The Admonitions of Seh Bari

 In the hierarchy of Islamic faith and religious duties, zakat is next only to the acclamation of Allah's unity and prophecy of Muhammad (peace be unto him) and the five daily prayers. It is rather significant that a measure of far-reaching economic consequences should find such a high place in that hierarchy and be counted as one of the five

pillars of Islam. Zakat is doubly important in the way of life that is Islam. On the one hand, it is a means of spiritual purification and, on the other, a way to regain balance and equilibrium in social and economic life. One would expect religious scholars and economists not to miss these points and pay due attention to this unique institution. However, the subject of zakat did not

attract the attention of contemporary scholars to an extent commensurate with its importance. There is a need for economists, legal experts, and shariah scholars who would elaborate and analyze the law of zakat in a contemporary manner. Sheikh Yusuf al Qardawi's book is one of those exceptions to the above, giving one hope and reassurance to continue. First published

more than 3 decades ago, Fiqh al-Zakat still remains unparalleled in its comprehensiveness, exposition, and depth. It is, therefore, with great pleasure that we present it to the English reading public. Shaykh Yusuf Al-Qaradawi Born in Egypt 1926. One of the most prominent scholars of the 20th century. He memorized the Quran before the age of 10. He is an expert on principles of Islamic

jurisprudence (Fiqh), the Arabic language, and other Islamic Sciences. He has published over 100 books, which are bestsellers in the Islamic world. His books cover various topics, such as: Fiqh, how to understand the Sunnah, how to understand the Qur'an, a two volume book on Zakat which many scholars consider as a treasure house for the Islamic library, environment, Fiqh of Minorities,

poetry, and many other topics. Shaykh Al-Qaradawi represents an original effort to make the comprehensive rules of Islam accessible and understandable to non-specialists. He always tries to join between the principles of the religion and the problems facing Muslims today. *Fiqh Al Zakah* CV Jejak (Jejak Publisher) Kitab Hanya Jauhari yang Mengenal Manikam (Jalan Syari'at Hakikat dalam Setiap Ibadah)

adalah kitab dasar yang diajarkan di Majelis Ihram Riau berkenaan dengan perkara Syahadat, Shalat, Puasa, Zakat dan Haji. Kitab ini membahas dengan dua spek yaitu syari'at dan hakikat atau zahir dan batin. Kitab ini mengantarkan kita untuk memahami Rukun Islam sampai pada hakikatnya sehingga jika kita mengamalkan ibadah beriringan antara syari'at dan hakikat

maka sebenarnya kita sedang menapaki jalan Makrifat. Kemudian setelah kitab ini diselesaikan maka barulah ditutup dengan kitab selanjutnya yaitu kesimpulan dari kitab ini yaitu 'Membujru Lalu Melintang Patah (Jaya di Dunia, Sempurna di Akhirat). Semoga kitab ini dapat menjadi jalan untuk mekrifat kepada Rasulullah (Ma'rifaturrasul) dan makrifat kepada Tuhan

(Ma'rifatullah).

It has long been recognised by western scholars how valuable is the vast corpus of Hadith (sc. the sayings of the Prophet, his companions, the early Caliphs and other leading Muslim scholars) for the study of early Islam. The</p>	<p>contribution that Islam can make to this movement concerns the central question of what this 'Superman' - or 'Supermuslim' - would actually entail. Ketahuilah bahwa masa muda pasti berlalu. Jika engkau tidak membatasi diri dengan batasan yang disyariatkan, maka masa muda tersebut akan hilang dan pergi begitu saja, serta engkau

akan mendapat bencana, musibah, dan derita di dunia, di alam kubur, dan di alam akhirat, yang jauh melebihi segala kenikmatan yang telah engkau rasakan. Namun, jika engkau menggunakan masa mudamu dalam menjaga kehormatan dan kemuliaan, serta taat kepada Tuhan dengan cara mendidiknya lewat pendidikan Islam, sebagai

wujud rasa syukur kepada Allah I atas nikmat masa muda yang Dia berikan, maka masa tersebut akan terus terjaga dan akan menjadi sarana untuk memperoleh masa muda yang kekal di dalam surga yang abadi kelak. Ya, jika hidup ini tidak didasari dengan keimanan, atau keimanan tersebut tidak memberikan pengaruh lantaran banyak melakukan perbuatan maksiat, maka

seluruh kenikmatan lahiriahnya yang sangat singkat akan mendatangkan penderitaan dan kesedihan yang berkali-kali lipat lebih dahsyat dari kenikmatan dan kesenangan yang ada.

The Idea of Personality in Sufism

Yayasan Doa Para Wali
Buku ini mengajak untuk menyelami pemikiran Prof. Dr. Damardjati Supadjar, tokoh filsafat Jawa, sosok intelektual cum spiritualis, guru besar ilmu filsafat Universitas Gadjah Mada. Pemikiran etisnya

mencerminkan upaya membangun karakter manusia holistik, memadukan inspirasi religius dan aspirasi kultural, menyelami kearifan Islam dan budaya Jawa, dalam rangka menegakkan “Rukun Ihsan” dan meraih hidup yang lebih sempurna lahir-batin. Dengan buku ini, kita dapat mengetahui intisari nilai-nilai adiluhung dalam budaya Jawa, sekaligus melihat secara

spesifik bagaimana orang Jawa mengartikulasikan nilai dasar etika dalam kehidupan. Terminologi Islam-Jawa dalam buku ini mengacu kepada spirit keislaman dan kejawaan yang terpadu dalam kesatuan. Inspirasi mistisisme Islam dan aspirasi kebatinan (kepercayaan) Jawa tidak saling dipertentangkan, melainkan justru saling terikat satu sama lain dan berpadu

menjadi bangunan pemikiran spiritual yang integral, religius sekaligus kultural. **Revival of Religion's Sciences (Ihya Ulum ad-din) 1-4 Vol 1** Anak Hebat Indonesia An award-winning historian of religion examines the role a “messiah” plays in Western culture, from its pre-Christian roots to modern interpretations of a savior. Over the

centuries, people have longed for a messiah, whether a religious figure such as Jesus, a political leader, or even in popular culture. The messianic quest emerges most acutely during difficult times when people experience a sense of powerlessness and desperation. But the concept of a messiah—a savior—has its root in the writings of ancient Judaism and

early Christianity, evolving from an anointed leader to universal savior. Wilson turns to a little understood pre-Christian text, “The Psalms of Solomon,” which set the stage for messianic expectation just prior to the birth of Jesus. Known today only to a handful of scholars—in marked contrast to the “Song of Solomon”—these important psalms were composed not by a King, but by a devout

1st century BCE Jew who witnessed terrible atrocities under brutal Roman rule. This crucial work encourages us to ask: what is a messiah? Who is a messiah? How would we recognize one should he or she appear? And what is a messiah supposed to do? In his own lifetime, Jesus directed his followers to search for “the messiah within” in his parables. Later, Paul changed the

concept of “the messiah,” to “the Christ,” when presenting his message to Gentiles instead of Jews. Jesus was no longer a Jewish messiah but a Hellenistic divine avatar. In *Searching for the Messiah*, Wilson reveals how this collective search for messiahs throughout modern human history has been fundamentally flawed. Jesus himself rejected the idea of an

external fixer, instead formulating his teachings to focus on the role of the individual, their choices, and their actions. Searching for the Messiah is revelatory and illuminating work of scholarship that will challenge and inspire.
