The Score Takes Care of Itself BoD – Books on Demand
 The New York Times bestselling graphic memoir from actor/author/activist George Takei returns in a deluxe edition with 16 pages of bonus material! Experience the forces that shaped an American icon -- and America itself -- in this gripping tale of courage, country, loyalty, and love. George Takei has captured hearts and minds worldwide with his magnetic performances, sharp wit, and outspoken commitment to equal rights. But long before he braved new frontiers in STAR TREK, he woke up as a four-year-old boy to find his own birth country at war with his father's -- and their entire family forced from their home into an uncertain future. In 1942, at the order of President Franklin D. Roosevelt, every person of Japanese descent on the west coast was rounded up and shipped to one of ten "relocation centers," hundreds or thousands of miles from home, where they would be held for years under armed guard. **THEY CALLED US ENEMY** is Takei's firsthand account of those years behind barbed wire, the terrors and small joys of childhood in the shadow of legalized racism, his mother's hard choices, his father's tested faith in democracy, and the way those experiences planted the seeds for his astonishing future. What does it mean to be American? Who gets to decide? George Takei joins cowriters Justin Eisinger & Steven Scott and artist Harmony Becker for the journey of a lifetime.

The Great Gatsby Simon and Schuster

A step-by-step program that shows parents, simply and clearly, how to teach their child to read in just 20 minutes a day.

The 15 Commitments of Conscious Leadership Penguin
 Remarkable lessons in leadership and teambuilding from one of the greatest college football coaches of our time In only thirteen years as a head football coach, first at Bowling Green and then at Utah, Florida, and Ohio State, Urban Meyer has established himself as one of the elite coaches in the annals of his sport, with three national championships and a cumulative record of 142 wins and only 26 losses. But sheer statistics are not the measure of his true accomplishment, nor do they speak to his own extraordinary learning journey. Now, in *Above the Line*, he offers to readers his unparalleled insights into leadership, team building and the keys to empowering people to achieve things they might never have thought possible. Despite winning two national championships at Florida in only six seasons, Meyer stepped back from the game at the end of the 2010 season, amid health concerns and a growing awareness that his almost maniacal pursuit of perfection was distorting his priorities, distancing him

from his family and taking him away from the reasons he wanted to coach in the first place. When he returned to the sport in 2012 as the head coach at Ohio State, the school he grew up rooting for, Meyer did so with a renewed sense of the deeper purpose of his work and a profound commitment to life balance that had previously been lacking. What remained constant was his passion for leading, teaching and motivating, forging his football teams into a cohesive whole, playing for one another with selfless commitment and uncommon intensity. Ohio State's 2014 season was in many ways Urban Meyer's master class in leadership. The world knows how the story ended: with the Buckeyes capturing the inaugural College Football Playoff Championship with a 42-20 victory over Oregon, with the team's third-string quarterback at the helm, in only his third collegiate start. Few remember how it began: with a bad early season loss that sent OSU out of the Top 20, season-ending injuries at the most important position on the team, and then, infinitely worse, the tragic death of a teammate. But this team's resilience was no accident. In *Above the Line*, Urban Meyer shares with readers OSU's groundbreaking game plan--the game plan he followed every day in the Buckeyes' historic 2014 season--for creating a culture of success that engages and inspires the people around them A student of psychology long before he became a coach, Meyer believes that trust is the bedrock of great achievements and healthy relationships, and explains how to build it, step by step--whether in a team, a family, or a Fortune 500 company. With trust in place, a deep bond unites us in common purpose, and cultivates what he calls "Above the Line" behavior--a learned, empowered response to the challenges we face every day. Writing with his customary candor and humility, Meyer delivers insights both practical and profound--and applicable far beyond the football field. Packed with real-life examples from a storied season, *Above the Line* offers wisdom and inspiration for taking control and turning setbacks into victories.

Culture Eats Strategy for Lunch Penguin

The most successful coach in college basketball history, and among the most beloved, offers his comprehensive program for building and maintaining winning teams in sports, business, and life.

The last lecture on leadership by the NFL's greatest coach: Bill Walsh Bill Walsh is a towering figure in the history of the NFL. His advanced leadership transformed the San Francisco 49ers from

the worst franchise in sports to a legendary dynasty. In the process, he changed the way football is played. Prior to his death, Walsh granted a series of exclusive interviews to bestselling author Steve Jamison. These became his ultimate lecture on leadership. Additional insights and perspective are provided by Hall of Fame quarterback Joe Montana and others. Bill Walsh taught that the requirements of successful leadership are the same whether you run an NFL franchise, a fortune 500 company, or a hardware store with 12 employees. These final words of 'wisdom by Walsh' will inspire, inform, and enlighten leaders in all professions.

