Das Geheimnis der großen Schwerter Orbit

There's a world full of puzzles. Some will simply challenge the mind. Others will unlock riches. And some . . . WELL, NOT ALL PUZZLES ARE GAMES More than a hundred years have passed since the Catastrophe brought humanity to the brink of extinction. Those who survived are

changed. The Wildeners have reverted to the old beliefs—but with new Gods—while others place their faith in the technology that once powered their lost civilization. In the mysterious City of Towers, the center of the destroyed Tarakan empire, a lowly scribe of the Guild of Historians is charged with a dangerous assignment. He must venture into the wilds beyond the glass and steel towers to discover the fate of a child who mysteriously disappeared more than a decade before. Born of a rare breed of marked people, this child, Rafik—known as “the Key”—was one of a special few

with the power to restore this lost civilization to glory once again. In a world riven by fear and violence, where tattooed mutants, manic truckers, warring guilds, and greedy mercenaries battle for survival, Rafik may have single-handedly destroyed humanity's only chance for salvation—unless the scribe can figure out what happened to him.

Unverzichtbar für jeden, der mit der Zukunft Schritt halten will! Future Histories – jetzt erst recht! Wie sieht unsere Welt in Hunderten, Tausenden, Millionen von Jahren aus? Welches Schicksal erwartet uns am äußersten Rand der Zeit? Neben solchen makrohistorischen Fragen widmet sich das „Science-Fiction-Jahr 2011“ verstärkt dem Auftreten der Science Fiction in den alten und neuen Medien unserer Gegenwart. Außerdem: Essays, Interviews, Rezensionen, Marktberichte und vieles mehr...

The Dwarves Astra Publishing House
In The Last Dragonlord and Dragon and Phoenix Joanne Bertin created a world

unlike our own, where Dragonlords soar in the skies above the many realms of the land. The Dragonlords' magic is unique, giving them the ability to change from dragon to human form; to communicate silently among themselves; and other abilities not known to mortals. For many millennia, the Dragonlords have been a blessing to the world, with their great magic and awesome power. And though they live far longer than the humans who they resemble when not in their draconic state, these fabled changelings are still loyal to their human friends. Now in Bard's Oath, their magic is not the only power abroad in the world. And not all the magic is as benign as theirs. Leet, a master bard of great ability and vaulting ambition, has his own magic, but of a much darker nature. Years ago, death claimed the woman he loved, setting him on a course to avenge her death, no matter the consequences. Now, mad with hatred and consumed by his thirst for revenge, Leet has set in motion a nefarious plot that ensnares the friend of a Dragonlord, using his bardic skills . . . and dark powers only he can summon, to accomplish his bitter task. Raven, a young horse-breeder friend

of the Dragonlord Linden Rathan, is ensnared by Leet and under the bard's spell, is one of the bard's unwitting catspaws. When accused of a heinous crime, Raven turns to Linden, and while Dragonlords normally do not meddle in human affairs, Linden comes to Raven's aid, loath to abandon him in his time of desperate need. But Raven, and others victimized by Leet, are at the mercy of human justice. Can even a Dragonlord save them from a dire fate before it is too late? At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Empire of Grass Penguin

Bobby Dollar, an angel who has taken part in the long battle between Heaven and Hell, must figure out why there are suddenly an unprecedented number of souls missing from both sides and who summoned a Babylonian demon to kill him.

Brothers of the Wind Canelo

The extraordinary debut novel that launched Tad Williams' career, TAILCHASER'S SONG is an epic of high fantasy and grand adventure, where gods walk amongst their people and where

even very small creatures can change the world. Weaving through the tall grasses of this world is Tailchaser, a young ginger tomcat with a good heart and a restless spirit. When his friend Hushpad vanishes, Tailchaser sets out to find her. His journey will take him further than he ever thought possible - from the court of the Firstwalkers, through the cities of M'an, and into the hellish depths of the earth itself, where an unimaginable horror awaits.

