*West Facing House Plans As Per Vastu Shastra* All India Federation of Astrologers' Societies The Hindu pantheon is rich in images of the divine feminine—deities representing a wide range of symbolic,

social, and meditative meanings. David Kinsley's new book documents a highly unusual group of ten Hindu tantric goddesses, the Mahavidyas, many of whom are strongly associated with sexuality and violence. What is one to make of a goddess who cuts her own head off, or one who prefers sex with a corpse? The Mahavidyas embody habits, attributes, or identities usually considered repulsive or socially subversive and can be viewed as "antimodels" for women. Yet it is within the context of tantric worship that devotees seek to identify themselves with these forbidding goddesses. The Mahavidyas seem to function as "awakeners"—symbols

which help to project one's consciousness beyond the socially acceptable or predictable. Drawing on a broad range of Sanskrit and vernacular texts as well as extensive research in India, including written and oral interpretations of contemporary Hindu practitioners, Kinsley describes the unusual qualities of each of the Mahavidyas and traces the parallels between their underlying themes. Especially valuable are the many rare and fascinating images he presents—each important to grasping the significance of the goddesses. Written in an accessible, engaging style, Kinsley's book provides a comprehensive understanding of the

Mahavidyas and is also an overview of Hindu tantric practice.

This book has been written to empower you to benefit from this beautiful piece of science. Many of us have already known what Vastu is but very few apply it correctly. Vastu is getting popular in West like Feng Shui. When Vastu principles are applied correctly wealth, health and many fruitful things in life can be achieved with less struggles. As a consultant, beginning as a hobby and now a passion I have helped hundreds of household and businesses who

are at their worse and now seeing improvements after applying my advices correctly. Properties in Malaysia are not built according to Vastu principles. Hence, it is impossible to locate one with 100% Vastu Compliance. The majority of people tend opt for simple solution, spend a great deal of money on gadgets to rectify a defect and hope miracles to happen. Some cases it works, in some cases it does not. Some quit believing in this and only believe in hard work and a positive mind set. This little pocket book can equip you in your decision making on your properties and businesses. Every tip written is based on this book is based from experience and it is

result oriented. It is illustrated with diagrams and straight to the point for easy understandings. To have a positive and healthy and positive mindset, you need a living space with good vibes, which is why Vasthu plays an integral role. Just try these simple tips in this book and observe the results.