Out of the Dust (Scholastic Gold) Simon and Schuster

This book describes the living-room artifacts, clothing styles, and intellectual proclivities of American classes from top to bottom.

Staying Above the Line Top Shelf Productions

Coach Jackson again takes readers into his program and describes in detail how he and his staff turned around another program. You will be able to follow the steps he implemented from day one to change a culture from selfishness and entitlement to warriors of brotherhood.

NEW YORK TIMES BEST SELLER • A NEW YORKER ESSENTIAL

READ • From the best-selling author of *Atonement* and *Saturday* comes the epic and intimate story of one man's life across generations and historical upheavals. From the Suez Crisis to the Cuban Missile Crisis, the fall of the Berlin Wall to the current pandemic, Roland Baines sometimes rides with the tide of history, but more often struggles against it. A BEST BOOK OF THE YEAR: *Vogue* • *The New Yorker* "Masterful.... McEwan is a storyteller at the peak of his powers.... One of the joys of the novel is the way it weaves history into Roland's biography.... The pleasure in reading this novel is letting it wash over you." —Associated Press When the world is still counting the cost of the Second World War and the Iron Curtain has closed, eleven-year-old Roland Baines's life is turned upside down. Two thousand miles from his mother's protective love, stranded at an unusual boarding school, his vulnerability attracts piano teacher Miss Miriam Cornell, leaving scars as well as a memory of love that will never fade. Now, when his wife vanishes, leaving him alone with his tiny son, Roland is forced to confront the reality of his restless existence. As the radiation from Chernobyl spreads across Europe, he begins a search for answers that looks deep into his family history and will last for the rest of his life. Haunted by lost opportunities, Roland seeks solace through every possible means—music, literature, friends, sex, politics, and, finally, love cut tragically short, then love ultimately redeemed. His journey raises important questions for us all. Can we take full charge of the course of our lives without causing damage to others? How do global events beyond

our control shape our lives and our memories? And what can we really learn from the traumas of the past? Epic, mesmerizing, and deeply humane, *Lessons* is a chronicle for our times—a powerful meditation on history and humanity through the prism of one man's lifetime.

Lessons Harvard Business Review Press

The definitive book on workplace accountability by the New York Times bestselling authors of *How Did That Happen?* Since it was originally published in 1994, *The Oz Principle* has sold nearly 600,000 copies and become the worldwide bible on accountability. Through its practical and invaluable advice, thousands of companies have learned just how vital personal and organizational accountability is for a company to achieve and maintain its best results. At the core of the authors' message is the idea that when people take personal ownership of their organization's goals and accept responsibility for their own performance, they become more invested and work at a higher level to ensure not only their own success, but everyone's. Now more than ever, *The Oz Principle* is vital to anyone charged with obtaining results. It is a must have, must read, and must apply classic business book.

How I Learned to Let My Workers Lead Knopf

A leadership consultant and neuropsychologist identify the universal habits of the heart and mind—the keys to unlocking our true potential, creating our best selves and eliminating behavior patterns that hold us back. Why is it so hard for leaders to coach employees who are struggling? Why do we repeat the same mistakes and negative behaviors? Common wisdom says you always have a choice in how you react or respond. But, as corporate consultant Stephen Klemich and clinical psychologist Mara Klemich contend, until you recognize why you make choices, and how the heart and the brain work together to shape your behavior, you can't change long-ingrained patterns and discover your best self. The Klemichs have developed a model backed by extensive research and data, and paired it with character-led personal development, to help you answer the "Why?" and eliminate behavior that is "below the line." In *Above the Line*, they argue that the quality of your life flows from the attitudes of your heart. Offering wise, compassionate, and practical advice, this book explores the deep, fundamental drivers of human behavior that exist within your heart—the seat of your character. It reveals that all of these behaviors can be explained by four principles—humility, love, pride, and fear—which influence every facet of your life, for better or for worse. We are all designed for greatness, but so often our best self is pitted against our worst. The pressures of life are pulling our character below the line while our authentic self is drawing us to live above the line. When you fully understand that the four principles are at the root of your behavior, you can begin the journey to become your best self and navigate life more effectively and successfully. Filled with proven strategies, *Above the Line* will create lasting changes in your behavior and improve your life personally and professionally—so you can make a positive impact on the world around you.

