Keiler Roberts mines the passing moments of family life to deliver an affecting and funny account of what it means to simultaneously exist as a mother, daughter, wife, and artist. Drawn in an unassuming yet charming staccato that mimics the awkward rhythm of life, no one's

foibles are left unspared, most often the author's own. When Roberts considers whether or not to dust the ceiling fan, it's effectively relevant. She can get lost in the rewarding melodrama of playing Barbies with her daughter and will momentarily snap out of her depression. Her harmless fibs to get through the moment are brought up by her daughter a year or two later, yet without hesitation Roberts will request that her daughter's imaginary friend not visit when she is around. Her MS diagnosis lingers in the background, never taking center stage. In My Begging Chart, her most encompassing work yet, Keiler meditates on routine and stillness. The

vignettes of her everyday life exude immense presence, making her comics thoroughly relatable and reflective of our all-too-human lives as they unfold with humour, sadness, and relieving joy. In transporting these stories onto paper, Keiler observes, and at times relishes, a fleeting present.

*And Only to Deceive* Marvel Entertainment Matt Fraction and David Aja's complete, acclaimed run in a single sharpshooting volume! Clint Barton continues his fight for justice -- and good rooftop BBQs! With Young Avenger Kate Bishop by his side, he's out to get some downtime from being one of Earth's Mightiest Heroes -- but when the apartment building

he's moved into, and the neighbors he's befriended, are threatened by a tracksuit-wearing, dog-abusing gang of Eastern European mobsters who say "bro" an awful lot, Clint must stand up and defend his new adopted family...any way he can. It's Hawkguy, Katie-Kate, Pizza Dog and friends against the Clown, Madame Masque, the Tracksuit Draculas and more in a fantastic, Eisner Award-winning reinvention of the arrowed Avenger! Bro, you read this book.

Okay, bro?

Hawkeye Disney Electronic Content Huck and Nadia are enjoying their twenties: working in Big Tech and developing an adventurous sex life. Together they fantasize about opening their relationship with a “free pass” to sleep with certain friends or celebrities. It's all in good fun. But Huck is leading a double life. As a national election looms, he grows more and more uncomfortable with his company's unelected authority over internet discourse. When the couple receives a bizarre gift—a cutting-edge humanoid sex AI that can morph into anyone—their worlds of fantasy, trust, and consent are thrown into blissful chaos. In a society growing more

divided each day, Huck struggles with the pressure to uphold boundaries at work... while everything is collapsing at home. Julian Hanshaw follows his acclaimed graphic novels *Tim Ginger* and *Cloud Hotel* with an intoxicating new tale of liberty, privacy, and shame, set in the sticky place where sex, politics, and technology come together.

Hawkeye Vol. 6 Marvel Entertainment Captivating and action-packed, *From Blood and Ash* is a sexy, addictive, and unexpected fantasy perfect for fans of Sarah J. Maas and Laura Thalassa. *A Maiden...* Chosen from birth to usher in a new era, Poppy's life has never been her own. The life of the Maiden

is solitary. Never to be touched. Never to be looked upon. Never to be spoken to. Never to experience pleasure. Waiting for the day of her Ascension, she would rather be with the guards, fighting back the evil that took her family, than preparing to be found worthy by the gods. But the choice has never been hers. *A Duty...* The entire kingdom's future rests on Poppy's shoulders, something she's not even quite sure she wants for herself. Because a Maiden has a heart. And a soul. And longing. And when Hawke, a golden-eyed guard honor bound to ensure her Ascension, enters her life, destiny and duty become tangled with desire and need. He incites her anger, makes her

question everything she believes in, and tempts her with the forbidden. A Kingdom... Forsaken by the gods and feared by mortals, a fallen kingdom is rising once more, determined to take back what they believe is theirs through violence and vengeance. And as the shadow of those cursed draws closer, the line between what is forbidden and what is right becomes blurred. Poppy is not only on the verge of losing her heart and being found unworthy by the gods, but also her life when every blood-soaked thread that holds her world together begins to unravel.
