What does it mean to be pastoral?
Throughout his twenty-five years
immersed in congregational life and the
inner workings of the The Lutheran

Church-Missouri Synod, Rev. Dr. Matthew
C. Harrison learned a humbling thing or
two about ministering to the people of
God. Being a pastor always comes back to
being a shepherd-loving the souls
surrounding you and leading by conviction
of God's Word of truth. This collection of
pastoral letters penned by Rev. Harrison is
a window into the heart of a man who
cares deeply about the spread of the
Gospel and the pastors and church
members who do just that on a daily basis.
A majority of these letters are taken from

The Lutheran Witness articles featured in the "from the president" section, issues September 2010-April 2016.

Have you ever felt in over your head? When Eric Peterson became the pastor of a brand-new church, he quickly and wisely turned to his dad for guidance. Eugene

Peterson, author of more than thirty books including his bestselling memoir *The Pastor* and his groundbreaking Bible *The Message*, here reflects on pastoral ministry in all its complexity--from relationships to administration to the sheer audacity of leading God's people in a particular place. This is Eugene Peterson at his best--lifelong wisdom written with deep love. As the reader, you will glimpse into the tender, witty, personal side of Eugene mentoring his own son. These intimate letters will be treasured by all who read, and applicable to church leaders around the globe. Purchase individually or together with *Letters to a Young Congregation* as a memorable gift for a church leader or seminary graduate.

Pastor Email Power Multnomah Eugene Peterson instilled the love of the local church in his family, and especially his son, pastor Eric E. Peterson. This collection of letters, written over several years by Eric, offers a poignant, pastoral vision for what the people of God are to be about in their personal lives and their life together. You'll find this wisdom for one local church to be warm, winsome, knowing, understanding, and universally

relevant. Eric E. Peterson addresses essential questions such as "What is a church? What should a church be doing? What do we owe each other? What can we expect from one another? How do we follow Christ together?" A pastor in the state of Washington, he wrestled with how to grow his infant church into a mature Christian community. This book was born in the midst of a church coming to life, and is a compelling read for any pastor, church leader, or congregant. Purchase individually or together with *Letters to a Young Pastor*, a book that contains letters written back and forth between Eugene Peterson and his son, Eric E. Peterson.

Calvinist missionaries. If you think that sounds like an oxymoron, you're not alone. Yet a close look at John Calvin's life and writings reveals a man who was passionate about the spread of the gospel and the salvation of sinners. From training pastors at his Genevan Academy to sending missionaries to the jungles of Brazil, Calvin consistently sought to

encourage and equip Christians to take the good news of salvation to the very ends of the earth. In this carefully researched book, Michael Haykin and Jeffrey Robinson clear away longstanding stereotypes related to the Reformed tradition and Calvin's theological heirs, highlighting the Reformer's neglected missional vision and legacy.

Thoughtful, strong-willed sixth-grader Merci Suarez navigates difficult changes with friends, family, and everyone in between in a resonant new novel from Meg Medina. Merci Suarez knew that sixth grade would be different, but she had no idea just how different. For starters, Merci has never been like the other kids at her private school in Florida, because she and her older brother, Roli, are scholarship students. They don't have a big house or a fancy boat, and they have to do extra community service to make up for their free tuition. So when bossy Edna Santos sets her sights on the new boy who happens to be Merci's school-assigned Sunshine Buddy, Merci becomes the target of Edna's jealousy. Things aren't going well at home, either: Merci's grandfather and most trusted ally, Lolo, has been

acting strangely lately — forgetting important things, falling from his bike, and getting angry over nothing. No one in her family will tell Merci what's going on, so she's left to her own worries, while also feeling all on her own at school. In a coming-of-age tale full of humor and wisdom, award-winning author Meg Medina gets to the heart of the confusion and constant change that defines middle school — and the steadfast connection that defines family.

Songs in the Night Abingdon Press
How do you get new Christians who do not know one another to work at building and growing relationships in a new Church? This is essential in a new Church because the teaching and training of the core group of believers becomes the nucleus of the Body of Christ. This is the obstacle Pastor Baker faced in planting a church in Newark, NJ. Although the people came from the same urban neighborhood, it did not appear these new believers had much in common. So Pastor Baker decided to write a monthly Bible-based letter on living for Christ and how to be the Church and do its work. He planned to write From the Pastor's Pen for a year or so to teach

biblical truth and to develop bridges to build lasting Christian relationships. But this short-term project grew as new believers added addresses to the mailing list. Soon twenty families were fifty and then over one hundred. Believers made copies and passed them out at work. These monthly letters became the teaching materials for small-group Bible studies, and were used by missionaries in the Dutch West Indies. So from November of 1984 until June of 2014, a monthly letter was written. Pastor Baker's short-term project became a long-term ministry. With the help of brothers and sisters in the Newark Church, the letters in this book were selected so you can live Christ and be Christ's Body. May you grow in Christ and effectively be and do the work of the Church.