Mrs. Dalloway Simon and Schuster

The instant New York Times bestseller *Remarkable Lessons* in leadership and team building from one of the greatest football coaches of our time. The Carolina Way Penguin

A concise survey of the culture and civilization of mankind, *The Lessons of History* is the result of a lifetime of research from Pulitzer Prize-winning historians Will and Ariel Durant. With their accessible compendium of philosophy and social progress, the Durants take us on a journey through history, exploring the possibilities and limitations of humanity over time. Juxtaposing the great lives, ideas, and accomplishments with cycles of war and conquest, the Durants reveal the towering themes of history and give meaning to our own.

Coach 'Em Way Up HarperCollins

How do we judge whether an action is morally right or wrong? If an action is wrong, what reason does that give us not to do it? Why should we give such reasons priority over our other concerns and values? In this book, T. M. Scanlon offers new answers to these questions, as they apply to the central part of morality that concerns what we owe to each other. According to his contractualist view, thinking about right and wrong is thinking

about what we do in terms that could be justified to others and that they could not reasonably reject. He shows how the special authority of conclusions about right and wrong arises from the value of being related to others in this way, and he shows how familiar moral ideas such as fairness and responsibility can be understood through their role in this process of mutual justification and criticism. Scanlon bases his contractualism on a broader account of reasons, value, and individual well-being that challenges standard views about these crucial notions. He argues that desires do not provide us with reasons, that states of affairs are not the primary bearers of value, and that well-being is not as important for rational decision-making as it is commonly held to be. Scanlon is a pluralist about both moral and non-moral values. He argues that, taking this plurality of values into account, contractualism allows for most of the variability in moral requirements that relativists have claimed, while still accounting for the full force of our judgments of right and wrong.

Above the Line Harvard University Press

You'll never see leadership the same way again after reading this book. These fifteen commitments are a distillation of decades of work with CEOs and other leaders. They are radical or provocative for many. They have been game changers for us and for our clients. We trust that they will be for you too. Our experience is that unconscious leadership is not sustainable. It won't work for you, your team or your organization in the long term. Unconscious leadership can deliver short term results, but the costs of living and leading unconsciously are great. Fear drives most leaders to make choices that are at odds with healthy relationships, vitality and balance. This fear leaves a toxic residue that won't be as easily tolerated in an increasingly complex business environment. Conscious leadership offers the antidote to fear. These pages contain a comprehensive road map to guide you to shift from fear-based to trust-based leadership. Once you learn and start practicing conscious leadership you'll get results in the form of more energy, clarity, focus and healthier relationships. You'll do more and more of what you are passionate about, and less of what you do out of obligation. You'll have more fun, be happier, experience less drama and be more on purpose. Your team will get results as well. They'll be more collaborative, creative, energized and engaged. They'll solve issues faster, and once resolved the issues won't resurface. Drama and gossip will all but disappear, and the energy and resources that fueled them will be redirected towards innovation and creativity. Any one of these commitments will change your life. All of them together are revolutionary. Leaders who practice the 15 commitments: - End blame and criticism - Speak candidly, openly and honestly, in a way that invites others to do the same - Find their unique genius - Let go of taking everything-especially themselves and their problems-so seriously - Create win for all solutions - Experience a new relationship to time and money where there is always enough What do you need to bring to the table? Be curious. Sounds so simple, and yet in our experience it's a skill few have mastered. Most of us are far more interested in being right and proving it, than we are in learning, growing and shifting out of our old patterns. By default we gravitate towards the familiar. We're asking you to take a chance and explore the unfamiliar. You'll get scared and reactive. We all do. So what? Just stay curious and let us introduce you to a whole new world of leadership.

Leadership Team Coaching Penguin

Alex Rogo is a harried plant manager working ever more desperately to try and improve performance. His factory is rapidly heading for disaster. So is his marriage. He has ninety days to save his plant - or it will be closed by corporate HQ, with hundreds of job losses. It takes a chance meeting with a colleague from student days - Jonah - to help him break out of conventional ways of thinking to see what needs to be done. Described by Fortune as a 'guru to industry' and by Businessweek as a 'genius', Eliyahu M. Goldratt was an internationally recognized leader in the development of new business management concepts and systems. This 20th anniversary edition includes a series of detailed case study interviews by David Whitford, Editor at Large,

Fortune Small Business, which explore how organizations around the world have been transformed by Eli Goldratt's ideas. The story of Alex's fight to save his plant contains a serious message for all managers in industry and explains the ideas which underline the Theory of Constraints (TOC) developed by Eli Goldratt. Written in a fast-paced thriller style, *The Goal* is the gripping novel which is transforming management thinking throughout the Western world. It is a book to recommend to your friends in industry - even to your bosses - but not to your competitors!

