the twentieth century. It captures perfectly the Jazz Age of the 1920s, and goes deep into the hollow heart of the American Dream.

Written for Learners of

English by Michael Dean. Do you believe in ghosts? Jerry doesn't. He's a nineteen-year-old American, who just wants a good holiday with his friend, Brad. They are travelling round the north of England by bicycle. But strange things begin to happen in the small hotel where they are staying. First, Brad seems to think that he has been there before. And then a girl called Ellen appears . . . The first of these three original plays is set in the seventeenth century, and the other two take place in modern times. In each play, a ghost comes back from the dead to change the lives of living people.

For more than a decade, Wild Earth has dedicated itself to redefining the conservation movement. Where once the goal was to set aside parks and preserves, the emphasis now is on rewilding the land and connecting viable habitats across the continent. In light of these ideas, Wild Earths editor has collected the magazines most provocative articles and essays to date. Contributors include Lyanda Haupt on bird extinction in Hawaii; Pulitzer Prize-winning poet Gary Snyder on the moral shallowness of developers; Paul Martin and David Burney on the reintroduction of elephants to North America; and Jose

Knighton on eco-porn, the promotion of environments as static objects.

"LaTanya McQueen's When The Reckoning Comes is so deliciously uncomfortable there were moments where I had to put the book down, take a deep breath, and like Mira, its protagonist, urge

myself to go further. This is a novel, like Octavia Butler's Kindred, that reminds its readers that as long as people don't acknowledge how much of the past still shapes the present, it will bring its whips, its hatchets, and fists to make us learn." — Megan Giddings, author of Lakewood A haunting novel about a black woman who returns to her hometown for a plantation wedding and the horror that ensues as she reconnects with the blood-soaked history of the land and the best friends she left behind. More than a decade ago, Mira fled her small, segregated hometown in the south to forget. With every mile she traveled, she distanced herself from her past: from her best

friend Celine, mocked by their town as the only white girl with black friends; from her old neighborhood; from the eerie Woodsman plantation rumored to be haunted by the spirits of slaves; from the terrifying memory of a ghost she saw that terrible day when a dare-gone-wrong almost got Jesse—the boy she secretly loved—arrested for murder. But now Mira is back in Kipsen to attend Celine’s wedding at the plantation, which has been transformed into a lush vacation resort. Mira hopes to reconnect with her friends, and especially, Jesse, to finally tell him the truth about her feelings and the events of that devastating long-ago day. But for all its fancy

renovations, the Woodsman remains a monument to its oppressive racist history. The bar serves antebellum drinks, entertainment includes horrifying reenactments, and the service staff is nearly all black. Yet the darkest elements of the plantation’s past have been carefully erased—rumors that slaves were tortured mercilessly and that ghosts roam the lands, seeking vengeance on the descendants of those who tormented them, which includes most of the wedding guests. As the weekend unfolds, Mira, Jesse, and Celine are forced to acknowledge their history together, and to save themselves from what is to come.

NEW YORK TIMES
BESTSELLER • "Once upon a time, there was a woman who discovered that she had turned into the wrong person." The woman is Rebecca Davitch, a fifty-three-year-old grandmother. "You'll want to turn back to the first chapter the moment you finish the last."

—PEOPLE On the surface, Beck, as she is known to the Davitch clan, is outgoing, joyous, a natural celebrator. Giving parties is, after all, her vocation—something she married into after Joe Davitch spotted her at an engagement party in his family's

crumbling nineteenth-century Baltimore row house, where giving parties was his family business. What caught Joe's fancy was that she seemed to be having such a wonderful time. Soon this large-spirited divorcé with three little girls swept Beck into his orbit, and before she knew it she was embracing his extended family—plus a child of their own—and hosting endless parties in the ornate, high-ceilinged rooms of The Open Arms. Now, some thirty years later, after presiding over a disastrous family party, Rebecca is caught unawares by the question of who she really is. Is she an impostor in her own life? Is it indeed her own life? How she answers—how she tries

to recover her girlhood self, that dignified grownup she had once been—is the story told in this beguiling, funny, and deeply moving novel.
