Washington Irving s

The Legend of Sleepy  
Hollow is one of the  
best-known works of  
American literature.  
But what other myths  
lie hidden behind the  
landscape of New York  
s Hudson Valley? Imps  
cause mischief on the

Hudson River, a white lady haunts Raven Rock, Major Andre's ghost seeks redemption and real headless Hessians search for their severed skulls. Local storyteller Jonathan Kruk tells these and other tales of the lore of the Hudson Valley the stories that have created an atmosphere of mystery that helped inspire Irving's legend." The Lore of the Land Arcadia Publishing This new collection of eighty strange and unusual South Carolina legends is rooted in the state's deep history. Some originated centuries ago, such as the Agnes of Glasgow story in Camden and that of the ghostly dwarf jester Gauche, said to haunt a Beaufort mansion. Certain places hold

secrets from different eras, including White Wolf Road in Blacksburg and the state's numerous historic cemeteries like the one at Salem Black River Church in Mayesville. These pages also contain simple explanations for local lore, like the Gullah tradition behind blue bottle trees that still decorate Carolina gardens today. These and many more crowd-pleasing yarns can be found in this volume from the desk of master storyteller, author and researcher Sherman Carmichael. *Crystal Lore, Legends & Myths* Arcadia Publishing Where can you find the 'Devil's footprints'? What happened at the 'hangman's stone'? Did Sweeney Todd, the demon barber of Fleet

Street, ever really exist? Where was King Arthur laid to rest? Bringing together tales of hauntings, highwaymen, family curses and lovers' leaps, this magnificent guide will take you on a magical journey through England's legendary past.

Legends & Lore of East Tennessee Arcadia Publishing

Like the region's first inhabitants, the 'Cat People,' who made clothing from the mountain lions and panthers that they hunted, Western New Yorkers still savor the tradition of storytelling. Tales such as the 'Mail-Riding Mamma' of Chautauqua County, who carried both the post and her infant child above her head as she journeyed across perilously

flooded creeks, and the Ossian Giant, who at age nineteen stood seven feet, six inches tall and weighed 385 pounds, are vividly narrated by Buffalo storyteller Lorna MacDonald Czarnota. Listen to the whispered legends of spirits, heroes and traitors hidden in one of New York's most captivating regions.

*Mississippi Legends & Lore* Legare Street Press

The unspoiled, wooded landscape of the Arkansas Ozarks is steeped in traditions, where legend and myth are a huge part of history. During the Civil War, when Maranda Simmons boldly retrieved her stolen horses from a Union camp, soldiers believed she was a haint. When a cast-iron

stove fell on Grace Sollis's baby, she gained superhuman strength, picked up the stove to free the baby and then ran circles around the log cabin until she came to her senses. After patiently waiting years for her promised dream house, Elise Quigley and her five children tore down their three-room shack and moved into the chicken house after Mr. Quigley left for work. Join author Cynthia Carroll, a descendant of six generations of Ozark natives, as she details the legends and lore of the Arkansas Ozarks. [History and Legends of the Broad District ...](#) Running Press Adult Abraham Lincoln may have believed in a supernatural world. Accounts by Lincoln tell us about strange

visions and foreboding dreams that he had throughout his life, and one dream in particular may have predicted his own death! Now, nearly 150 years after Lincoln's assassination, people still speak of ghostly encounters with the martyred president today. The book *Lincoln's Ghost: Legends & Lore* is based on the award winning historical walking tour *Lincoln's Ghost Walk: Legends & Lore in Springfield, Illinois*. Moffett has gathered the ghostly legends and lore surrounding Lincoln's life and death and packed them all together in this short book. These are the stories not typically told about Lincoln until now. Stories of Lincoln's ghost wandering are known

all over the world. His troubled soul is said to haunt the White House, his tomb, and the very streets of Springfield where local folklore claims Lincoln walks the streets after midnight. Moffett covers a variety of fascinating topics including Lincoln's spiritual beliefs, and his prophetic visions and dreams. There's tales of Mary's seances in the White House, the death of her children, and her insanity trial. Moffett brings it together with Lincoln's funeral train and his final funeral in Springfield. The text closes with macabre tales of the tomb site, the attempted theft of Lincoln's body, and the last viewing of Lincoln in 1901. The book is packed with tons of factual history, plenty

of lore, and historical photos. Moffett's closing memorializes Lincoln and his family and hopes his readers finish the book with a better understanding of what the family of Lincoln endured just to save a nation. Moffett's unique style of story telling is now put into print and combines factual Lincoln history with the ghostly legends and lore to tell the story of a haunted president.

#### American Monsters

##### Forgotten Books

This illustrated account presents an interesting history of folklore as well as a retelling of famous American legends.

#### **The Mythical West**

##### American Legends

Author Shane Simmons explores tales of bravery, lore and bizarre customs within

the East Tennessee region. The mountains of East Tennessee are chock full of unique folklore passed down through generations. Locals spin age-old yarns of legends like Davy Crockett, Daniel Boone and Dragging Canoe. Stories of snake-handling churches and the myths behind the death crown superstitions dot the landscape. The mysteries surrounding the Sensabaugh Tunnel still haunt residents.

**History of the Cherokee Indians and Their Legends and Folk Lore**

Wentworth Press

In which part of North London were wild beasts once thought to roam the sewers? Why did 1920s working-class Londoners wear necklaces of blue

beads? Who was the original inspiration for the 'pearly king' costume? And did Spring-heeled Jack, scourge of Victorian London, ever really exist? Exploring everything from local superstitions and ghost stories to annual customs, this is an enchanting guide to the ancient legends and deep-rooted beliefs that can be found the length and breadth of the city.