There once was an itinerant pastor who couldn't say goodbye to her church because of a pandemic. No hugs, no long chats over coffee, no meaningful stories shared in person. So she wrote them a book. She thought it was for them. But it wasn't. It was for her too. "I Have Some Things to Tell You" is part memoir, part leadership guide, and part love letter to a community who allowed a pastor to be fully human. When she fell apart, they caught her. But they never knew the full story, until now. This is the story of a woman reckoning with identity, power, gender, mental health, relationships, spirituality, and what it means to lead others while she's rumbling with a whole

new life.

Turn your weakest, most discouraging moments . . . into your best, most uplifting moments. "Always preach to broken hearts and you will never lack for a congregation," an old saying goes. And for that reason, this book is for everyone because there are many, many things that break our hearts. Sicknesses, spiritual depression, disabilities, painful memories, strained relationships . . . all of these weigh on Christians' hearts at one time or another. And even when our hearts feel light, there is a longing that runs through us a crying of the soul for eternity, for a new heavens and a new earth.

I Have Some Things to Tell You Wm. B. Eerdmans Publishing
Presented as the letters of a mature pastor to several fictional recipients, *Letters to New Pastors* delves into the professional, emotional, and spiritual needs of those new to the ministry. In a manner reminiscent of C. S. Lewis's *Letters to Malcolm* and Reinhold Niebuhr's *Leaves from the Notebook of a Tamed Cynic*, Michael Jenkins connects readers with

valuable pastoral wisdom gleaned from his years of ministry and from the riches of the Christian past. In these letters Jenkins explores such themes as developing one's own spiritual life, finding balance amid conflicting demands, and rediscovering the meaning of Christ's call for the church's future. Written in a comfortable, personal style, *Letters to New Pastors* is ideal not only for new pastors but also for anyone seeking to better understand the challenges facing those in ministry today.

For years Elle Dowd considered herself an advocate for justice, but her well-meaning support always took a back burner to what Martin Luther King Jr. called the tension-free, ordered "negative peace" of white moderates. Then Michael Brown, a Black man, was murdered by a white police officer in Ferguson, Missouri, and the subsequent Uprising changed everything. In *Baptized in Tear Gas*, minister and activist Elle Dowd tells the gripping story of her transformation into an Assata Shakur-reading, courthouse-occupying abolitionist with an arrest record, hungry for the revolution. Thanks to deep

relationships with people in Ferguson and St. Louis, and to experiencing a fraction of the system for herself--including the fear of rubber bullets, the shock of sound cannons, and running from tear gas--Dowd fully committed to the work of anti-racism and abolition. Now she wants to help other white allies do the same. Like in baptism, this transformation requires parts of us to die: our lack of power analysis, our commitment to white niceness, our tone policing, our respectability politics--all of those impulses we have been socialized by since birth must die so that something new can be resurrected in our lives and in the world. The uprising in Ferguson changed Dowd, and through it, God made her into something new. Now it's our turn.

Imprisoned: By My Own Damn Mind is a

journey through the life thoughts of a child arriving to adulthood, who is unable to maintain any kind of relationship with any human being because of the negative thoughts in his head. How did those thoughts get in his head? Who put those thoughts inside his head and made him believe that the thoughts were absolutely true? Labels were inaccurately placed on this young child without any explanation. Educators accepted this term without any understanding of the impact to the child. The child was separated from a normal setting and put into an abnormal setting and asked to behave normal. Other children in the same age-group of our child noticed him and his new environment. Then the flood of horrible name-calling came in and drowned our child in misery. Of course, our child internalized all this pain. That gave voice to the prison guard in his head. He got locked up in his head by the thoughts he think about himself daily. Is there any freedom from this mind prison? It's a sad tragedy when your closest friend is suicide. You think he (suicide) has the only way of escape from all of the horrible pain

you feel inside you. Welcome to my tormented loneliness—imprisoned by my own damn mind.

Saying Goodbye Broadleaf Books
Speaking out of twenty-seven years of pastoral ministry, Ian Stackhouse writes a series of letters to a young pastor just starting out. Responding to the various challenges his young charge faces in the first few years of congregational leadership, *Letters to a Young Pastor* is something of a spiritual reflection on leadership in the context of Christian ministry. To say that the letters are addressed to a fictitious pastor is not to say that the issues are unreal. *Letters to a Young Pastor* addresses matters that anyone in leadership eventually has to face. It seeks to offer encouragement and practical wisdom, but also an insight into the inner world of a person wrestling with the demands of a vocational life. In this sense, *Letters to a Young Pastor* has relevance to anyone who is seeking to remain faithful to a calling, whether ecclesial or not, in a world dominated by consumerism, formulas, and success.
