**Star Wars: The Last of the Jedi: Reckoning** Dark Horse

When the Rebellion's hit-and-run attacks on Imperial cargo ships become too audacious to be ignored, Darth Vader is sent in to find the Rebel base and destroy it. But the base, hidden in the center of a constantly shifting asteroid field, cannot be attacked directly. To reach his target, Vader will have to team up with a recently captured smuggler named Zika -- and dealing with an unwilling, wisecracking partner may be more of a trial for the Dark Lord than the actual mission!

Darth Vader, the evil emperor's powerful enforcer, sets out to eliminate all resistance to the Empire, a mission that reveals his true strength and role as the Emperor's iron fist.

**Star Wars : Bounty Hunters T03** Random House Worlds

Throughout the galaxy, it was believed that Jedi Knight Anakin Skywalker—the Chosen One—had died on Coruscant during the siege of the Jedi Temple. And, to some extent, that was true. Anakin was dead. From the site of Anakin Skywalker's last stand—on the molten surface of the planet Mustafar, where he sought to destroy his friend and former master, Obi-Wan Kenobi—a fearsome specter in black has risen. Once the most powerful Knight ever known to the Jedi Order, he is now a disciple of the dark side, a lord of the dreaded Sith, and the avenging right hand of the galaxy's ruthless new Emperor. Seduced, deranged, and destroyed by the machinations of the Dark Lord Sidious, Anakin Skywalker is dead . . . and Darth Vader lives. Word

of the events that created him—the Jedi Council’s failed mutiny against Supreme Chancellor Palpatine, the self-crowned Emperor’s retaliatory command to exterminate the Jedi Order, and Anakin’s massacre of his comrades and Masters in the Jedi Temple—has yet to reach all quarters. On the Outer Rim world of Murkhana, Jedi Masters Roan Shryne and Bol Chatak and Padawan Olee Starstone are leading a charge on a Separatist stronghold, unaware that the tide, red with Jedi blood, has turned suddenly against them. When the three narrowly elude execution—and become the desperate prey in a hunt across space—it’s neither clone soldiers, nor the newly deployed stormtroopers, nor even the wrath of the power-hungry Emperor himself they must fear most. The deadliest threat rests in the hideously swift and lethal crimson lightsaber of Darth Vader—behind whose brooding mask lies a shattered heart, a poisoned soul, and a cunning, twisted mind hell-bent on vengeance. For the handful of scattered Jedi, survival is imperative if the light side of the Force is to be protected and the galaxy somehow, someday reclaimed. Yet more important still is the well-being of the twin infants, Leia and Luke Skywalker, the children of Anakin and his doomed bride, Padmé Amidala. Separated after Padmé’s death, they must be made safe at all costs, lest the hope they represent for the future be turned to horror by the new Sith regime—and the unspeakable power of the dark side. Features a bonus section following the novel that includes a primer on the Star Wars expanded universe, and over half a dozen excerpts from some of the most popular Star Wars books of the last thirty years!

**Darth Vader and the Ninth Assassin** Dark Horse

“The Sith always betray one another. . . . I’m sure you’ll learn that soon enough.” The overthrow of the Republic is complete. The Separatist forces have been smashed, the Jedi Council nearly decimated, and the rest of the Order all but destroyed. Now absolute power rests in the iron fist of Darth Sidious—the cunning Sith lord better known as the former Senator, now Emperor, Palpatine. But more remains to be done. Pockets of resistance in the galaxy must still be defeated and missing Jedi accounted for. . . . and dealt with. These crucial tasks fall to the Emperor’s ruthless enforcer, Darth Vader. In turn, the Dark Lord has groomed a lethal apprentice entrusted with a top-secret mission: to comb the galaxy and dispatch the last of his masters’ enemies, thereby punctuating the dark side’s victory with the Jedi’s doom. Since childhood, Vader’s nameless agent has known only the cold, mercenary creed of the Sith. His past is a void; his present, the carrying out of his deadly orders. But his future beckons like a glistening black jewel with the ultimate promise: to stand beside the only father he has ever known, with the galaxy at their feet. It is a destiny he can realize only by rising to the greatest challenge of his discipleship: destroying Emperor Palpatine. The apprentice’s journeys will take him across the far reaches of the galaxy, from the Wookiee homeworld of Kashyyyk to the junkyard planet of Raxus Prime. On these missions, the young Sith acolyte will forge an unlikely alliance with a ruined Jedi Master seeking redemption and wrestle with forbidden feelings for his beautiful comrade, Juno Eclipse. And he will be tested as never before—by shattering revelations that strike at the very heart of all he believes and stir within him long-forgotten hopes of reclaiming his name. . . . and changing his destiny.
