Rich Dad's Escape from the Rat Race  
Penguin

What if there were a way to cut through all the financial mumbo-jumbo? Wouldn't it be great if someone could really explain to us in plain and simple English—the basics we must know about investing in order to insure our financial freedom? At last, here's good news. Jargon-free and written for all investors—experienced, beginner,

and everyone in between—The Investment Answer distills the process into just five decisions—five straightforward choices that can lead to safe and sound ways to manage your money. When Wall Street veteran Gordon Murray told his good friend and financial advisor, Dan Goldie, that he had only six months to live, Dan responded, "Do you want to write that book you've always wanted to do?" The result is this eminently valuable primer which can be read and understood in one sitting, and has advice that benefits you, not Wall Street and the rest of the

traditional financial services industry. The Investment Answer asks readers to make five basic but key decisions to stack the investment odds in their favor. The advice is simple, easy-to-follow, and effective, and can lead to a more profitable portfolio for every investor. Specifically: Should I invest on my own or seek help from an investment professional? How should I allocate my investments among stocks, bonds, and cash? Which specific asset classes within these broad categories should I include in my portfolio? Should I take an actively managed approach to

investing, or follow a passive alternative? When should I sell assets and when should I buy more? In a world of fast-talking traders who believe that they can game the system and a market characterized by instability, this extraordinary and timely book offers guidance every investor should have.

*"The Power of Positive Thinking"* Business Plus

This special just-for-teens edition builds a foundation of self-confidence from which readers can realize their dreams of financial security in an increasingly challenging and unreliable job market. Teen-friendly advice, examples, sidebars and straight talk will supplement all of Rich Dad's core advice: Work to learn, not to earn. Don't say "I can't afford it" - instead, say "How can I afford it?" And don't work for money - make money work for you! No matter how confident or "good in school" readers consider themselves to be, this makes financial intelligence available to all young people with its streamlined structure, clean design, and accessible voice.

*Summary - Rich Dad Poor Dad Sphere*  
The must-read summary of Robert

Kiyosaki and Sharon Lechter's book: "Rich Dad, Poor Dad: What the Rich Teach Their Kids About Money - That the Poor and Middle Class Do Not!" This complete summary of the ideas from Robert Kiyosaki and Sharon Lechter's book "Rich Dad, Poor Dad" shows that what is in your head ultimately determines what is in your hands: if you want to improve your circumstances, you need to change the way you think. This summary highlights the importance of educating yourself and developing financial intelligence by spending time with successful people, reading books, and attending seminars. All in all, this summary shows that your life will be more rewarding and more fulfilling if you just take the time to learn and think about where you're heading. Added-Value of this summary: • Save time • Understand the key concepts • Expand your business knowledge To learn more, read "Rich Dad, Poor Dad" and discover that the path to financial wealth does not lie in playing it safe. It's far more important to play it smart.

*Guide and Analysis by Rich Dad Poor Dad (Deep Analysis)* Business Plus  
April 2017 marks 20 years since Robert

Kiyosaki's Rich Dad Poor Dad first made waves in the Personal Finance arena. It has since become the #1 Personal Finance book of all time... translated into dozens of languages and sold around the world. Rich Dad Poor Dad is Robert's story of growing up with two dads -- his real father and the father of his best friend, his rich dad -- and the ways in which both men shaped his thoughts about money and investing. The book explodes the myth that you need to earn a high income to be rich and explains the difference between working for money and having your money work for you. 20 Years... 20/20 Hindsight In the 20th Anniversary Edition of this classic, Robert offers an update on what we've seen over the past 20 years related to money, investing, and the global economy. Sidebars throughout the book will take readers "fast forward" -- from 1997 to today -- as Robert assesses how the principles taught by his rich dad have stood the test of time. In many ways, the messages of Rich Dad Poor Dad, messages that were criticized and challenged two decades ago, are more meaningful, relevant and important today than they were 20 years ago. As always, readers can

expect that Robert will be candid, insightful... and continue to rock more than a few boats in his retrospective. Will there be a few surprises? Count on it. Rich Dad Poor Dad... • Explodes the myth that you need to earn a high income to become rich • Challenges the belief that your house is an asset • Shows parents why they can't rely on the school system to teach their kids about money • Defines once and for all an asset and a liability • Teaches you what to teach your kids about money for their future financial success

### Beautiful Disaster Signed Limited Edition Manjul Publishing

In late January, 2009, Robert Kiyosaki launched CONSPIRACY OF THE RICH - a free online book which was written in serial basis to help people understand how the current recession came about, and

what they need to learn on how to survive through the coming rough years. An unprecedented publishing event for Kiyosaki and The Rich Dad Company, CONSPIRACY OF THE RICH is an interactive, "Wiki-style" project in which Kiyosaki has invited feedback, commentary, and questions from readers across the globe. The response so far has been totally fantastic. Millions and millions of readers have flocked to the website ([www.conspiracyoftherich.com](http://www.conspiracyoftherich.com)) to read what Robert has to say about the recession, and the readers have posted thousands of comments. Some of those reader comments will even be included in the final tradepaper version.

