Many years ago, our daughter's kindergarten teacher gave her a beautiful Christmas gift - a booklet of Scriptures and a numbered candle. Each day that December, we gathered as a family and read the scripture for the day by the light of the candle and then took turns praying about the verses. These prayers were simple at first. "Thank you, Jesus, for being the light of the world," little voices would pray. We continued this tradition year after year, and as our children grew, so did their prayers! This became a time of praise and worship to Jesus for His indescribable gift of salvation. Rich conversations about the true meaning of Christmas developed into this devotional book. At the heart of Christmas is love. God's love for us compelled Him to send His Son. Christ's love for us caused Him to leave His home in Heaven to be born as a little baby. Our love for Jesus, in response to His great love for us, should lead us to give Him our praise and worship, not just at Christmas but all through the year. We are often so distracted that we fail to love God with all of our hearts, souls, minds, and strength as He deserves. This Christmas, give God the gift that He most desires, your heart. To prepare your advent candle, you will need a taper candle, a sharpie, and a candle holder. Starting at the top of the candle, number from 25 down to 0 in descending order. You may want to put a dot next to each number and write the year and "Happy Birthday Jesus" at the bottom of the candle. Beginning on December 1st, light the candle, and let it burn down until the first dot and number are gone. As it is burning, read the Scripture and devotion for the day. Let one more number and dot burn away daily as you read and pray until Christmas day. As you countdown the days until Christmas, ask God to help you to fall more and more in love with Him. Give Him the gift of a heart full of love and praise. Our family is praying for you that God will greatly bless you as you spend time with Him reading His Word this Christmas season.

Two-time Newbery Award-winning author Katherine Paterson tells the story of Jesus's life with extraordinary clarity and grace, accompanied by paintings as human and reverent as the text. "When the people looked at all the sadness and evil in the world, they had trouble believing that God was in charge. 'God's kingdom,' said Jesus, 'is as tiny as the smallest of seeds, but when it is planted it grows into such a huge tree that the birds make their nests in its branches.'" Newbery Medalist & minister's wife Katherine Paterson retells the life of Jesus in simple, beautiful language for all ages, making the story new again through her trademark generosity and compassion. Iconic images from Jesus's life light the text with the same warmth and directness. A perfect gift book!

A unique and fresh work that seeks to present Jesus of Nazareth by his own words as HE intended people to view him and hear him. There are many people who know some facts about "Jesus Christ", but there are very few people who have a good and solid understanding of his person and teachings. For example, did you know that Jesus did not teach that he was a sacrifice for people's sins? As bible religion spreads across the earth like a cancer, fewer and fewer people understand the one who calls himself the Light of the world and the Son of Man. What is Jesus' core message? What claims does he make about himself, and can those claims be trusted? Does Jesus give humanity answers to its problems? You will never be able to know the answer to that question unless you read his words yourself. This work contains his words in the four gospels alone with helpful notes to counter the many contemporary religious beliefs which seek to nullify his simple teachings. If you are a skeptic, be a good skeptic and read his words to make a good judgment - don't rely on others. If it is possible his words and story could have been recorded accurately and preserved - and it is possible - what have you got to lose by listening to him? If you are a physicalist - one who believes the human experience can be satisfactorily explained by molecules and proteins - are you 100% certain that belief best explains your personal human experience? To use a computer as an analogy, the hardware cannot account for, nor did it create, the software. In the same manner, the physical human body cannot account for our sentience, abstract reasoning, nor the moral compass that we possess. If call yourself a christian or believe you are somehow "his", this book might provide some critical information that will significantly change your perspective on his person and teachings. As the 'church' experience gets more and more like regular western entertainment, perhaps you can see the negative trend there and search for answers as to how to escape. Tired of the fast food culture of the western world? Can you see the shallowness and emptiness of the 'please myself as my top principle of life' philosophy? Tired of the un-reasoning culture of much of the eastern world? Hopefully, perhaps even tired of the world? Out of all the 'great works of literature', are not the words, teachings and story of the person who is arguably one of the most influential and controversial figures in history, worth reading and considering? There is a single great adventure that waits for those with eyes to see. Just know, it is not an easy adventure, but rather a very difficult one, but the journey and results are more meaningful and satisfying than the greatest adventures the earth can provide. It all starts with giving Jesus of Nazareth your sincere and undivided attention. May this work - which contains his words, story and teachings - be the beginning of that journey. Enjoy!