The Dragons of Ordinary Farm Hachette UK

“THE DRAGONS OF ORDINARY FARM is an exciting beginning to a new series. The plot is clever, the characters interesting and mysterious, and best of all, it has dragons! I can hardly wait for their next page-turning adventure.” — Christopher Paolini “There’s nothing ordinary about Ordinary Farm, a place filled with strange creatures and dangers around every corner. Readers will identify with Tyler and Lucinda and wish they were there with them. This is a rousing tale that should and will find a wide readership.” — Terry Brooks

The Stone of Farewell Turtleback Books

Das Geheimnis der grossen Schwerter Penguin

Set in Williams' New York Times bestselling fantasy world, the second book of *The Last King of Osten Ard* returns to the trials of King Simon and Queen Miriamele as threats to their kingdom loom... The kingdoms of Osten Ard have been at peace for decades, but now, the threat of a new war grows to nightmarish proportions. Simon and Miriamele, royal husband and wife, face danger from every side. Their allies in Hernystir have made a pact with the dreadful Queen of the Norns to allow her armies to cross into mortal lands. The ancient, powerful nation of Nabban is on the verge of bloody civil war, and the fierce nomads of the Thrithings grasslands have begun to mobilize, united by superstitious fervor and their age-old hatred of the city-dwellers. But as the countries and peoples of the High Ward bicker among themselves, battle, bloodshed, and dark magics threaten to pull civilizations to pieces. And over it all looms the mystery of the Witchwood Crown, the deadly puzzle that Simon, Miriamele, and their allies must solve if they wish to survive. But as the kingdoms

of Osten Ard are torn apart by fear and greed, a few individuals will fight for their own lives and destinies--not yet aware that the survival of everything depends on them.

The Dirty Streets of Heaven Heyne Verlag

A year ago, the March Kingdoms were at peace, and the Eddon family held the throne. King Olin Eddon is a prisoner in a faraway land, and Olin's heir Kendrick is dead—slain by treachery and dark, bloody magic. With their father and brother taken from them, the royal twins Barrick and Briony have done their best to hold the kingdom together, but now Barrick has been captured in a failed war against the immortal Twilight People and Briony has been forced to flee. Behind the Shadowline, Prince Barrick is lost and spellbound in the land of the fairies, while Princess Briony finds both allies and deadly enemies in unexpected places far from the land of her birth. During their desperate journeys the twins discover that even a land's rulers may know little of its true history, and that both families and nations can hide dark and terrible secrets.

But even if Barrick and Briony survive learning the astonishing truths at the heart of their own family and of Southmarch itself, they must still find a way to do the impossible: they must reclaim their kingdom and rescue their home and people from the multitude of powerful enemies—from traitors, tyrants, a god-king, and even the angry gods themselves.

Happy Hour in Hell Penguin

Pride often goes before a fall, but sometimes that prideful fall is so catastrophic that it changes history itself. Among the immortal Sithi of Osten Ard, none are more beloved and admired than the two sons of the ruling family, steady Hakatri and his proud and fiery younger brother Ineluki - Ineluki, who will one day become the undead Storm King. The younger brother makes a bold, terrible oath that he will destroy deadly Hidohebhi, a terrifying monster, but instead drags his brother with him into a disaster that threatens not just their family but all the Sithi - and perhaps all of humankind as well. Set a thousand years before the events of Williams's *The Dragonbone Chair*, the tale of Ineluki's tragic boast and

what it brings is told by Pamon Kes, Hakatri's faithful servant. Kes is not one of the Sithi but a member of the enslaved Changeling race, and his loyalty has never before been tested. Now he must face the terrible black dragon at his master's side, then see his own life changed forever in a mere instant by Ineluki's rash, selfish promise. Kes and his master will range the world, risking countless dangers and meeting both mortals and immortals of many kinds as they try to undo the tragedy that springs from Ineluki's fatal pledge. During this journey, the seeds are planted for events that will culminate centuries later in the Storm King's War in Memory, Sorrow, and Thorn and the dreadful Norn Queen Utuk'ku's assault on humanity in *The Last King of Osten Ard*. In the end, Pamon Kes must question everything about his life - and risk everything, too - as he struggles to save his beloved master, Hakatri. But will anything Kes does be enough? Or has Ineluki's rash promise already set the entire world on an unstoppable course toward destruction?