Learn how the United States can stop and reverse its relative economic decline in this fascinating analysis of American Money, Credit and Capital In The Money Revolution: How to Finance the Next American Century, economist and bestselling author Richard Duncan lays out a farsighted strategy to maximize the United States unmatched financial and technological potential. In compelling fashion, the author shows that the United States can and should invest in the industries and technologies of the future on an unprecedented scale in order to ignite a new technological revolution that would cement the country's geopolitical preeminence, greatly enhance human wellbeing, and create unimaginable wealth. In this book, you will find: An important new history of the Federal Reserve that details the transformation of the country's central bank from the passive lender of last resort created by its founders in 1913 into the world's most powerful economic institution today. A fascinating discussion of the evolution of money and monetary policy in the United States over the past century. An examination of the role that credit has

played in generating economic growth, especially since Dollars ceased to be backed by Gold five decades ago. A detailed description of the country's capital structure and its dangerous deficiencies. An urgent call-to-action for the United States to begin a multi-trillion-dollar investment program targeting industries of the future. The Money Revolution: How to Finance the Next American Century is a page-turning read ideal for anyone interested in the future of the United States. Its gripping thesis offers anyone with a personal or professional interest in America's economy, financial system, or geopolitical position in the world an engrossing intellectual journey. [Rich Dad's Conspiracy of the Rich](#) RP Minis With the help of a #1 New York Times bestselling author and finance expert, set your finances right with these updated tactics and practices Dave Ramsey knows what it's like to have it all. By age twenty-six, he had established a four-million-dollar real estate portfolio, only to lose it by age thirty. He has since rebuilt his financial life and, through his workshops and his New York Times business bestsellers Financial Peace and More than Enough, he has

helped hundreds of thousands of people to understand the forces behind their financial distress and how to set things right-financially, emotionally, and spiritually. In this new edition of Financial Peace, Ramsey has updated his tactics and philosophy to show even more readers: • how to get out of debt and stay out • the KISS rule of investing—"Keep It Simple, Stupid" • how to use the principle of contentment to guide financial decision making • how the flow of money can revolutionize relationships With practical and easy to follow methods and personal anecdotes, Financial Peace is the road map to personal control, financial security, a new, vital family dynamic, and lifetime peace.

[Rich Dad Poor Dad](#) Gardners Books For years, Robert Kiyosaki has firmly believed that the best investment one can ever make is in taking the time to truly understand how one's finances work. Too many people are much more interested in the quick-hitting scheme, or trying to find a short-cut to real wealth. As Kiyosaki has preached over and over again, one has to truly understand the process of how money works before one can start out on trying to

escape the daily financial Rat Race. Now, in this latest book in the popular Rich Dad Poor Dad series, Kiyosaki lays out his 5 key principles of Financial Intelligence for all to understand. In INCREASE YOUR FINANCIAL IQ, Kiyosaki provides real insights on these key steps to wealth: o How to increase your money -- how to assess what you're really worth now, what your prospects are, and how to start mapping out your financial future. o How to protect your money -- for better or for worse, taxes are a way of life. Kiyosaki shows you that "it's not what you make....it's what you keep." o How to budget your money -- everybody wants to live large, but you have to learn how to live within your budget. Kiyosaki shows you how you can. o How to leverage your money -- as you build your financial IQ, knowing how to put your money to work for you is a crucial step. o How to improve your financial information -- Kiyosaki shows you how to accelerate your wealth as you learn more and more.

Rich Dad Poor Dad: What the Rich Teach Their Kids About Money - That the Poor and Middle Class Do Not! By Robert T. Kiyosaki - Book Summary - Readtrepreneur (Disclaimer: This is NOT the original book, but an unofficial

summary.) The school system does a lousy job teaching students about money. So take in charge of your financial education so you can impart your wisdom to your kids. Rich Dad Poor Dad reveals the cruel truth; many people don't know enough about money for their financial future because the school system doesn't teach it to them. In order to debunk a handful of myths and provide the necessary knowledge to become successful, you need to challenge your beliefs and learn all about money; Rich Dad Poor Dad helps you to do just that. (Note: This summary is wholly written and published by readtrepreneur. It is not affiliated with the original author in any way) "I'd rather welcome change than cling to the past." - Robert T. Kiyosaki You don't need a high income to become rich but before that, you must have an enriched mind. In Rich Dad Poor Dad, you will train your mind first so you have the necessary tools to get anything you want. Robert Kiyosaki stresses that you must educate your kids about money so they have a better life. You will be the most important source of knowledge for them because the school system won't provide what's expected.

P.S. Rich Dad Poor Dad is an extremely useful book that will help you educate yourself so you can teach your kids the things that they might not learn anywhere else. The Time for Thinking is Over! *Summary of Rich Dad Poor Dad* John Wiley & Sons

In Rich Dad Poor Dad, the #1 Personal Finance book of all time, Robert Kiyosaki shares the story of his two dad: his real father, whom he calls his 'poor dad,' and the father of his best friend, the man who became his mentor and his 'rich dad.' One man was well educated and an employee all his life, the other's education was "street smarts" over traditional classroom education and he took the path of entrepreneurship—a road that led him to become one of the wealthiest men in Hawaii. Robert's poor dad struggled

financially all his life, and these two dads?these very different points of view of money, investing, and employment?shaped Robert's thinking about money. Robert has challenged and changed the way tens of millions of people, around the world, think about money and investing and he has become a global advocate for financial education and the path to financial freedom. Rich Dad Poor Dad (and the Rich Dad series it spawned) has sold over 36 million copies in English and translated editions around the world. Rich Dad Poor Dad will? ? explode the myth that you need to earn a high income to become rich ? challenge the belief that your house is an asset ? show parents why they can't rely on the school system to teach their kids about money ? define, once and for all, an asset and a liability ? explain the difference between good debt and bad debt ? teach you to see the world of money from different perspectives ? discuss the shift in mindset that can put you on the road to financial freedom