JESUS IS THE LIGHT OF THE WORLD. HIS FOLLOWER HAS THE LIGHT OF LIFE. Jesus said, "I am the light of the world. He who follows Me shall not walk in darkness, but have the light of life" (John 8:12). The only true God's presence is throughout the earth. His presence is His glory and light . . . the glorious splendor of His majesty. Jesus is the exact representation of God's nature (Hebrews 1:3). Jesus is "the brightness of His glory and the express image of His person" (Hebrews 1:3,5) When someone receives Jesus, they find eternal life (John 3:16). They go from death to life, from darkness to light. What is eternal life? "And this is eternal life, that they may know You, the only true God, and Jesus Christ whom You have sent" (John 17:3). What is God like? He is the most wonderful, most beautiful Person in the universe.

Never has a Pope, in a book-length interview, dealt so directly with such wide-ranging and controversial issues as Pope Benedict XVI does in *Light of the World*. Taken from a recent week-long series of interviews with veteran journalist Peter Seewald, this book tackles head-on some of the greatest issues facing the world of our time. Seewald poses such forthright questions to Pope Benedict as: What caused the clergy sexual abuse in the Catholic Church? Was there a "cover up"? Have you considered resigning? Does affirming the goodness of the human body mean a plea for "better sex"? Can there be a genuine dialogue with Islam? Should the Church rethink Catholic teaching on priestly celibacy, women priests, contraception, and same-sex relationships? Holy Communion for divorced-and-remarried Catholics? Is there a schism in the Catholic Church? Should there be a Third Vatican Council? Is there any hope for Christian unity? Is Christianity the only truth? Can the Pope really speak for Jesus Christ? How can the Pope claim to be "infallible"? Is there a "dictatorship of relativism" today? Twice before these two men held wide-ranging discussions, which became the best-selling books *Salt of the Earth* and *God and the World*. Then, Seewald's discussion partner was Joseph Ratzinger, head of the Vatican's chief doctrinal office. Now, Joseph Ratzinger is Pope Benedict XVI, the spiritual leader of the world's over one billion Catholics. Though Seewald now interviews the Pope himself, the journalist "pulls no punches", posing some of the thorniest questions any Pope has had to address. Believers and unbelievers will be fascinated to hear Benedict's thoughtful, straightforward and thought-provoking replies. This is no stern preachment or ponderous theological tract, but a lively, fast-paced, challenging, even entertaining exchange.

Jesus: *Light of the World* opens with the virgin Mary being told by an angel that she is to conceive and give birth to a son through the Spirit of Holiness. All of this took place to fulfill what was spoken by the Lord Yahweh through Isaiah the prophet, when he said, "Behold the virgin will be with child, and will give birth to a son, and they will call him Immanuel, which means "God with us."

Some five or six years ago I had the opportunity to speak at a womens prayer breakfast in my hometown. The theme for that prayer breakfast was Christian Women, Showing Compassion and Making a Difference. In contemplating what I would use for a subject, God gave me the message *Let Your Light Shine* The message came from Matthew chapter 5 verses 1-15, but the main thought came from verse 14 where Jesus told His disciples you are the light of the world. This book is a direct result of the thoughts that God gave me. That message was not only for those gathered for the prayer breakfast, but it was for me also. I had found my purpose, which was and still is to be a light, one that shines forth for Jesus Christ.
