Hal Leonard
Corporation

With a lifetime of
experience, profound
knowledge and
understanding, and
heartwarming
appreciation, an
internationally
celebrated conductor
and teacher answers
the questions: Why
should I listen to
classical music? How
can I get the most from
the listening
experience? A protégé
of Leonard Bernstein--
his colleague for
eighteen years--and an
eminent conductor who
has toured and
recorded all over the

world, John Mauceri
helps us to reap the
joys and pleasures
classical music has to
offer. Briefly, we learn
the way a musical
tradition born in
ancient Greece,
embraced by the
Roman Empire, and
subsequently nurtured
by influences from
across the globe, gave
shape to the classical
music that came to be
embraced by cultures
from Japan to Bolivia.
Then Mauceri
examines the music
itself, helping us
understand what it is
we hear when we listen
to classical music: how,
by a kind of sonic
metaphor, it expresses
the deepest recesses
of human feeling and
emotion; how each
piece bears the traces
of its history; how the
concert experience--a
unique one each and

every time--allows us to discover music anew. Unpretentious, graceful, instructive, this is a book for the aficionado, the novice, and anyone looking to have the love of music fired within them.

The Great American Songbook - Country Alfred Music (Piano/Vocal/Guitar Songbook). A great resource of 100 classics of American songwriting arranged for piano and voice with guitar chord frames. Songs include: All Blues * Almost like Being in Love * As Time Goes By * Between the Devil and the Deep Blue Sea * Billie's Bounce (Bill's Bounce) * Bluesette * Cherokee (Indian Love Song) * Days of Wine and Roses * Django * Embraceable You * Ev'ry Time We Say

Goodbye * Fascinating Rhythm * Fly Me to the Moon (In Other Words) * Giant Steps * How Deep Is the Ocean (How High Is the Sky) * How Long Has This Been Going On? * I Got Rhythm * It Had to Be You * Laura * Love Walked In * Mack the Knife * Nice Work If You Can Get It * Night and Day * Oh, Lady Be Good! * On Green Dolphin Street * Over the Rainbow * The Shadow of Your Smile * Summertime * Waltz for Debby * Wave * and more.

The Great American Songbook Mark Hayes
For the characters in these stories, love and music are almost indistinguishable. A famous songwriting duo is destroyed by their creative differences, a jazz musician is consumed

by his inability to speak or play, a man takes a pop song literally and charts his love onto buildings. These stories cover songs and riff on melodies. They unearth chords that bridge the gap between past and present. A playful, elegant debut collection, *The Great American Songbook* explores the profound hold that music has on our lives.

First 50 Jazz Standards You Should Play on Piano U of Minnesota Press

From an acclaimed cultural critic, a narrative and social history of the Great American Songwriting era. Everybody knows and loves the American Songbook. But it's a bit less widely understood that in about 1950, this stream of great songs more or less dried up.

All of a sudden, what came over the radio wasn't Gershwin, Porter, and Berlin, but "Come on-a My House" and "How Much Is That Doggie in the Window?" Elvis and rock and roll arrived a few years later, and at that point the game was truly up. What happened, and why? In *The B Side*, acclaimed cultural historian Ben Yagoda answers those questions in a fascinating piece of detective work.

Drawing on previously untapped archival sources and on scores of interviews—the voices include Randy Newman, Jimmy Webb, Linda Ronstadt, and Herb Alpert—the book illuminates broad musical trends through a series of intertwined stories. Among them are the battle between

ASCAP and Broadcast Music, Inc.; the revolution in jazz after World War II; the impact of radio and then television; and the bitter, decades-long feud between Mitch Miller and Frank Sinatra. The B Side is about taste, and the particular economics and culture of songwriting, and the potential of popular art for greatness and beauty. It's destined to become a classic of American musical history.

"But He Doesn't Know the Territory" Hal Leonard Corporation (Piano/Vocal/Guitar Artist Songbook). Our collection features 15 of the best of Stewart's two recordings, The Greatest American Songbook , Volumes 1 & 2. Includes: Don't Get Around Much

Popular Performer -- Great American Songbook, Bk 1 Black Dog Publishing Chronicles the creation of Meredith Willson's The Music Man—reprinted now as the Broadway Edition Composer Meredith Willson described The Music Man as “an Iowan’s attempt to pay tribute to his home state.” Now featuring a new foreword by noted singer and educator Michael Feinstein, this book presents Willson’s reflections on the ups and downs, surprises and disappointments, and finally successes of making one of

America's most popular musicals. Willson's whimsical, personable writing style brings readers back in time with him to the 1950s to experience firsthand the exciting trials and tribulations of creating a Broadway masterpiece. Fresh admiration of the musical—and the man behind the music—is sure to result.

The Great American Songbook Hal Leonard Corporation

The American Song Book, Volume I: The Tin Pan Alley Era is the first in a projected five-volume series of books that will reprint original sheet music, including covers, of songs that constitute the enduring standards of Irving Berlin, Jerome Kern, the Gershwins, and other lyricists and

composers of what has been called the "Golden Age" of American popular music. These songs have done what popular songs are not supposed to do--stayed popular ... As such, these songs constitute the closest thing America has to a repertory of enduring classical music. In addition to reprinting the sheet music for these classic songs, authors Philip Furia and Laurie Patterson place these songs in historical context with essays about the sheet-music publishing industry known as Tin Pan Alley, the emergence of American musical comedy on Broadway, and the 'talkie' revolution that made possible the Hollywood musical. The authors

also provide biographical sketches of songwriters, performers, and impresarios such as Florenz Ziegfeld. In addition, they analyze the lyrical and musical artistry of each song and relate anecdotes, sometimes amusing, sometimes poignant, about how the songs were created. The American Songbook is a book that can be read for enjoyment on its own or be propped on the piano to be played and sung"-- Back cover.

First 50 Country Songs You Should Play on the Piano Hal Leonard Corporation
For beginning musicians, Alfred's Easy series is the fast track to developing a repertoire of well-known and fun-to-play songs, while more
