Blue-Collar Billionaires: The Complete Series State of Mind
 From New York Times and USA Today bestselling author Jennifer Probst comes a new story in her Marriage to a Billionaire series. The Book of Spells returns in this sparkling addition to the series! She had run from her demons... Caterina Victoria Windsor fled her family winery after a humiliating broken engagement, and spent the past year in Italy rebuilding her world. But when Ripley Savage shows up with a plan to bring her back home, and an outrageous demand for her to marry him, she has no choice but to return to face her past. But when simple attraction begins to

run deeper, Cat has to decide if she's strong enough to trust again...and strong enough to stay... He vowed to bring her back home to be his wife... Rip Savage saved Windsor Winery, but the only way to make it truly his is to marry into the family. He's not about to walk away from the only thing he's ever wanted, even if he has to tame the spoiled brat who left her legacy and her father behind without a care. When he convinces her to agree to a marriage arrangement and return home, he never counted on the fierce sexual attraction between them to grow into something more. But when deeper emotions emerge, Rip has to fight for something he wants even more than Windsor Winery: his future wife. **Every 1001 Dark Nights novella is a standalone story. For new readers, it's an introduction to an author's world. And for fans, it's a

bonus book in the author's series. We hope you'll enjoy each one as much as we do.**

 Enjoy this billionaire secret baby romance at a terrific discount. Standing in a lobby full of people, bouncing auburn curls catch my eyes. As they slip through the crowd, green eyes peer out at me. My heart races, my body heats, and I can't stop looking into those eyes—they captivate me. The relationship was doomed from the start. She's only here for a week. Long enough to have some fun—short enough for no real feelings to start taking form. Or so I thought. Our connection is intense. Our love, undeniable. Our ending, inevitable. But she belongs with her family in Ireland. And I belong with mine in Texas. With a business to run, there's no way I can leave. With a family who needs

her, there's no way she can stay. But my heart still aches for her after so many months apart. And I have to wonder if hers aches for me as well. Maybe there is a way for us to be together. I'm not an ignorant man. After all, I can think of some way for us to be together. Memories of her won't stop calling to me. I have to take a chance—for us. The Billionaire's Trophy Sadira Stone
A chance encounter between a secretive billionaire and a plus-size PR expert could be the perfect solution to both their problems - or a delicious scandal in the making - in New York Times best-selling author J. S. Scott's new British Billionaires series....I am the type of woman who

always plays it safe. In my professional life as a public relations "fixer", and in my personal life, especially when it comes to the opposite sex. Really, who needs the wild highs and the I-want-to-die-because-he-left-me lows of a relationship? At least, that's what I thought...until I met him. Damian No-Last-Name-Given is sexy as sin, and I'd developed some kind of weird, instant attraction to him the moment he settled his chiseled body next to mine on a flight from London to Los Angeles. His sexy British accent did crazy things to my previously dormant female hormones, which had eventually led me to do the most impulsive thing I'd ever done in my entire life. I kissed him while everyone else in business class was sleeping. Or had he kissed me? All I knew was that we were both very willing participants, and that panty-melting embrace had rocked my entire world while it was happening. Unfortunately, that moment of spontaneity would haunt me once I found out Mr. British Hottie's true identity. He'd held his last name back for a reason. Oh no, I couldn't make some once-in-a-lifetime misstep with an ordinary businessman. When I screwed up, it had to be one for the record books, and it had to happen with one of the most powerful men in the world. And, oh yeah, he also absolutely had to be the biggest man-whore on the planet. Once I knew the truth, I could have easily convinced myself that the kiss wasn't all that earthshattering - if Damian Lancaster hadn't boldly swaggered into my office the very next day to apologize, and to make me a business offer I couldn't possibly refuse.... Goodbye sanity; hello madness.