Wherever I Wind Up Knopf

Welcome to My Impact Zone! My book is not a sports book, nor just a book about leadership, nor only about my time playing Notre Dame football. *Linebacker in the Boardroom* discusses the demand for excellence and accountability in all things we do. I talk about how those demands translate into lessons in our successes and failures in life. This book has leadership at its foundation. It is a search for our leadership inspirations. It's an examination of and a demand for personal and professional accountability, and shows you how to search for your individual opportunities to make a difference: what I call Impact Zones. To help you search for and define your Impact Zones, I developed 3E Leadership: Essential, Exceptional, and Ethical Leadership(TM). It's a model for behavioral competencies and tools to help you transform yourself into a high-performer. On the field, in your cube, or in your office, on the factory shop floor, at your school desk, or in the boardroom, you can make an impact. Whether you view this book from a personal or professional perspective, whether you read it as a member of a work team, a community-based organization, athletic team, or religious group, whether you pick it up as the leader of a multi-billion-dollar company or as someone just starting out on your career journey, you will see how my thoughts and inspirations, successes and failures, philosophies and real-life experiences can and will have an impact on you. Welcome to the Impact Zone! Welcome to my world of 3E Leadership(TM)! Become the Essential, Exceptional, and Ethical Leader!

Above the Line Simon and Schuster

One of the most beloved and trusted mindfulness teachers in America offers a lifeline for difficult times: the RAIN meditation, which awakens our courage and heart Tara Brach is an in-the-trenches teacher whose work counters today's ever-increasing onslaught of news, conflict, demands, and anxieties--stresses that leave us rushing around on auto-pilot and cut off from the presence and creativity that give our lives meaning. In this heartfelt and deeply practical book, she offers an antidote: an easy-to-learn four-step meditation that quickly loosens the grip of difficult emotions and limiting beliefs. Each step in the meditation practice (Recognize, Allow, Investigate, Nurture) is brought to life by memorable stories shared by Tara and her students as they deal with feelings of overwhelm, loss, and self-aversion, with painful relationships, and past trauma--and as they discover step-by-step the sources of love, forgiveness, compassion, and deep wisdom alive within all of us. A PENGUIN LIFE TITLE

If - Harvard Business Press

#1 NEW YORK TIMES BEST SELLER • From authors of *Lean In* and *Originals*: a powerful, inspiring, and practical book about building resilience and moving forward after life's inevitable setbacks After the sudden death of her husband, Sheryl Sandberg felt certain that she and her children would never feel pure joy again. "I was in 'the void,'" she writes, "a vast emptiness that fills your heart and lungs and restricts your ability to think or even breathe." Her friend Adam Grant, a psychologist at Wharton, told her there are concrete steps people can take to recover and rebound from life-shattering experiences. We are not born with a fixed amount of resilience. It is a muscle that everyone can build. Option B combines Sheryl's personal insights with Adam's eye-opening research on finding strength in the face of adversity. Beginning with the gut-wrenching moment when she finds her husband, Dave Goldberg, collapsed on a gym floor, Sheryl opens up her heart—and her journal—to describe the acute grief and isolation she felt in the wake of his death. But Option B goes beyond Sheryl's loss to explore how a broad range of people have overcome hardships including illness, job loss, sexual assault, natural disasters, and the violence of war. Their stories reveal the capacity of the human spirit to persevere . . . and to rediscover joy. Resilience comes from deep within us and from support outside us. Even after the most devastating events, it is possible to grow by finding deeper meaning and gaining greater appreciation in our lives. Option B illuminates how to help others in crisis, develop compassion for ourselves, raise strong children, and create resilient families, communities, and workplaces. Many of these lessons can be applied to everyday struggles, allowing us to brave whatever lies ahead. Two weeks after losing her husband, Sheryl was preparing for a father-child activity. "I want Dave," she cried. Her friend replied, "Option A is not available," and then promised to help her make the most of Option B. We all live some form of Option B. This book will help us all make the most of it.