*Lore and Legend of the English Church* Arcadia Publishing

These tales of the mountains, mines, and characters of the Guadalupe range were collected over many years by the author who has explored the area since he was a boy.

### ROMAN LEGENDS

Penguin UK

To access the power of crystals, you must know their stories.

Crystal Lore, Legends & Myths presents these fascinating histories and legends of the world's crystals.

Crystals, gems, and semi-precious stones have long been sought for their beauty, power, and utility. Historically used as adornments, currency, talismans, and amulets, crystals have been reputed through the ages to bestow magic and power on the user.

However, in order to fully harness each stone's unique power, one must know the unique legends and lore attached to it.

Every stone has a narrative or key that

unlocks its power. Oftentimes, these legends have been lost—or even deliberately altered—to confuse and obscure. In *Crystal Lore, Legends & Myths*, leading crystal expert and metaphysical teacher Athena Perrakis presents the fascinating history of the world's most powerful stones. This comprehensive collection of stones presents to you the legends and relics from different cultures and ancient civilizations, including Lemuria, Sumeria, Egypt and Atlantis, among others. Learn the fascinating stories of how gems and minerals were used to raise power, store wisdom and secret teachings, and give incredible healing—and tap into

the powers of the crystals yourself!

*LEGENDS OF THE KAW*  
*THE FOLK-LO* Arcadia Publishing

The battle for Vicksburg roils still, the outcome of the Union siege undecided as specters reload and carry on. The Pascagoula River sings out in grief, and a three-legged lady stalks a country lane outside Columbus. The Magnolia State is more than antebellum homes, fish camps and the blues. This is a land worthy of its matchless storytellers. Even after being passed back and forth between the Spanish, French and British, the ancient energy of the original inhabitants still reverberates through the region. From forgotten tales of African slaves, once

the majority population, to yarns of bloodthirsty backwoodsmen on the Natchez Trace, author Alan Brown goes beyond the bullet points of Mississippi history. The legends often tell a clearer story than anything else.

*Legends and Lore of the North Shore* Alpha Edition

Lincoln's Ghost Arcadia Publishing

Cape Cod has a rich tradition of local lore, stretching back to a time before the Pilgrims arrived.

Ancient Wampanoag legends like Granny Squannit and Princess Scargo are as familiar as tales of pirates and explorers, including "Black Sam" Bellamy and Donald Baxter Macmillan. Felines often blocked "Cat's Alley" in pursuit of food from fishermen's boats. The remnants of Billingsgate Island can be seen at low tide, and visits from Jenny Lind and Helen Keller contrast with the mysterious stories of the "Lady of the

Dunes" and New England's Dark Day. Author Robin Smith-Johnson shares historic tales of shipwrecks, murders, hauntings and more from the Cape.

*History of the Cherokee Indians and Their Legends and Folk Lore* History's Mysteries

From pre-Columbian legends to modern-day eyewitness accounts, this comprehensive guide covers the history, sightings and lore surrounding the most mysterious monsters in America—including Bigfoot, the Jersey Devil, and more. Bigfoot, the chupacabra, and thunderbirds aren't just figments of our overactive imaginations—according to thousands of

eyewitnesses, they exist, in every corner of the United States. Throughout America's history, shocked onlookers have seen unbelievable creatures of every stripe—from sea serpents to apelike beings, giant bats to monkeymen—in every region. Author, investigator, and creature expert Linda S. Godfrey brings the same fearless reporting she lent to *Real Wolfmen* to this essential guide, using historical record, present-day news reports, and eyewitness interviews to examine this hidden menagerie of America's homegrown beasts.

*Legends and Lore of Sleepy Hollow and the Hudson Valley* Palala Press

"Lean back into Louisiana lore with an earful of New Orleans jazz and a bellyful of Cajun cuisine. But when the music dies down and the lights flicker out, hushed conversations bleed into the darker mysteries of the Pelican State. Storied outlaws like John

Murrell, Eugene Bunch and Leather Britches Smith steal into the room. Voodoo priestesses Marie Laveau and Julia Brown are already there, along with the Phantom Whistler and the Axeman of New Orleans. Folklorist Alan Brown educates and entertains with tales of the unseemly, bizarre and otherworldly, like the legends of the Rougarou, the Lutin and the Honey Island Swamp Monster."-- Back cover.

History of the Cherokee Indians and Their Legends and Folk Lore. with a New Added Index Legare Street Press  
Myths, legends, and magic are woven together in a collection of enthralling Irish folktales from the New York Times bestselling

author of the Secrets of the Immortal Nicholas Flamel series. A competition to become King of the Leprechauns... A trick designed to fool the Queen of the Fairies... A terrifying lake monster confronted by the unlikeliest of heroes... Nine Irish legends come to life in these timeless, action-packed folktales about mythological creatures and epic heroes. A master of Irish mythology, bestselling author Michael Scott has crafted stories guaranteed to enthrall young readers who love magic, legends, and lore. And don't miss the companion collection of Irish fairy tales, *Magic & Myth! History's Mysteries: Legends and Lore* Arcadia Publishing Wisconsin is a land rich

with stories. It was the "mother of all circuses," a place of buried treasure and home to eerie ghosts and monsters. Native American legends, tall tales told at lumberjack camps and taverns, ghostlore and modern urban legends all form the wonderful mythology of the Dairy State. Many know of Rhinelander's famous Hodag, the Beast of Bray Road in Elkhorn, Milwaukee's haunted Pfister Hotel and the Ridgeway Ghost. But few have heard obscure tales like the Christmas Tree Ghost Ship of Two Rivers, the Goatman of Richfield's Hogsback Road and the legend of the Witch's Tower of Whitewater. Author Tea Krulos, an expert in all things strange and unusual, digs up

Wisconsin favorites  
and arcane lore.
